Kiwanis Are Key to Community

Kiwanis Club Supports Our Youth

By Brian Simon

They may be over a half-century apart in age and are at very different places in their lives, but when it comes to being members of the El Segundo Kiwanis Club, Bill Watkins and Zack Cosby are on the same page. It's all about the kids.

The long-time local service organization, established in the late 1920s, continues to prioritize community youth through various ongoing (and new) projects, events and programs. Watkins officially joined in 1981 when he was an administrator at El Segundo High School, but his involvement with Kiwanis harkens back to 1963 when he was the KEY (Kiwanis Educates Youth) Club advisor on the campus and also taught English classes. The objective remains the same no matter the year, Watkins, 84, noted. "Throughout all this time, the goal of the El Segundo Kiwanis Club has always been to support the youth in our community through the city's many youth programs and El Segundo Unified School District's sports, arts, career day programs, and scholarships," he said. "I am proud to be a member of this organization that supports our youth activities and our high school students through KEY clubs at El Segundo and Da Vinci high schools."

Cosby, 31, pointed to his "wonderful childhood" growing up in town where he was "privileged" to enjoy "incredible opportunities" that local service organizations such as Kiwanis helped to foster. "Now, as an adult, I can appreciate how truly special this community is, and I'm proud to be able to give back to the town that has given me so much my entire life," he said. "Kiwanis is more than just a club—it is a family. The ability to raise money that all goes back to the kids here brings me so much joy. Being the youngest board member of the organization, I view my contributions as paying it forward

so that future generations will have the same experiences I had."

One of Cosby's fondest childhood experiences was attending the annual fall street fair that he now gets to help organize. Originally held on Richmond Street but moved to Main Street after the pandemic, the event is more popular than ever and serves as one of the Kiwanis' most prolific fundraisers. The 2024 Main Street Fair festivities are set for Saturday, September 28, and will feature arts and crafts booths, merchandise vendors, kids games, a food court, a beer garden, live music on two stages, and more over eight city blocks.

Coming up in October is the Kiwanis Costume Contest in conjunction with the annual Halloween Frolic. A staple for over 20 years, this program highlights age categories from infant through adult as well as group costumes. "When

my children were young, we competed every year with our homemade costumes and we took home several prizes over the years, including a 'Transformer' that actually transformed, a 'shark who ate my sister,' a box of crayons, and a 'Slinky Dog' with one of my daughters at each end," Kiwanian Kelly Watson recalled. Contest emcee since joining the club in 2019 (this was also her first volunteer activity for the group), Watson is pleased to see the event thriving once again as an in-person experience after a Covid hiatus. "In 2020, we had to move online using the Padlet app, where we judged costumes and decorated homes."

Wrapping up 2024, Kiwanis will co-sponsor (with the El Segundo Police Officers Association) the construction of Santa's Sleigh to ready the vehicle for the Holiday Parade and to prep

The Jewelry Source Celebrates 40 Years

September marks a significant milestone for The Jewelry Source as it celebrates its 40th anniversary. The festivities will kick off with a Ribbon Cutting Ceremony at 2:00 PM on Saturday, September 21st, followed by a celebratory event at the store, located at 337 Main Street. The celebration continues the following week with the store's Annual Anniversary Sale from Tuesday, September 24th through Saturday, September 28th, featuring discounts of 10 to 50 percent on all in-stock jewelry.

Brenda Newman, one of the founders of The Jewelry Source, reflects fondly on her journey. Her interest in jewelry began during her Junior year at El Segundo High School in a "work education" class. "The work opportunities were a department store, a restaurant, an office, or a jewelry

store," Newman recalls. She landed a position at a jewelry store and became enamored with the stories and memories

Check It Out

Lilith by Eric Rickstad

By Library Assistant, Mary Martes

This is not an easy read, but it should be read by everyone. The first four pages are filled with foreboding. The reader is immediately invested in the story. We know something terrible is coming. And of course, it does. An elementary school shooting.

When teacher Elizabeth Ross realizes what is happening, she foregoes protocol and tells her students to run, run as fast as they can, out of the classroom, out of the school. She should be with them, but she can't leave her son in another classroom facing certain death. It is horrifying to read this from a first-person viewpoint. It is horrifying to read it at all, but school shootings are now so commonplace that we must. Eric Rickstad captures the fear, the dread, the anger, and anguish pumping through Elizabeth Ross as she searches for her son. This is how the novel begins.

