Scout Troop 267 Still Making a Difference After 100 Years

By Brian Simon

When it all started, the U.S. President was Calvin Coolidge, the Great Depression was years away, television was found in nobody's home, and the Babe Ruth-led Yankees ruled baseball. Meanwhile, El Segundo was still a fledgling town with strawberry fields and a very small population based near the Standard Oil refinery. There was no high school or airport as yet. However, the weekly Herald newspaper was going strong 14 years after its first edition. These were just a few notable milestones in 1925 when Boy Scout Troop 267 was officially established in town. Described as "the backbone of youth development in El Segundo" that provides "leadership, outdoor adventures, and lasting friendships," the now-iconic outfit recently celebrated its centennial with a well-attended event at its long-time headquarters on Grand Avenue.

About 75 scouts, scouters, alumni, and family members came by to honor the troop for the special occasion. "The El Segundo Scout House was beautifully decorated in a fantastic tribute to the longest continuously operating troop in the South Bay," said Scoutmaster, 267 alumni, and El Segundo-born and raised Eric Kari.

To begin the ceremony, Kari asked for a moment of silence in honor of the Scoutmaster of his youth, Shelly Butler, who passed away on February 21—only three days after the El Segundo City Council issued a commendation to Troop 267 in recognition of the 100th anniversary. That evening, the scouts opened the meeting with a flag ceremony and led the Pledge of Allegiance. "We're truly thankful to the City Council for recognizing this milestone and to the volunteers, leaders, and

scouts who've kept the scouting flame during all these years," Troop 267 Committee Chair Allen Semerdjian said.

The centennial attendees additionally shared their personal experiences as part of the troop and the impact it made on their lives. Mayor Pro Tem Ryan Baldino also presented the troop with a Council proclamation at the event.

Kari noted that he was extremely proud of his time with Troop 267, both as a youngster

and now as an adult leader coming full circle. "As a boy in the troop, I never realized just how well it was preparing me for my future," he said. "I just thought I was having fun. But as an adult, I see just how well the troop shaped me for leadership, civic responsibility, and active citizenship. It has been my distinct privilege to pass along the lessons I've learned to the youth under my charge. They get so much out

Obituaries

Jeff Fortini

Our good friend Jeff Fortini passed away on January 11, 2025 after a years long fight with esophageal cancer. He was born December 20, 1954 and lived the majority of his life in the South Bay area of Southern California, most recently in the city of Hawthorne. He spent the majority of his life in public service, first in the Army and then for nearly 30 years with Homeland Security, specifically with Customs and Border Protection, where he retired in 2010. He reached the rank of Chief serving variously at LAX and in the Ports of Los Angeles and Long Beach. Jeff ran for State Senator in 2011. He was married in spirit at

the time of his death but had no children of his own.

Jeff was an avid golfer nicknamed the Father Rat by his buddies with the Rat Bastard Golf Club. He was a cook, a handyman, a gardener with too many plants, and a compassionate soul. He could be stern as well as being an intensely loyal friend and compatriot.

Jeff wanted his legacy of service to continue with the establishment of the Jeffrey E. Fortini Memorial Scholarship to Learn and go Forth for Service at his El Segundo High School alma mater and with a sizable donation to St. Jude Children's Research Hospital. He will be missed and remembered often. •

Second Act for Library's Canary Island Pine?

By Rob McCarthy

The Canary Island Pine removed from Library Park this month couldn't be saved, however, one El Segundo man envisions a second act for the 60-foot-tall pine that shaded park visitors for nearly a century.

A tree-care company examined the pine and declared it dead in February. Dying bark indicated an insect infestation, and the pine needles had turned brown, prompting a recommendation that the longstanding tree be removed because it posed a hazard. Crews cut down and removed the tree from Library Park on March 3.

Bryan Shepard, a resident and local businessman, told the City Council Tuesday night that he wants to preserve the memory of the towering pine and repurpose the salvageable wood from the tree's trunk. A 45-foot section of the trunk was taken to an Ontario arborist, with hopes that money can be raised to find contemporary uses for the urban timber. Local supporters created a GoFundMe campaign to help with the expenses.

