Council Approves Property Lease Agreement Between Contractor, Housing Authority

By Cristian Vasquez

In a unanimous 5-0 vote, the Inglewood City Council approved a lease agreement between John Malloy, Inc. and the Housing Authority for a property located at 8205 Crenshaw Blvd. for a monthly fee of \$1,500 between the months of May and September 2014. On March 26 John Malloy, the contractor and lessee, contacted the city's Housing Authority to ask about the availability of Inglewood's property located at 8205 Crenshaw Blvd. in order to use said property as a storage site and staging area for the City Waterline Project that is underway.

"On Feb. 25, 2014 the Mayor and Council Awarded a contract to John Malloy, Inc. for a water main replacement project placed for Phase IV, per bid CB-1403," Inglewood Mayor James T. Butt said. "This is a lease for them to put equipment during the time that they are doing the work that they are contracted for. So the city actually gets money back towards the payment of the contract." The agreement indicates that the premise is only to be used for storage of nonhazardous material and any equipment that is necessary for the performance and completion of the water main replacement project. In addition, there will be a security firm to patrol the sight at night and during the weekends. Still, some of the public comments criticized the council for a lack of transparency with regard to projects and general business taking place in the city.

"I don't see what could be more transparent than that [lease agreement/water main project]," Mayor Butts said. "That just makes no sense for me to say that it's not transparent. This is actually a bonus tor the city. It does not tie the property up but for the duration of the project." The water main replacement project, Phase IV, includes the replacement of old and deteriorated pipelines that the city has labeled to be "well past their service life" and Memorial Obelisk Monument.

which continue to experience breakage and leakage problems. The project is scheduled to replace an estimated 4,250 linear feet of pipelines throughout several locations in the city, including: Grace Avenues, from Locust Street to Hillcrest Boulevard; Regent Circle at Regent Street and 79th Street, from 8th and Van Ness Avenues. In addition, the project will replace 109 existing water service connections, as well as the construction of 12 fire hydrants and the abandonment of existing water lines.

Inglewood Public Library Sponsors Two Book-to-Action Programs for Youth

Inglewood, CA (May 2, 2014) - The community is invited to the Inglewood Public Library's Book-to Action programs for youth. The first program will take place on Friday, May 16th at 4:00 p.m. at the Inglewood Main Library, located at 101 W. Manchester Blvd., Inglewood, CA 90301. The second program will take place on Saturday, May 17th at 12:00 p.m. at the Queen Park Learning Garden, located at 649 E. Queen St., Inglewood, CA 90301.

Funded by a Book-To-Action grant, the Inglewood Public Library, in collaboration with the Social Justice Learning Institute, will present these two hands on programs for youth and their family based on the book entitled, "The Book of Gardening Projects for Kids: 101 Ways to Get Kids Outside, Dirty, and Having Fun" by Whitney Cohen and John Fisher. The program goals are to inspire youth to understand where their food comes from, how to make healthier food choices, and how to grow their own food.

Mayor James T. Butts, Jr., is inviting the children and young adults of Inglewood to come learn about and discuss organic gardening. "We are thrilled that the Inglewood Library has received this wonderful Book-To-Action grant. The Library has once again proven its commitment to providing quality, educational, and relevant family programs to the residents of our community."

The Book-to-Action program is a variation on the traditional library book group-it offers participants not only the opportunity to collectively read and discuss a book, but also to put their newfound knowledge into action by engaging in a community service project or activity related to the book's topic. Book-to-Action is a project of the California State Library in partnership with the California Center for the Book, and it is being implemented in libraries throughout the State. The project was supported in whole or in part by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.

This free program is open to all. For more information about this program, call (310) 412-5645 or visit library. cityofinglewood.org. •

Onuohah and Hawthorne Tracksters Improve i n Ocean Final

By Joe Snyder

The once proud Hawthorne High track and field program is still struggling but is slowly progressing after a few fine showings in last Thursday's Ocean League Championships at Culver City High School. The Cougars' top highlight was accomplished by senior Precious Onuohah, who captured the 400-meter run at 59.96 seconds and was clocked in 26.51 in the 200. Onuohah qualified for Saturday's CIF-Southern Section Division III Prelims which start at 8 a.mEstancia High in Mission Viejo. "It was a lot of pressure," Onuohah said. "I wanted to run for my school. I am looking for a 57 at CIF." Onuohah will look to bring down her time enough to qualify for the Southern Section Divisional Championships at Cerritos College on May 24.