Stuck in the hospital, Elizabeth and her son

Lyden recover from the injuries they have suffered. Elizabeth stays at Lyden's bedside, sleeping in a chair. As she wakes one morning, she listens to one of the country's largest gun suppliers announce his bid for president in the wake of the shooting to protect the second amendment rights of all citizens to bear arms whenever and wherever they wish. Gleefully, he suggests that it may all have been a hoax, an excuse to increase gun control. Next, she is frantically called into a meeting with the school superintendent and principal and her union representative to discuss disciplinary action for her breach of procedure, despite being hailed as a hero for having saved those children. Elizabeth seethes with anger at the men in power. If they won't do something, she will. Thus, Lilith is born.

This is a gut-wrenching novel. Every page is filled with mounting tension, an exercise in perseverance. I reiterate this is not an easy read, but this thriller is a masterpiece in addictive prose. One simply cannot turn away. Gripping in its reflection of the real world tragedy of gun violence, it stays with the reader long after it has been read. Retaliatory justice is morally ambiguous at best, but the concept of an "eye for an eye" is provocatively seductive here. •

that the jewelry held for the clients.

Newman's career opened her to a new world and her desire to deepen her knowledge led her to the Gemological Institute of America (GIA). Alongside her friend and tennis partner, Roanne Mahony, who also graduated from GIA, Newman explored the world of gems. Their shared enthusiasm and a spur-of-the-moment visit to a gem show in San Diego resulted in their first jewelry creations. The positive feedback and requests for custom pieces inspired them to start The Jewelry Source.

Their venture began modestly with a small rented space at 116 W. Grand. As their reputation for appraisals, repairs, and custom designs grew, they moved to a larger location at 413 Main Street. In 1999, they settled into their current location at 337 Main Street, a time when downtown El Segundo had fewer dining and retail options. Over the past 25 years, Newman has witnessed the transformation of Main Street into a vibrant hub of activity.

In June, The Jewelry Source hosted a special event to benefit Children's Hospital Los Angeles in memory of Roanne Mahony, who passed away in 2020. The event featured

a party tent with carnival-style games, food, and drinks, and was a resounding success. Twenty percent of sales from the event were donated to the hospital, and a stunning gold ring with a marquise-shaped diamond and custom-cut ruby halo was raffled off to a delighted winner.

Beyond her contributions to the jewelry world, Brenda Newman has made a lasting impact on the community. Recently recognized by the city for her 15 years of service on the Planning Commission, she has also been actively involved with the El Segundo Education Foundation board and the Chamber of Commerce/El Segundo Museum of Art advisory committee.

As The Jewelry Source celebrates its 40th anniversary, Brenda Newman's journey from a high school student with a burgeoning passion to a respected gemologist and community leader highlights her dedication to both her craft and her hometown. This anniversary not only celebrates four decades of fine jewelry but also honors a legacy of commitment and community that has become synonymous with The Jewelry Source. •

Catching Up on the Eagles

Story and Photos by Gregg McMullin

With the fall season sports in full swing, it's time to catch up on how the Eagles are doing. The football team looks solid, while the boy's water polo team is off to a strong start. The girl's flag football team is showing their potential and the girls' volleyball team is building the program in the right direction.

Football Team Has Potential

The Eagles have started their season with wins over Sierra Vista and Don Lugo, sandwiched in between by a loss to South Bay powerhouse Peninsula. During their first three games, it is apparent that the Eagles are improving and have the potential to have their first winning season in six seasons.

Sophomore quarterback Ryan Wiacek has passed for over 550 yards in the first three games. Cole Castillo has been the running back workhorse rushing for nearly 300 yards to open the season.

Against Sierra Vista, the Eagles amassed 497 yards of offense in their 56-12 win. Wiacek completed 71% of his passes for 218 yards and three touchdowns. Castillo averaged 7.8 yards per carry, while Chase Mattoon had three receptions for over 100 yards and a touchdown.

The 28-14 loss against Peninsula was dominated by referee flags that were perplexing at best. Still, the Eagles showed their potential against a Peninsula team that might be their best in years. The stat line was close, but the

game came down to questionable calls at crucial times. Castillo picked up 92 yards on the ground, while the defense was led by Isaiah Rodriguez and Axel Thiess.

The Eagles traveled to the Chino area to face Don Lugo in the 85-plus-degree sweltering heat. The heat didn't take the Eagles out of their game in their 34-27 win over the Conquistadors. The balanced El Segundo offense picked up 282 total yards with Wiacek throwing for 218 yards and three touchdowns. Chase Mattoon caught a touchdown pass for the third consecutive game and also had an interception.

The Eagles travel to South Torrance on Friday at 7 p.m. They return home next Friday night to host Torrance at 7 p.m.