The "Milton C.I. Pine," as the tree was known, can be fashioned into seating or furniture for public or private indoor use, he explained in a letter to the council outlining preliminary plans to move the timber from its current location in Ontario to the woodworking business in Los Angeles.

Shepard pitched the idea to the council, explaining that having a bench, for example, constructed of pine wood could reconnect people to the tree, which was planted in 1950 and had a trunk width of 3.5 feet. Angel City Lumber in Los Angeles accepts old and historic trees and works with customers to turn out contemporary pieces that serve as reminders about the benefit of trees in urban landscapes.

"Trees are important and a way for us to connect with nature," he said, adding that

many El Segundo streets are named after tree species. Amazing things are being done with reclaimed wood, he told the council.

His hope is the city will engage in the campaign to repurpose the Library Park pine and demonstrate that old trees are good for something other than mulch. "They aren't trash, they can become something beautiful."

City Manager Darrell George indicated the city is open to the timber-reclamation idea and will be placed on a City Council agenda after talking with the arborist and Angel City Lumber. When that happens, Councilman Ryan Baldino invited Shepard back to talk about a second act for the old tree that stood 95 years.

The Recreation and Parks Commission was scheduled to meet midweek to discuss and possibly select a replacement tree for the Library Park.

At Tuesday night's meeting, the council continued a public hearing about residential parking requirements for multi-family dwellings. With density in R-3 areas expected to increase in the future, the council is searching for a parking-space formula that eases street parking near apartments and condominiums.

The council rejected tandem parking on multi-family properties in previous discussions despite the Planning Commission's willingness to allow some tenants to park two vehicles end-to-end in one space.

The new proposed parking requirements would allocate one parking space for a studio, two spaces for one- or two-bedroom units, and one guest parking space for every three units. The proposed changes apply to dwellings on two acres or less.

Any projects larger than two acres or that propose less on-site parking than the city requires would be ineligible and would either

Delivery Issue on Eastside

For the past two weeks, we've had calls that our newspapers have been found in the middle of the street, on the eastside - notably, Pepper, Maple, Eucalyptus, and more. We have not changed drivers and or delivery services. This is a head-scratcher. We'd appreciate your help if we have any early risers on those streets and you see who is doing this, please let us know or, even better, take a photo or video and send to letters@heraldpublications.com. This problem could be the work of vandals or competitors. A few

years ago, someone was taking papers out of our downtown blue boxes, which eventually stopped. We apologize for the inconvenience, are concerned and appreciate the phone calls.

On a different and much more pleasant note: If you see students taking large quantities of papers from our blue racks downtown, we have given the ESHS students permission to take *Heralds* to use in their upcoming musical, "Newsies." It looks like it will be a fantastic production. See more this exciting upcoming performance on page 3. Thank you! •

be subject to a development agreement or need the City Council's approval.

The update, if approved by the council at its April 2 meeting, would include penalties for illegal garage conversions. Penalties range from denial of new parking permits to revocation of existing permits.

Before the measure passed on a 4-0 vote, Mayor Chris Pimentel said he believed the revisions adequately address the issue of parking sprawl "at this time."

In other council action:

El Segundo Police Department hired 21 officers in 2024 and currently has 66 positions filled, according to an annual update of staffing and crime statistics. Chief Saul Rodriguez told the council that crime was down 18 percent in 2024 with no homicides, 137 assaults, 22 robberies and seven sexual assaults. The number of reported burglaries, thefts and car thefts also declined last year. There were six cases of arson in 2024.

According to the chief, property crime accounts for 90 percent of the city's incidents. Organized theft rings were responsible for 104 thefts, with three stores at the Point and Plaza being hit most often. Kia and Hyundai vehicles accounted for nearly one-third of the car thefts and attempts in the city last year. In all, 116 vehicles were targeted by thieves last year, and 51 were stolen and recovered.