Also advancing to the Division III Prelims on the boys' side was senior Jason Santana in the 800 meters after a third place finish in 2:01.7. Santana, who was the top cross country runner on Hawthorne's first squad in five years and a key player on the Cougars' Ocean League Championship boys' soccer team, also competed in the 3,200 but failed

to finish.

Inglewood's boys were led by Martin Brown Gaines, who won the 300-meter intermediate hurdles with a time of 42.07 and placed second in the 110 high hurdles in 17.4 Tajh Henderson placed third in the 100-meter dash, clocking

11.31, and the 200 (23.23). Eddie Reyes was fourth in the 100 at 23:29. Both, however, keyed the Sentinels to the league title in the 4x100 relay, clocking 44.71. Brown Gaines, Henderson (100 and 200) and Inglewood's relay all advance to the Southern Section Division III Prelims on Saturday.

Morningside failed to qualify any athlete to the Prelims. The Monarchs' top performances were by Diamond Alexander in the girls' high jump as she tied for fifth place with Beverly Hills' Kenya James with a leap of four feet, two inches; and Clarence Jackson, who was sixth at the 800 clocking 2:20.96.

COOKSEY KEYS LAWNDALE

Kiyaam Cooksey of Lawndale captured the 400-meter run in 52.85 seconds and anchored the Cardinals' 4x400 relay team to victory, timing 3:31.53. Cooksey and the relay squad both advanced to Saturday's CIF-Southern Section Division III Prelims at Estancia High. If any place in the top nine overall, they will vie in the Divisional Championship Meet at Cerritos College on May 24.

COUGARS SWEEP INGLEWOOD

Hawthorne High's baseball team moved into a strong position at making the CIF-Southern Section Division III playoffs after sweeping Inglewood last week. At Hawthorne on May 6, the Cougars downed the Sentinels 8-3. At Sentinel Field last Thursday, the Cougars blanked Inglewood 4-0. Last Thursday, Andrew Banuelos pitched a no-hitter and threw to just one batter above the minimum of 21. Javier Martine had two doubles and drove in one run for Hawthorne, which improved to 13-8-1 overall and 4-4 in the Ocean League. It was the Cougars' fourth consecutive league victory after opening the league with four straight losses to top teams Santa Monica and Culver City. Hawthorne will seek to finish in third place with two games against was three-for-five with three RBIs and two runs, and Alex Munoz went two-for-three, drove in two runs, and scored two.

The Aztec-Eagles, who improved to 7-1 in league, closed the Harbor League against Environmental Charter at Jane Addams Field in Lawndale on Wednesday. Animo is expected to begin the CIF-Southern Section Division VII playoffs next week.

LEUZINGER GETS SWEPT BY FIRST PLACE PENINSULA

Although continuing to lose every Bay League game lopsidedly, Leuzinger High's baseball team is showing good effort, including against first place Peninsula last week. On May 7 at Peninsula in Rolling Hills Estates, the Olympians were crushed 19-0, but at Leuzinger last Friday, the Olympians showed

Morningside from Inglewood this week. The Cougars visited the Monarchs last Tuesday and will host Morningside today at 3:15 p.m. in their Ocean Finale.

ANIMO ROUTS FIREBAUGH

The Animo Leadership High baseball team picked up a key 12-1 victory at Firebaugh High on May 6 in Lynwood. Already leading 4-0 through four innings, the Aztec-Eagles turned the game into a rout with seven runs in the top of the fifth. Winning pitcher Fabian Vital pitched a complete game with 12 strikeouts. At bat, Vital went three-for-four with four runs and two runs batted in. Daniel Comenero

signs of improvement in an 8-1 loss. Sergio Hernandez went two-for-three and drove in a run and Johnny Sanchez was two-for-three with a run. Edgar Gutierrez went the distance, despite the loss. Leuzinger closes the season at West Torrance today at 3:15p.m.

HAWTHORNE FALLS TO SAMO

Hawthorne High's softball team was still unable to top first place Santa Monica in an 11-7 Ocean League loss last Thursday at Memorial Park in Santa Monica. On May 6 at Hawthorne, the second place Cougars (15-9, 6-2) routed Morningside 15-0. •

<u>Looking Up</u>

By Bob Eklund

Beautiful streamlined islands and narrow gorges were carved by fast-flowing water pounding through a small plateau region near the southeastern margin of the vast Vallis Marineris canyon system. Images captured on 7 December 2013 by the European Space Agency's Mars Express show the central portion of Osuga Valles, which has a total length of 164 km. It is some 170 km south of Eos Chaos, which lies in the far eastern section of Valles Marineris.