Boy's Water Polo Continues to Impress

The Eagles, fresh off a 32-0 and CIF Championship season, are off to another impressive start. They defeated Orange County powerhouse Orange Lutheran 8-7 to begin the season. Carter Williamson led the team with three goals and an assist. CIF Player of the Year Tristan Foster took a knee to the side of the head and was placed in concussion protocol.

Without Foster in the lineup, the Eagles went on to win the Long Beach Tournament with wins over Francis Parker (San Diego) 17-9, Redwood (Visalia) 7-5, Downey 13-12, and Redondo 8-7 in the championship game.

Cauliflower Gratin

Provided by Campbells Soup Corp.

This creamy, cheesy cauliflower gratin makes an impressive holiday casserole, but it is so delicious you'll want to make it much more often. You'll love how the ingredients complement each other: the nutty flavor of the gruyere cheese is the perfect complement to the mild-flavored cauliflower, and using broth ensures the perfect texture. It's simply one of the best side dishes you'll ever make.

Ingredients

- 4 tablespoons butter
- 3/4 cup plain panko (Japanese-style bread crumbs)
- 1 cup grated Gruyère cheese
- 2 tablespoons all-purpose flour
- 1 1/2 cups Swanson® Chicken Broth or Organic Chicken Broth or 33% Less Sodium Chicken Broth
- 1 1/2 teaspoons Dijon-style mustard
- 1/8 teaspoon cayenne pepper (optional)
- 1 head cauliflower (about 2 1/2 pounds), cut into bite-sized florets (about 7 cups)

Send us a photo and recipe of your favorite dish. We'd love to share it with the community. Send to: web@heraldpublications.com

Directions

- **Step 1:** Heat the oven to 375°F. While the oven is heating, melt 2 tablespoons butter. Stir the melted butter, bread crumbs and 1/2 cup cheese in a medium bowl.
- **Step 2:** Melt the remaining butter in a 3-quart saucepan over medium heat. Add the flour and cook and stir for 2 minutes. Stir in the broth and cook and stir for 3 minutes or until the mixture is thickened. Stir in the mustard and cayenne pepper. Season to taste. Add the remaining cheese and cook and stir until the cheese is melted.
- **Step 3:** Place the cauliflower into an 11x8x2-inch baking dish. Pour the broth mixture over the cauliflower. Sprinkle with the bread crumb mixture. Cover the baking dish loosely with foil.
- **Step 4:** Bake for 25 minutes or until the cauliflower is tender-crisp. Uncover the baking dish.
- **Step 5:** Bake, uncovered, for 30 minutes or until the bread crumb mixture is golden brown and the cauliflower is tender. Let the cauliflower mixture cool for 10 minutes before serving.

Kiwanis

it for two weeks of roaming the local streets as St. Nick alerts residents of his impending whereabouts. Scot Nicol chairs this event as well as the Kiwanis annual golf tournament that welcomes about 100 participants and raises an average of \$15,000 a year.

Nicol also chairs a brand-new venture that raises funds for high school sports: the Kiwanis Athletic Foundation. "Kiwanis already supports a ton of local sports, but sees an opportunity and a void in need of filling in that area," he said. Kristie Sherrill also played a major role in the foundation's creation, adding, "We felt there was a need for this in our community since most sports teams require additional money to run their programs, so we will work closely with the schools to help support where it helps the most."

Sherrill additionally serves as the Kiwanis liaison for College and Career Day at El Segundo High. The club funds the event at which each student signs up to hear three speakers representing different vocations. "We have over 150 volunteers come in to speak with the students about a large variety of career options," she said.

College and Career Day takes place in the spring when the Kiwanians truly roll into high gear. For instance, Link Crew's annual Freshman Orientation debuted over a decade

Zack Cosby, Kiwanis' youngest member and board member.

ago as a way to ease the transition period for incoming first-year high school students. "It pairs ninth graders with upper-level students who act as mentors, guiding them through their first year," program co-coordinator Gerardo Barajas explained. "The orientation includes activities like icebreakers, campus tours and team-building exercises, all aimed at fostering connections and building confidence. At the end of orientation, leaders and ninth graders participate in a group theme costume contest. Another memorable activity is the ginger-engineering contest, where the participants work together to build gingerbread structures." Other notable supporters include the Parent Teacher Student Association (PTSA) and the El Segundo Education Foundation.