The city will create an underground utility district for Lairport Street. The action is needed before Southern California Edison can bury

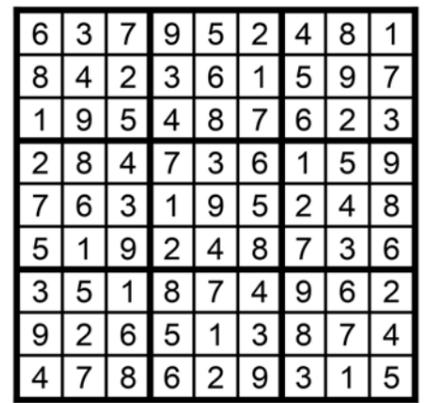

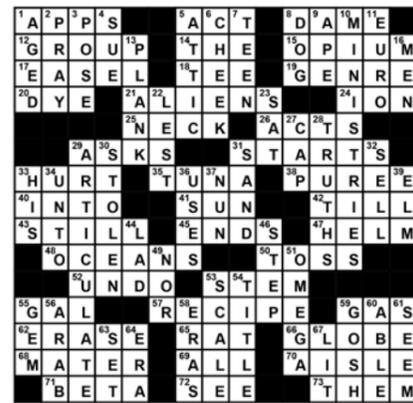

power lines and remove power poles from the sidewalks. The cost to design and install the underground utilities, including fiber-optic cable and communication lines, would be covered by the utility company, according to Public Works Director Elias Sassoon. Any power upgrades requiring more transformers to boost the power supply would be the city's responsibility, he advised the council. According to the Public Works Department, the district will encompass Lairport Street from Maple to Mariposa Avenue and take six to nine months to design and up to one year to complete construction.

El Segundo may exit a municipal risk pool used by 13 other cities for insurance coverages, including workers' compensation, general liability, cybercrime and terrorism. This will be the second time since 2022 that El Segundo has informed the Independent Cities Risk Management Authority of its intent to leave the risk pool and look elsewhere for insurance products.

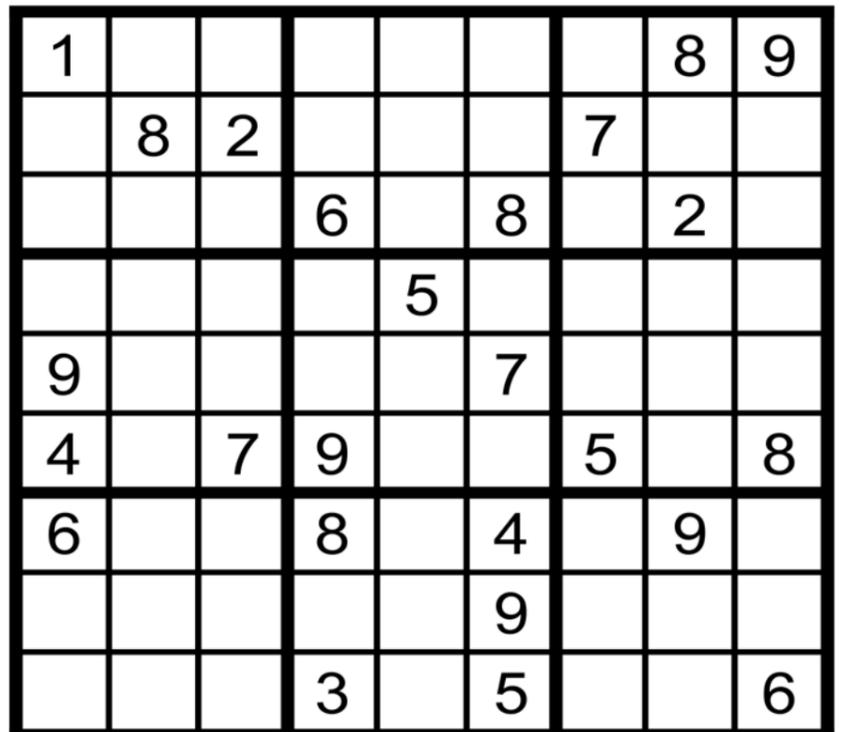

If the city decides to remain in the group, it must notify ICMA by December 1. El Segundo has been a member of the municipal risk pool since 1985, and wants to explore other options and possibly join other risk groups, Human Resources Director Rebecca Redyk explained. Another option is going solo and buying coverage directly, she said.