Osuga Valles is an outflow channel that emanates from a region of chaotic terrain at the edge of Eos Chaos to the west. Such landscape is dominated by randomly oriented and heavily eroded blocks of terrain. Another example is seen at the bottom of this scene, filling the 2.5 km-deep depression into which Osuga Valles empties.

Catastrophic flooding is thought to have created the heavily eroded Osuga Valles and the features within it. Streamlines around the islands in the valley indicate that the direction of flow was towards the northeast (photo, at bottom) and sets of parallel, narrow grooves on the floor of the channel suggest that the water was fast-flowing.

Differences in elevation within the feature,

Beauty from Chaos on Mars

along with the presence and cross-cutting relationships of channels carved onto the islands, suggest that Osuga Valles experienced several episodes of flooding. The perspective view, which is oriented with the direction of the water flow towards the top of the image, shows the details of the grooved valley floor and the channels carved into the islands more clearly.

Close to the northern-most (photo, far right) part of the channel, two large irregular-shaped blocks appear to have broken away from the surrounding terrain, but do not seem to have experienced as much erosion as the rounded islands. The floodwater eventually emptied into the deep depression of chaotic terrain at the bottom of the main images, but it is not yet known whether the water drained away into the subsurface or formed a temporary lake.

Adopt a "Pet Without a Partner" and Give a **Homeless Pet a Second Chance in Life**

Bisha is so well mannered and needs a low-stress household.

Bisha is a 5-6 year old gentle brindle female Mastiff mix who was discarded at the Downey Shelter with her German Shepherd and Min Pin companion. She lost her home due to her owners getting a divorce. Bisha walks flawlessly on leash, takes treats with gentle enthusiasm and can sit, shake, lie down and come on command. We believe her to be housebroken as she does not relieve herself in her kennel. She is so well mannered that you can walk her with one finger on the leash. She has a low energy level and is loving with people and other dogs. Bisha is a slobbery, affectionate, low key girl who is the perfect indoor pet for an individual or family living in a private home. This dog is awesome, we adore her! Bisha is spayed, current on vaccinations, dewormed, microchipped, fine with other dogs and mature kids over 6 please.

April is a sweet year old Pug with the cutest underbite. She is very playful and has a very sweet, loving personality. She is fine with all other dogs and is settling into her foster home well. April crates great at night, not a peep. She loves to chew on her nyla bone and will chase small stuffed toys when you throw them. As most Pugs do, she loves to be with you and will follow you from room

to room so see what's going on. April joined the pack quickly and likes to sun bathe and nap during the day. We would love to place her with a Pug experienced family or with another Pug for her to play with. She has a cute Pug purr that she does when she is excited to see you. She is currently learning how to sit and stay. April is spayed, current on vaccinations, dewormed, microchipped, good with children and other dogs.

To learn more about these and other wonderful dogs, visit our website at www. animalsrule.org. If a dog is on our website, it's available. greatest. He is completely house trained:

even uses the doggy door now. He is leash trained, calm, learning new tricks every day, great with cats and other dogs. He sleeps at the foot of our bed, is great with baths (and brushings). I really can't say enough good things about him. We've been taking him on walks daily and to the doggy park a few times. Andre has decided that dog food is not good enough for him, so he eats like royalty here with home-cooked organic meats/veggies/and grains daily. He likes the toys I got him as well. It's hilarious watch-

ing him walk around with a road-kill stuffed opossum in his mouth. We are especially enjoying watching Jake come out of his shell around us. He is such a playful curious puppy. Thank you for letting us bring Jake

into our home. It was definitely needed....

et that grill cleaned up. The weather is great and summer vegetables are just going crazy at the Torrance Farmers Market.

I took a walk this Saturday and was amazed at the bounty of great looking vegetables.

Grilling vegetables is a great way to not only prepare the wonders of the garden, but also keeps the fresh crispness and nutrients in the vegetables and not in the water that you would use to cook them. Hints for grilling vegetables:

- Cut the vegetables in pieces that are sized to cook fast, but not fall through the grates.
- Don't try to grill too much at once; you will either burn them or not get them cooked enough.
- Use light oil. Don't over oil them. They will just burn and not grill.
- Season them with care. Don't use too much flavoring. Let them speak for themselves. Salt and pepper is great when the veggies are so sweet and in season.
- Save the seasoning for the meats that you serve with the veggies.