Meanwhile, the third annual Chilipalooza will take place at Library Park in April 2025; this event features amateur chili (including plant-based) chefs competing for the top apron. Cornhole, live music, and a beer and spirits tent are also part of the proceedings. "This event is 100 percent volunteer-based, so all the operating profits go to the Kiwanis Club of El Segundo and the South Bay," coordinator Shannon O'Toole said. "They fund school sports, scouts, city improvements, and scholarships for high school seniors. Kiwanis member

Barry Gribbon suggested a chili cook-off event after Covid when he realized people wanted to get out and enjoy the parks again. A successful Chilipalooza would include mild weather, smiling faces and full tummies."

A year-round program that helps both businesses and residents, the El Segundo Community Discount Card provides price reductions of at least 15 percent at over three dozen local merchants. Participating companies benefit through free advertising and community support, while cardholders save money on purchases. "Kiwanis was able to raise money through the card purchases during the pandemic when all our events got canceled," program chairperson Jeff Wilson said. "The \$20 card is good for the entire calendar year and can be used over and over at each business." Sales start for 2025 in December and can be purchased online or at select businesses in town.

Last but not least, the newest Kiwanis event is set for October 7, when the group hosts the second of two El Segundo City Council candidate forums. "We are partnering with the El Segundo Woman's Club to coordinate the two events that will both be open to the public," co-coordinator Kara Baldino said. The first forum will take place at the Woman's Club building on October 2 from 6-8 pm, with the second at the El Segundo High

El Segundo Police Officers Association and El Segundo Kiwanis Club, Santa's Sleigh Ride 2018.

School Performing Arts Center five nights later during the same time window. "We are really enjoying working with the Woman's Club and excited to provide this opportunity for the public to have their questions asked of all six candidates in one place," Baldino added. "It is Kiwanis' goal to host a City Council candidate forum for every election going forward and to have our El Segundo High School Key Club help us in the process as well. Kiwanis centers around community service and helping children, so involving the students in the process of putting on a forum for the community is a perfect fit!"

The El Segundo Kiwanis Club supports dozens of additional events, programs and groups too numerous to mention on top of the list of items covered above. As its website (elsegundokiwanis.org) emphasizes, "We believe our neighborhoods and our world are best served when people of all ages and different backgrounds work together to share their time and talents." Recognizing the contributions of the aforementioned Watkins and Cosby in this regard, Kiwanian Eric Kari concluded, "The fact that we have over five decades of age difference within our club is a pretty phenomenal statistic. I guarantee most other clubs don't have that." But when it's all about the kids, age is just a number... •

THE PETITION FOR PROBATE requests that MELISSA MAE WOLF be appointed as personal representative to administer the estate of the decedent. THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The

independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 10/04/24 at 8:30AM in Dept. 2D located at 111 N. HILL ST., LOS ANGELES, CA 90012

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney. IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal

authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. Sarina Waite has been one of the standouts at the net for the Eagles.

In the first game, Cooper Albano scored five goals, while Williamson scored four against the Francis Parker Lancers. The match pitted the Eagles against the second-ranked San Diego Section team. In the second game against Redwood, the Rangers hung close before the Eagles held on for the win. Williamson had three goals, three steals, and two assists, while Stefan Lazarevic had six blocks.

The matchup with the Downey Vikings, a perennial powerhouse program, is usually a close game. This was another one of those close games that challenged the Eagles. The teams were close in the first half, but the Eagles transition game in the second half was enough to hold off the Vikings down the stretch. Cooper Albano took advantage of the offensive press by scoring eight goals.

In the championship game, the Eagles faced Bay League power, the Redondo Sea Hawks. The game was a defensive struggle. With time winding down the Eagles eked out an 8-7 victory thanks to a penalty shot by Carter Williamson, with zeros on the clock in the fourth quarter.

school level never gets old. Whether it be on a Friday night watching the boys on the gridiron or a Thursday early evening watching a girl's flag football game.

The girl's flag football team's first year has been a success. The senior-dominated team is off to a 2-2 start, but that's a bit misleading. Their opener against South Torrance was an eye-opener with the fantastic crowd turnout. The result was a convincing 34-7 win in front of nearly four hundred along with the band and cheerleaders.

The next two games, against Torrance and West Torrance, ended with final-minute-of-play losses. The game against the Torrance Tartars was a hard-fought game, with the defense playing a pivotal part of the contest. The Eagles took a 14-13 lead late in the second half, only to see that lead disappear on the last play of the game and fall 19-14. The game against West Torrance was another closely contested game, but the Eagles fell 24-20.

The Eagles broke their two-game losing streak when they defeated the North Torrance Saxons 20-13. Senior quarterback Allie Stevenson has undeniably demonstrated her

skills as one of the top QBs in the South Bay. Her knowledge of a complex offense has not gone unnoticed by opposing teams.