Mayor Pimentel also announced the selection of Steve Taylor and Melissa McCaverty to fill vacancies on the five-member Planning Commission. •

Eagles Hitting on All Cylinders

Story and Photos by Gregg McMullin

The El Segundo high school's baseball team has started the season with an undefeated record. With an 8-0 record and the program's first El Segundo Tournament championship in decades, the Eagles are hitting on all cylinders. The unblemished record, except for a 7-7 tie with Los Alamitos, is the best start for the Eagles in over fifty years. Nobody expects the Eagles to run the table, but they are making others sit up and notice how well they're playing. The Eagles are loaded with talent, so could this be the year for the program's first CIF championship game appearance since 2006?

Head coach Billy Traber, in his eighth season, has an impressive 138-77 overall record or a winning percentage of .642. He has three assistant coaches, including Craig Cousins, Ricky Clark, and Steve Sutherland, who together bring their experience and passion to coaching, lending to the program's success.

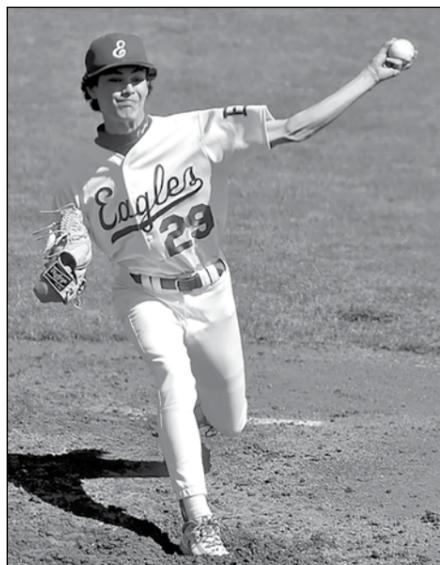

This year's roster has talent, depth and experience. With such a diverse team it allows Coach Traber to move players from one position to another. He also has the luxury of dedicated starting pitchers and a deep bull-pen of relief pitchers.

The Eagles have a solid defense, and with every successful team, it starts up the middle. Behind the plate, the Eagles have two of the best in the area. Lincoln Quaintance will start most games, while Austin Holman will spare him from time to time. Chase Mattoon has demonstrated how good he is at shortstop. The sophomore follows in a long line of outstanding Eagle shortstops over the years, including Gary King, George Brett, Tom Soto, Wil Parsons, Mark Lewis, Robi Estrada, Grant Palmer, and Lars Nootbaar. Ben Lee roams centerfield with perfection and has the arm to hold runners in check.

The rest of the infield looks solid. At first base is Reed Abrams, and with his defensive skills, he could be one of the top first basemen in the Pioneer League. Jayden Rico turns a double-play at second base as good as anybody. Logan Brooks is a two-year starter at third base, and his range to his left is formidable.

Senior left-hander Jake Collins leads the pitching staff. As a junior, he appeared in eight games, starting three of them. This season he leads the staff with a 1.73 ERA in twenty-eight innings and is 3-0. Other starters

