## A Very Special Day in the Park

Story and Photos by Ron Sokol

You may recall last month we were having June gloom. The sky was often overcast, gray, and unwelcoming. While summer was almost at hand, the temperature was a bit chilly.

But, then, in short order, none of that mattered at all one day. Blue took over – *Dodger blue, that is!* Right here in the South Bay, at wonderful Holly Park, the Dodger Foundation -- through its sports-based youth development program, proudly known as Dodgers Dream Team -- brought *Dodger Days* to the community.

Kids of all ages were out in force. Young kids indeed, but also moms and dads, grandmas and grandpas, aunts and uncles (and even a columnist from *Herald Publications*, yours truly). You see, I wanted to cover the event because the Dodgers helped sponsor the local Little League. Just to be clear, my being there had very little to do with being a lifelong Dodger fan who grew up with Vin Scully in his ear. The huge smile on my face was probably just because I'd had a very strong cup of coffee before arriving. That's all.

There were a number of former Dodger players in attendance, including Billy Ashley and Dennis Powell. They posed for photographs, signed baseballs, shirts, paper, and whatever was handed to them, and gave kind, patient, and helpful instruction to future major leaguers (boys and girls alike, of course).

You could feel the fun, the excitement, and the joy. To add to the festivities was an excellent sound system and very upbeat

music. Also, just to be on the safe side, two of Hawthorne's finest from the Police Department casually strolled in and around Holly Park. Everyone nodded or waved to them. They were as well received as the Dodgers themselves, which brought a tear to my eye, but that was probably just a seasonal allergy, nothing more.

The Dodger mascot was everywhere. Smiling, clapping or waving his hands, mugging, dancing, cheering, hugging, and doing what mascots do: Keeping spirits high. Some of the supportive organizations there, who played a role in this community gathering, were California Pizza Kitchen, UCLA Health,

Arco, Warehouse Shoe Sale, Vision to Learn, and the LA Food Bank. There were a lot of giveaways: Bats, backpacks, baseballs, and Dodger dogs, among other goodies.

"Um, can I have a hot dog?" She looked at me a bit perplexed and then blurted out: "Sir, you look like you're starving... You sure you don't want two?" (Confession, but between us only: I love Dodger dogs. Not too long ago, the Farmer John's hot dogs that were standard at Dodger Stadium were replaced by another brand. Please note that I may have real expertise when it comes to Dodger dogs, having eaten them over the course of

### *Birnam Wood* by Eleanor Catton

Written by the Booker Prize winning novelist of *The Luminaries* and screenwriter for the recent movie iteration of Austen's *Emma*, Eleanor Catton has produced another winner in *Birnam Wood*. Catton was raised in New Zealand and has based this novel on the country's South Island. She knows the political, social, and economic terrain of New Zealand and uses it to great effect here.

*Birnam Wood* by Eleanor Catton.

*Birnam Wood* is a guerilla gardening collective that plants gardens along roadways and on abandoned or unused plots of land, sometimes legal, sometimes not. Mira is a trained horticulturist and an arrogant, insecure renegade. Her best friend Shelley has tired of Mira's condescension and the unremitting cloud of financial insecurity, moral outrage and legal threat that hangs over the co-op. *Birnam Wood* is on the edge of collapse, as is the relationship between Mira and Shelley. Shelley wants out but knows the collective would not withstand her loss. Her feelings of resentment, guilt, and frustration have narrowed to focus on Mira.

A recent earthquake on undeveloped land has provided an unprecedented opportunity for

*Birnam Wood*. The road is impassible and has walled off hundreds of acres of land, perfect for establishing a large, self-sustaining garden. By the time the infrastructure is repaired, *Birnam Wood* will have proven themselves as an environmental and ecological success, producing enough output to keep them solvent. Banking on the assumption that no one will notice, *Birnam Wood* moves in and begins their clandestine operation.

When Mira stumbles onto a private jet, she meets Robert Lemoine, an enigmatic American billionaire. Lemoine claims to be building an underground bunker on the land both he and Mira are trespassing upon. Mira wonders why are there armed guards and surveillance drones? Why all the secrecy? As they explore the inexplicable attraction between polar opposites, Mira realizes she is no match for the powerful, narcissistic Lemoine. Both Mira and Lemoine are skilled at keeping secrets and they will do whatever it takes to protect their interests, despite the devastation left in their wake.