The Saxons opened the game with a four-play 60-yard drive for a touchdown. The El Segundo defense stepped up during the Saxon's second possession. With the Saxons driving for another touchdown, Olivia McPherson made an interception to halt the drive. The Eagles took advantage of the turnover when Stevenson guided her team down the field for a score. She hooked up with Charli Pages for back-to-back receptions for big gains. Then found McPherson open behind the secondary for a touchdown pass to cut the deficit to 7-6 after the failed PAT attempt.

In the second half, the Eagles took command thanks to some big plays. Stevenson found Jazz Ramos open in the flat, and she maneuvered her way through the Saxon's defense for a 60-yard score and a 14-7 lead. Ramos then intercepted the Saxon's ensuing possession and the Eagles capitalized on the turnover. Stevenson found a wide open Ava Gutierrez for a big gain. And on first and goal Olivia McPherson caught a touchdown pass from Stevenson for a 20-7 lead with 12:30 remaining in the game. The Saxons would score a last-minute touchdown, but it was too little too late, and the Eagles prevailed 20-13.

The Eagles are away for their next two games including at Culver City last Tuesday and South Torrance on Thursday, September 19. On Tuesday, September 24 the Eagles will honor their seniors before their 4:30 p.m. game against West Torrance.

Girls Volleyball Shows Potential

The Eagles improved to 4-6 on the season with wins over Vistamar and Hawthorne. Both matches were lopsided 3-0 sweeps, but they nevertheless demonstrated the Eagles' potential.

Freshman standout Kate Summers digs a hit by Vistamar.

The first game's matchup against the Vistamar Vikings saw the Eagles start slowly but build momentum in the 25-11 win. Sydney Neely had three early kills, while Joslyn McCarthy was strong at the net. Arianna James ended the game on a perfectly designed pass through the Vikings' defense.

The second game was a little closer thanks to some unforced El Segundo errors allowing Vistamar to stay close. Macy Ludwig was instrumental in the win with three kills. Sarina Waite was key to the second-game win with three blocks and an ace in the 25-17 win, while Kate Summers had three digs.

In the third game the Eagles pounded out twelve consecutive points to take a 12-2 lead. Macy Ludwig's three consecutive aces gave the Eagles an 8-1 lead during the scoring streak. Kate Summers' two consecutive aces gave her team a 19-point lead on their way to a 25-4 win.

The match against Hawthorne was no different as the Eagles swept the Cougars in three games. The two wins gave the Eagles some momentum as they begin their first Bay League scheduled games against Palos Verdes at home today at 3:30 p.m. and home against Torrance next Tuesday at 3:30 p.m. •

Purrrfect Companions

Dolly
 Kitten Rescue rescues cats and kittens from a variety of situations. Most live in our volunteers' homes and those volunteers foster them until we can find permanent homes for them. **Dolly** is a sweet, quiet, funny, petite girl who never quite grew to full size. She has soft, sleek fur and just the faintest tabby striping on her tail. She is a gentle and chill kitty who will do anything for treats! She gets along very well with kitties of all ages and personalities and is looking for a forever home with another feline.

Dolly loves affection from humans and never gets tired of head rubs or pets.

Benedict is part of the Bridgerton bunch. These kittens are delightful bundles of playful energy, always ready for a game of chase or a new adventure. When they have exhausted their curiosity, they are usually ready for some cuddles and nap time. Kittens this age thrive on companionship so he must be adopted with another Bridgerton kitten unless you have a young cat at home of similar age and energy level. Benedict would love going home with one of his siblings, Anthony, Marcus, Penelope or Will if you do not already have a young playful cat at home.

Snow White is a delicate beauty who has been with us for several years. This petite white lady arrived with five other cats, and she has loved the company of other cats ever since. At our Sanctuary, she seems especially fond of Murphy who is also looking for his forever home. Snow White would thrive in a home with calm feline friends. Though she has come around a lot in her time at Kitten

Benedict
 Rescue, Snow White is still a bit shy around people. Her cautious nature around people suggests she needs a patient, understanding adopter to help her feel safe and loved. We think Snow White has the potential to blossom in a peaceful environment with gentle encouragement and the companionship of other quiet cats. If you have a serene home and a kind heart, Snow White could be the perfect addition to your family, ready to transform into a loving companion.

Snow White
 These cats and kittens are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All our kitties are spayed/neutered, microchipped, tested for FeLV and FIV, dewormed and current on their vaccinations. For additional information to see these or our other kittens and cats and for a list of our weekend adoption events, please check our website www.kittenrescue.org.