Alex Cross Must Die by James Patterson

Fear. This is the emotion that the people on board a Washington bound flight experienced right before machine gun fire rips through their plane, causing it to crash, killing everyone on board. Detective Alex Cross and his partner, John Sampson, are called to the scene in the middle of interviewing the wife of the latest victim of a serial killer whose victims have something very strange in common—they all have expunged criminal records from when they were children. So odd. When they get to the scene of the devastating and destructive plane crash, Alex and John find out that the

specific weapon used was a Vietnam War era Browning M2 .50 caliber, and it had been stolen earlier that year. The number of people who know how to operate the gun is short, but so is the time before the next strike. Alex must find both killers before they strike again, and fast, before he ends up in the killer's crosshairs. Meanwhile, Alex's wife, Bree, is given an assignment, which is to find her boss's missing friend. Seems easy, but the boss's friend had a hidden life that no one knows about, not even her closest friends... until now. And although they don't know it yet, Alex's plane crash and Bree's missing persons case are connected. The plot all comes together in an explosive ending, literally! To find out the details and experience the shocking twists, turns, and exciting action you will need to read this riveting, 388-page crime fiction novel entitled, *Alex Cross Must Die*, by crime thriller master James Patterson. •

It's Been an Epic Year for B10U All-Stars

Representing El Segundo's AYSO Region 92, the boys' U10 All-Star team has been on an epic run that culminated in a Western States Championship win this past weekend.

This team's incredible run began in January with emphatic shutout victories over North Redondo and Hawthorne. Those wins were followed by more dominating performances against Westchester and South Redondo, setting up a final group game against Manhattan Beach, where it was believed that a tie would be enough to earn first place and advancement to the Section Tournament. Well, the game ended 2-2, and while El Segundo secured the top spot, a final game was still required to separate these two undefeated teams and

determine a winner. In unprecedented fashion, a winner-take-all final was scheduled almost two weeks after the All-Star area play had ended. Parents and fans showed up in force, and on a cold Friday night under the lights at Campus El Segundo, these boys would not be denied; they were terrific and brushed aside our local rivals, 6-1, including a hattrick from Weston Kielman. The victory ensured that El Segundo would finish Area play in first place and book their spot at the Section Tournament in Beaumont on March 1st & 2nd.

Game one of Section was a battle with Hemet that required a come-from-behind-

of scouts, and they just think they're having fun. This cycle will again repeat itself, which is what has made this troop so successful for the last 100 years. I am grateful to have a part in its history."

That history features countless highlights, with over 100 boys in El Segundo earning the prestigious Eagle Scout rank—the highest honor in scouting. Inspired two years earlier by Robert Baden-Powell, William D. Boyce founded scouting in the United States in 1910. An act of Congress officially chartered scouting in 1916 and El Segundo organized a Boy Scout troop in February 1918, as reported in the Herald at the time. "All troops nationwide were initially designated as Troop 1, and differentiation into other unit numbers only occurred after it became too confusing to multitudes of troops that were all similarly numbered," Kari explained. "So in reality, the

troop is 107 because Troop 1 changed to Troop 267 in the 1925 timeframe."

Throughout its existence, Troop 267 has followed the hallowed 12 principles of scouting: "A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent." Those components guide the scouts as they engage in activities that build character, develop outdoor skills, and promote community involvement. With 137 merit badges available to learn in a plethora of areas, scouts can create a well-rounded early life resume that helps them navigate their future careers, as well as prepare them for parenting, service, and overall citizenship.

Troop 267's monthly activities include backpacking, camping and varied high-adventure experiences that provide physical and mental challenges. The annual week-long summer camping trip is a beloved tradition that continues

to top the list of favorite outings. "Our troop is going to Emerald Bay in Catalina this year and we have most of the boys signed up to go," Kari reported. That trip combines scenic beachfront and mountain camping with sailing, kayaking, snorkeling, and scuba diving among the options available. "We have other short-term adventures as well. We are going to Camporee [a regional gathering] in April where we camp with a bunch of other local troops, and we will go backpacking in the San Gabriel Mountains in May." The group also spent the weekend in Carrizo Plain, a national monument in San Luis Obispo County, earlier this month.

Currently, the troop has a membership of 17 scouts, though the numbers continually change as boys age out once they become adults and new members join the fray. "Boys ages 11 through 17 can be scouts," Kari said. "The

younger they start, the better because they have more time to adventure and earn their way to Eagle. That said, we welcome older boys who have a sense of adventure and want to build skills and do outdoor activities."