### *The Deepest Breath* Tells a Bittersweet Story of Two Sea-Bound Soulmates

By Morgan Rojas for Cinemacy

Every decision we make on this earth, whether on land or sea, is left to some degree of chance. Even with years of experience, we can never truly predict with full certainty the outcome of a situation. Yet in some ways, this unpredictability is part of the beauty of life.

*The Deepest Breath*, courtesy Netflix.

Happenstance is what brought Alessia Zecchini and Stephen Keenan together, and fate is why their story is so painstakingly tragic. To bring this story to life, director Laura McGann takes audiences on an emotionally-stirring and reflective journey throughout the lives of these two sea-bound soulmates in the documentary *The Deepest Breath*, now streaming on Netflix.

On the surface, *The Deepest Breath* can be described as a tragic love story between a world-champion Italian freediver, Alessia Zecchini, and her Irish safety expert coach, Stephen Keenan. But dive a little deeper, and you'll soon discover that it's so much more than that. This film tells a poignant story about pushing the limits of the human body – mentally and physically – and the vulnerability that it takes to surrender everything in the name of love.

From the very first frame, audiences are submerged into the little-known world of freediving. Don't be surprised if you catch yourself attempting to hold your breath simultaneously with the divers on screen, as I subconsciously

did. My pathetic 45 seconds compared to their nearly four minutes is laughable, and really puts into perspective why freediving is highly considered by many athletes to be the most dangerous sport in the world.

Alessia Zecchini meets this challenge head-on as she competes for the title of world champion freediver. Her dedication to the sport is admirable, if not foolish at times. Throughout the film, we witness her compete in different exotic tropical locations, whose beauty is often overshadowed by the deadly activity happening underneath the water. Plunging hundreds of feet downward with a single breath leads to occasional blackouts, where bodies are pulled to the surface by expert divers and given lifesaving treatments like CPR. Given the circumstances, there is no doubt that the bond between a diver and their safety expert is a precious one. Alessia and Stephen prove this ten times over throughout the film and their intimate moments are such a privilege to witness.

The crux of *The Deepest Breath* takes place in the moments between an inhale and an exhale. A mere matter of seconds can feel like a lifetime when one is submerged hundreds of feet in the ocean. Director Laura McGann has complete control of the emotional power of the story, which is complemented by the beautifully layered score by Nainita Desai. Produced by John Battsek of Ventureland, in association with A24, Motive Films, and RAW, *The Deepest Breath* is a full-bodied viewing experience and an incredible homage to those who are willing to risk it all for their dream. •

## Summer Baseball Continues at State Level

Story and Photos by Gregg McMullin

El Segundo has long been a hotbed for successful baseball teams. The high school team has won seven CIF championships, including the 1971 team that was crowned the mythical national champions. The American Legion team has been to the World Series, played in two Western Regional Tournaments, and has advanced to the state tournament 14 times. The Little League program has won nearly forty banners for winning a District, Sectional, or State tournament. And the Babe Ruth League program has won five World Series titles to its credit.

This year the El Segundo American Legion Blues advanced to the American Legion Baseball State Championship tournament. The games, once played at the Veteran's Home in Yountville, are now being hosted at Division 1 collegiate baseball stadiums that are adjacent to Veteran's facilities i.e. Veteran retirement homes or hospitals. The past two seasons were in Fresno, and this season and next will be hosted at UCLA's Jackie Robinson Stadium. The eight teams competing from around the state include teams from El Segundo, Long Beach, Antioch, Clovis, San Diego, Santee, Yuba City, and Petaluma. Returning from the 2022 state tournament included El Segundo,

East Bay (Antioch), Clovis, San Diego Hoover, and Petaluma, the defending state champion.

El Segundo faced East Bay (Antioch) in the opening round and won 11-4. Trailing 2-0 in the second inning El Segundo sent 13 batters to the plate and scored eight runs on five hits, three hit batters. The inning was highlighted by a 400-foot two-run homerun by Anthony Temesvary.

With the score 8-2 in the third inning, El Segundo took advantage of some wildness to score three runs on just two hits but took advantage of three walks and a hit batter to take an 11-2 lead. East Bay would score single runs in the fourth and fifth innings to make it 11-4.

Dylan Alcala went the distance for El Segundo, giving up four runs (three earned), six hits, and struck out seven. On offense, Ethan Ayler was 2-for-3 and scored twice, while Hudson Comer had one hit, was hit by a pitch twice, and scored two runs.