The scout-led model encourages independence, decision-making, and teamwork. As such, the adult leaders act as advisors and do not try to dictate the proceedings. It's all part of the strategy to help the boys develop into responsible and confident adults. The game plan hasn't really changed since 1925 despite the advent of virtually endless technologies and a world that El Segundo residents 100 years ago could never have imagined. No matter the era, it will always be useful to learn how to build a fire, cook, administer first aid, and become a leader in one's community, among the many other skills that will always have a place in life. It never gets old, even after a century...•

Subject to the Foreclosing Seller's acceptance at the Auction of a Qualified Bid (as defined below) that is higher and better than the terms and conditions set forth in the Asset Purchase Agreement, the Foreclosing Seller will foreclose on the Assets and transfer the Assets to IAFG. IAFG is an affiliate of the Foreclosing Seller. To submit a qualified bid (a "Qualified Bid"), a bid must conform to the

following: (i) such bid must be received no later than 5:00 p.m. ET on March 27, 2025, (ii) the purchase price must be payable in full, in cash, in an amount not less than \$12,600,000 at the closing, and not subject to any financing contingency; (iii) the bid may not be subject to any diligence contingency; (iv) all bidders must submit the bid in the form of an executed Asset Purchase Agreement (and include a copy that is marked to show revisions to the Asset Purchase Agreement, which Asset Purchase Agreement is available (in electronic form and otherwise) on request to Foreclosing Seller's counsel at the contact information set forth below); and (v) each bidder shall deliver to Foreclosing Seller such other evidence of creditworthiness as Foreclosing Seller may reasonably request for the purpose of evaluating such bid.
 Subject to the Asset Purchase Agreement, the Foreclosing Seller reserves the right to bid at the Auction. In the event the Foreclosing Seller is the successful bidder at the Auction, the Foreclosing Seller shall apply the amount of its bid as a credit to the indebtedness of the Borrower to Foreclosing Seller under

the Credit Agreement. The Foreclosing Seller shall, however, pay cash for the Assets to the extent that its bid exceeds, if at all, the indebtedness of the Borrower to Foreclosing Seller under the Credit Agreement.
 The Foreclosing Seller reserves the right, by announcement made at the Auction or by further notice to the parties receiving this notice, to continue the Auction to such time and place as Foreclosing Seller, in its sole discretion, may deem fit, or to cancel the Auction. The terms of sale set forth in this Notice may be subject to additional or amended terms to be announced at the time thereof.
 The Assets will be transferred to the successful bidder by way of bills of sale satisfactory to the Foreclosing Seller in its sole discretion.
THE ASSETS WILL BE SOLD BY THE FORECLOSING SELLER ON AN AS-IS, WHERE-IS BASIS, WITHOUT RECOURSE, REPRESENTATION, OR WARRANTY OF ANY KIND, WHETHER EXPRESSED OR IMPLIED, AND WITHOUT ANY WARRANTY RELATING TO TITLE, POSSESSION, QUIET ENJOYMENT, OR THE LIKE IN THIS SALE EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THE

ASSET PURCHASE AGREEMENT.
 Persons wishing to inspect the Credit Agreement and desiring other information, may contact counsel for Foreclosing Seller, Joel Mudd, Winston & Strawn LLP, (312) 558-3486, jmudd@winston.com during normal business hours. All such persons shall be asked to execute a customary confidentiality agreement.
 The Foreclosing Seller reserves all of its rights against the Borrower for any and all deficiencies on the indebtedness remaining due to the Foreclosing Seller after the Auction.
 To the extent that the Auction generates cash proceeds in excess of the Borrower's aggregate indebtedness to the Foreclosing Seller under the Credit Agreement, such excess proceeds will be remitted to the Borrower in accordance with Section 9615 of the California Commercial Code. The Borrower, at any time after receipt of this notice and prior to consummation of the Auction, may request at its expense an accounting from the Foreclosing Seller of the unpaid indebtedness secured by the Assets under the Credit Agreement, as applicable

include Porter Robbins, Colton Ksieski, and Tyler Cohen. Senior left-hander Sam Forthuber was slated to be the ace of the staff. His impressive junior year saw him lead the staff in strikeouts and lowest ERA in twelve appearances. An injury before the season has limited Sam to designated hitter and recently in the outfield until cleared to pitch again. Ethan Ayler has a win and a save in relief in three games.

Hitting will not be a problem for the Eagles. With seven players hitting .300 or better, there isn't an easy out in the lineup. It starts with senior right-fielder Kyle Whalen, who sets the tone with his .538 batting average. Ben Lee continues his timely hitting with a .300 average after hitting .327 as a junior. Chase Mattoon leads the team in runs scored (9), RBIs (9), and home runs, and is second in batting average (.433) and hits (13). Lincoln Quaintance hits fourth in the lineup and has the power to strike fear in the opposition. Logan Brooks' rise has been impressive. Once he got into the starting lineup as a sophomore, his defensive skills were obvious, but his .522 batting average was eye-popping. This year, he could be the most feared hitter in the lineup with his .370

batting average and five doubles, and for his power potential. Then there's Austin Holman, who is following up on a fabulous freshman year, hitting .357 by getting timely hits on his way to hitting .345 this year.

The Eagles have made such an impression they are the top-ranked team in the South Bay for the first time in eight years. In two recent Pioneer League games, Jake Collins started both and threw complete game three-hitters against South Torrance in a 1-0 win and North Torrance in a 6-1 win. The Eagles host Peninsula on Friday at 3:30 p.m. in another Pioneer League matchup.

Sienna Mayer Hits Milestone and Eagles Reach Semi-Finals

With the wet weather last week, it made for a spotty schedule to get softball games in. The Eagles made headlines by defeating Palos Verdes 1-0. In the game, four-year starting shortstop Sienna Mayer collected her 100th career hit, a triple. The Eagles began play in the Torrance TNT Tournament and defeated Banning 7-4 and Redondo 1-0. In the Banning game, Mayer delivered a two-run double to lead the 10-hit attack. Against Redondo, sophomore first baseman Carter Cswaykus' RBI single scored Jaz Ramos in the fourth

inning for the only run in the game.

Jacy Lindsey has pitched brilliantly this season, especially in her last three appearances. In those 15 innings against Palos Verdes, Banning, and Redondo, she is 3-0 with an ERA of 0.00.

The Eagles reached the semi-finals of the Torrance TNT Tournament and played West Torrance this past Monday. The Eagles are on the road at Mater Dei today before hosting Crescenta Valley on Friday at 3:30 p.m. and the Hillcrest Trojans (Riverside) on Tuesday at 3:30 p.m.

Volleyball Team Off to Best Start

The Eagles are off to their best start in program history. With their sweep of Bishop Montgomery in a non-league match and then sweeping their way past Los Altos, Schurr, Bellflower, Canyon (Canyon Country), and Warren in the finals of the Theodore Bellflower/Gahr Volleyball Tournament, the Eagles are 13-0.

The Eagles are controlling their matches with a front line of Grant Ostler, Eric Fallon, Ryan, and Dylan Pilkvist. Krilko and Nate Burns provide excellent back-line play, which is why the Eagles have been so successful thus far.

The Eagles' schedule gets a real test this week when they begin Bay League play. The Eagles, who are ranked seventh nationally, took on sixth-ranked Redondo this past Tuesday. Today, they'll take on the Peninsula Panthers on the road, and next Tuesday, they'll face top-ranked Mira Costa on the road.

victory, and goals from Connor Stewart, Raylan Fennell, and Will Boger helped overturn a deficit and secure a 3-1 win. A 4-2 win over Glendale, followed by a goal from Ryder Osborne and a hatrick from Ryker Franke, helped to secure victory. In the final group game, the boys just needed a tie to secure first place and a spot in the semi-final. A tense and physical battle with South LA ended 0-0 and set up a knockout game versus Chino later that day. Impressive goalkeeping from Will Boger and Ryder Osborne and a dominant defensive display from Kelly Crouch and Abe Grubbs contributed to a shutout victory and secured a spot in the final. Another dominant display followed, and a 4-1 win over Glendale secured their

place as the Section One representatives at the Western States.