In the second round, the Blues faced West Hills (Santee) and came from behind to win 7-5. It was a game that saw West Hills look impressive but didn't intimidate El Segundo. West Hills scored three first-inning runs on one hit but took advantage of two walks and

Anthony Temesvary was named the top hitter in the state tournament by hitting .642 (9-for-14) overall.

### El Segundo Youth Cheer Wins First Place

Provided by Alison McPeck

After finishing the 22-23 season with two teams bringing home National Titles, the El Segundo Youth Cheer program starts the 23-24 season, winning camp champs in the freshman and below division for their Cheer, Game Day, and Camp Dance Performances.

Fifteen ES Youth Cheer Program members, grades 6 through 8, attended Universal Cheerleaders Association (UCA) Summer Camp at Great Wolf Lodge. There were approximately 300 middle school and high school cheerleaders at the camp. The first three days of camp consisted of learning new cheers, dances, and stunts, with an evaluation at the end of day two and day three. The team earned blue ribbons for both of their evaluations and a spirit stick for each day. Spirit sticks are awarded to teams who display teamwork, a strong work ethic, respect for all at camp, and, of course, show spirit throughout the day. The final day of camp is competition, and all of the hard work paid off for the ES Youth Cheer Team, with their best performances of the week coming through on the competition

floor- resulting in winning three out of the four divisions in which they competed!

In addition to the team competition, seven team members elected to perform a cheer, dance, and jump in front of the entire camp in hopes of earning All-American honors. Four team members accomplished their goal- Brooke Immel, Emily Baird, Angela Tennant, and Juliet McPeck were all awarded All-American Honors! After the final awards, Coach Kim shared with parents and team members, "I am so proud of all the girls for their hard work this week, and the many new skills individuals and the team developed. I am especially proud of the seven team members who performed solo during the All-American tryouts, with a special shout-out to the four who received the honor. This was a great start to our 23-24 season, and I cannot wait to see what we accomplish this year."

The El Segundo Youth Cheer Program consists of five teams of youth in kindergarten through eighth grade. The teams cheer for our local youth football teams each weekend in the fall and compete during winter. •

two hit batters. Blues starter, Jake Collins, looked shaky to start, but after the first inning, jitters settled down. Blues pitching coach Ricky Clark thought his young pitcher may have been intimidated by the setting (pitching at Jackie Robinson Stadium) at first and said, "Once he settled in, he did everything we asked of him."

Center fielder Hudson Comer, who had 12 putouts, including three diving catches, shows off the strongest arm in the tournament.

El Segundo responded with a first-inning run when Kyle Whalen was hit by a pitch and later scored on a ground ball by Anthony Temesvary to cut their deficit to 3-1. In the second inning, Ethan Ayler worked a ten-pitch walk and scored on a triple by Reed Abrams. The Blues tied the game in the third inning Mateo Heredia tripled and scored on Ayler's RBI single.

Trailing 4-3 in the fifth inning, the Blues came up with four runs. They were gifted three walks in the inning, two of which scored, and one three-base error that allowed a run. Abrams' RBI single gave the Blues a 5-4 lead, and Kyle Whalen's two-run single gave the Blues a 7-4 lead. West Hills' seventh-inning rally was cut short, with the Blues giving up one run on two hits and the walk that led off the inning.

The Blues faced the Petaluma Leghorns, the other undefeated team in the tournament. The Leghorns are the four-time defending state champions. They thrive on their hitting and play solid defense with an emphasis on strong pitching. But apparently, El Segundo didn't get that memo and put together a 12-10 win.

After a scoreless first inning, the Blues put together their most offensive productive inning this summer by scoring nine runs. They sent 13 batters to the plate and had eight base hits, including RBI doubles by Mays Borgmeyer and Anthony Temesvary. Hudson Comer had a double to lead off the inning and then had an RBI single to make

it 7-0 later on in the inning.

Dylan Garcia, the hard-throwing right-hander, started for El Segundo and looked effective through the first four innings giving up three runs (two earned) and three hits. The Leghorns caught up to Garcia's fastball in the fifth innings when they scored three runs while the Blues clung to a 9-6 lead.

Anthony Temesvary was named the top hitter in the state tournament by hitting .642 (9-for-14) overall.

The Leghorns held the Blues scoreless while they put together run-producing innings. In the fifth inning, trailing 9-3, they came up with three runs on three hits, three walks, and two timely sacrifices to make it 9-6. The Blues countered with a three-run sixth inning. Ethan Ayler had a two-run double, and Reed Abrams had an RBI single to make it 12-6.