On March 16th, the team made the short journey to Corona for a win-or-go-home game against West Garden Grove. El Segundo went behind early and struggled to come to terms with the delayed play and tactics of their opponent. It wasn't until late in the third quarter that Raylan Fennell scored to finally tie the game. The joy was short-lived, though, as Garden Grove quickly restored their lead in the fourth quarter, meaning the boys would have to come from behind if they wanted to make the final and have a shot of becoming Western States champions. In the final minutes of the game a freekick was awarded just outside of the box, Connor

Stewart scoring to send the game into overtime. The boys were exhausted, having given so much already, but they battled on and got their reward when a penalty was given for handball; Stewart stepped up and beat the keeper to give El Segundo a 3-2 lead. From there, it was all about hanging on; Crouch and Grubbs again were terrific defensively, and a last-minute save from Ryder Osborne closed the game out and secured El Segundo's spot in the final against Van Nuys/Sherman Oaks. The final was expectedly tense, and the two teams couldn't be separated in the first half, 0-0 and all to play for in the second half. Well, these Gundo boys did what they have done so many times before in this All-Star run, and they came out with a fire in the

third quarter and blew their opponent away. A penalty scored by Stewart, a blast from outside the box by Cameron Billups, and an own goal secured a 3-0 victory and the title of Western States Champions!

Finishing with an impressive eleven victories and two ties, it has been an incredible undefeated All-Star journey for these boys. Their fluid attacking play resulted in 59 goals scored, and stout defensive and goalkeeper performances resulted in just 13 goals conceded across 13 games.

Stay tuned for information on the Western States plaque and banner ceremony at Campus El Segundo, as well as other exciting celebrations this team so greatly deserves. - Provided by Head Coach Jordan Stewart. •

Chevron Partners with El Segundo Unified School District for Pioneering AI Conference

In a first-of-its-kind event, Chevron partnered with the El Segundo Unified School District (ESUSD) on last week's inaugural "AI Movement in Education" (AIM) conference at El Segundo High School. The event, attended by local community leaders and educators, underscored the district's commitment to integrating AI into education, while preparing students for the evolving technological landscape.

The AIM conference put a spotlight on El Segundo High School students from all grade levels as they led sessions exploring AI's transformative applications across various sec-

tors, including finance, healthcare, education, environmental stewardship, sports, and entertainment. These student-led presentations provided attendees with a comprehensive understanding of AI's impact on a range of professions.

Following the presentations, Chevron showcased its latest technological advancements, featuring "Spot 2.0," the company's robotic dog, and the Microsoft HoloLens. "Spot 2.0" utilizes AI to enhance safety protocols, perform routine operational tasks, and conduct real-time facility scans at the refinery. The Microsoft HoloLens offers a mixed-reality

experience, blending augmented and virtual reality to demonstrate innovative applications in industrial settings.

Marisa Janicek, ESUSD's Assistant Superintendent for Educational Services, expressed gratitude for Chevron's multifaceted support, stating, "We are so appreciative of Chevron's ongoing support – not only for its generous financial contributions but also for the thought leadership it provides in developing key STEM initiatives benefiting students of all ages."

Jeff Wilson, Corporate Affairs Manager for Chevron El Segundo, highlighted the long-

standing partnership between Chevron and local schools.

"With more than a century of Chevron support for education in El Segundo, this new exciting AI program should be both a source of immense pride for El Segundo's world-class school system and an important enabler of future career paths in STEM," said Wilson. "By hosting this conference, Chevron and ESUSD will help to ensure that students are equipped with the knowledge and skills necessary to navigate and contribute to an AI-infused world." •