The Leghorns would not go quietly in the seventh inning. With one out, they put together a four-run rally that included a batter getting hit, three consecutive hits, including a two-run double by Brayden Boyd. With the score 12-10 and one out Samuel Forthuber got Jack Lazark to ground out and then struck out Jeffery Rice looking to end the game.

In the fourth game, El Segundo capitalized on errors, walks, and some timely hitting to win 5-3. The Blues sent Jackson Lund to the mound to quiet an impressive Clovis Night Hawks team. The Night Hawks had looked impressive, swinging the bats throughout the tournament. The crafty right-hander befuddled the Night Hawks with his pitch placement. He gave up three runs, scattered eight hits, didn't walk a batter, and struck out just one. Assistant Coach Steve Sutherland said, "Jackson let his defense play behind him, and they responded with a clean (no errors) game."

Mays Borgmeyer led off the third inning, reaching base on an error and scoring on a sacrifice fly ball by Mateo Heredia. In the

fourth inning, the Blues added two runs with back-to-back walks to Lincoln Quaintance and Reed Abrams. Both scored on a two-run double by Dylan Alcala for a 3-0 lead. The Night Hawks scored three runs in their half of the fourth inning. They started the inning with three consecutive singles and scored two runs on a costly error and an RBI single by

Colton O'Toole to tie the game at 3-3.

In the sixth inning, Kyle Whalen and Mateo Heredia singled, and both scored on a double down the right-field line by Anthony Temesvary for a 5-3 lead. The Night Hawks went in order in both the sixth and seventh innings, and the Blues advanced to the championship game against Yuba City.

Since the Blues were undefeated in tournament play, the Yuba City Stripers would need to defeat El Segundo twice in the championship. The Stripers did the unthinkable by handing the Blues an 11-1 loss in the first game and a 9-4 loss in the championship elimination game.

Yuba City put together a complete game on offense, banging out 12 hits and putting together a fateful six-run fifth inning that led to the 11-1 final score. El Segundo's only run came in the first inning when Dylan Alcala singled and scored on an outfield error. The hot-hitting Blues loaded the bases, on three consecutive walks, in the second inning. But, they were held scoreless when they hit into a double-play and a strikeout that ended the inning.

In the championship, both teams sent left-handers to the mound. The pitching depth of Yuba City was evident with the hard-throwing Noah Nartker on the mound, while the Blues countered with Reed Abrams. Yuba City put up a three-run second inning on their way to a 9-6 victory. Trailing 9-4, the Blues staged a seventh-inning comeback when Lincoln

Quaintance, who was 3-for-4, hit a two-out, two-run double, cutting his team's deficit to 9-6. The game ended on a fly ball and, with it, the summer for the Blues.

Kyle Whalen was 3-for-4 with a double, scoring once and had an RBI. Anthony Temesvary, who was 2-for-4 with a double and a run scored, was named the top hitter of the

tournament by hitting .642 (9-for-14) overall.

The Blues ended their summer run by winning 11 of their last 13 games. It was a successful summer for a team that looks bright for next year's high school season.

### El Segundo Little League 12s Win Opener

El Segundo opened up their 2023 Southern California Little League tournament with a relatively easy 7-0 win over Fontana Community Little League. Declan Mc Roberts started and went four innings before giving way to Brody Brooks to combine on the shutout.

In the second inning, Lucas Keldorf hit a solo home run to give his team a 1-0 lead. El Segundo loaded the bases in the third inning when Quinn Boehle and Finley Green singled, and Colby Lee drew a walk. Brody Brooks hit a sacrifice fly ball to left field, scoring Boehle for a 2-0 lead. Leading 3-0 in the fifth inning Green and Lee each singled, and Brooks and Luis Lappe had RBI singles to give El Segundo a 5-0 lead. In the sixth inning, the locals would add two more runs and win 7-0.

El Segundo faced La Verne Little League yesterday in the winner's bracket. A win would send them into Saturday's winner's bracket final against most likely Sherman Oaks Little League at 1 p.m. The games are being hosted by North Mission Viejo Little League at Marty Russo Youth Athletic Park, 22056 Olympiad Road, Mission Viejo. •

# Bruxie Expands with Restaurant In El Segundo

Bruxie, Southern California's beloved "culinary casual" concept known for its inviting vibes and unconventional menu offerings, including hand-crafted waffle sandwiches, righteous chicken tenders and artisan custard shakes, will debut

The **Bruxie Original Chicken Sandwich** in El Segundo, California, this month (2181 Rosecrans Avenue, Suite B). The El Segundo restaurant will serve as the brand's new training location and mark the sixth Bruxie in Southern California, joining existing restaurants in Orange, Brea, Costa Mesa, Santa Monica and North Hollywood. *Bruxie El Segundo opens for business on Wednesday, July 19, and will host a grand opening event on Friday, July 28 at 5 p.m.*

"We are thrilled to become a part of the growing community of El Segundo, a city that's seen much investment in recent years including the new L.A. Chargers training facility, Top Golf and more,"

said Scott Grinstead, CEO of Bruxie. "We are excited that we can share the Bruxie experience with a new community, and look forward to sharing our unique menu, cool vibe and personalized service with our new neighbors."

Bruxie El Segundo will kickstart an exciting year of restaurant expansion and brand growth for Bruxie, with four California openings planned for 2023, plus one additional opening expected in Atlanta, Georgia this fall. Bruxie currently operates six restaurants in the U.S., including five in Southern California and one in Athens, Georgia. As Bruxie continues its growth, the El Segundo location will be a model for future restaurants, showcasing Bruxie's updated design and leading the charge on menu innovation.

"When considering where Bruxie should go next, El Segundo was attractive due to its proximity to Los Angeles,

Bruxie Tenders Mac and Cheese

and the unique urban and coastal vibe that deliver an authentic California experience," Grinstead added. "This year begins a period of significant strategic growth for Bruxie, and we know Bruxie El Segundo will set the tone as Bruxie grows throughout the state and beyond."

Since 2010, Bruxie has combined a friendly atmosphere with an innovative chef-driven menu that utilizes fresh ingredients, proprietary recipes, and creative culinary ideas to deliver an elevated fast casual dining experience. Bruxie's wide-ranging menu features unique waffle sandwiches, righteous chicken tenders, hearty salads and artisan shakes made with real Wisconsin custard. Most sauces are handmade in-house daily, produce is freshly chopped onsite, chicken is marinated for 24 hours before being fried to perfection, and the brand's Belgian-inspired waffle was designed to achieve a delightfully light and airy texture with a crispy finish. Bruxie's food and vibe are truly unique!

Bruxie's new restaurant will be located at 2181 Rosecrans Ave., Suite B, El Segundo, CA. To learn more about the brand's unique, quality-driven menu, visit [www.bruxie.com](http://www.bruxie.com) and follow the brand on Instagram, TikTok, Facebook, LinkedIn and Twitter.

## Dodger Foundation

some 40 years, including: (a) steamed Dodger dogs; (b) grilled Dodger dogs; (c) barbecued Dodger dogs; (d) smoked Dodger dogs; (e) Dodger dogs with chili; (f) Dodger dogs with relish, mustard and onions; (g) The "works" Dodger dogs; and (h) Combinations thereof. And, for the record, Dodger dogs must be very good nutrition because I always feel so much better after I eat one!

Now, back to the Dodger Foundation. Here is their impressive statement: "We envision a city where everyone, regardless of ZIP code, has the opportunity to thrive. Through a social justice lens, we run and fund proven programs that level the playing field and invest in solutions driven by the communities we serve."

Dodger Mascot

You can find information about the Dodger Foundation online at: <https://www.mlb.com/dodgers/community/foundation>. There are future Dodger Days scheduled -- July 29, 2023 at Belvedere Park in Los Angeles, and August 5, 2023 at Heartwell Park in Long Beach.

For Dodger Days to come together in our community last month, a whole lot of hands were on deck (no pun intended). I mentioned some of them above. Gerry Iriate, Recreation Specialist with the City of Hawthorne, pointed out that Boombox Entertainment had a lot to do with the organization and logistics of the event. Bank of America provided dozens of volunteers. In addition, the City of Hawthorne made Holly Park available, as

well as the sound system, canopies, tables, chairs, buckets for drinks, ice, and parking.

In attendance was what I would call a "grandstand of fans." Not just fans of the Dodgers, but fans of good fun, good giveaways, and promising opportunities. With the passage of time, it will be July when this column is published. The sun has been with us a bunch more since June. I would not be surprised if that had something to do with the sun itself not wanting to miss the next Dodger Days. I mean, why miss out on something so fun? In fact, if I were the sun, I'd put on a Dodger jersey, hat and get there early. Oh, and yes, you're right. I'd make sure to get a Dodger dog (or two).
