Inglewood Man Arrested for Hit-and-Run that Killed Santa Monica Woman

By Cristian Vasquez

Traffic investigators for the Inglewood Police Department arrested Jesus Cazares, 38, of Inglewood Sunday afternoon as the main suspect in connection with a fatal hit-and-run collision that left one woman dead. The fatal traffic collision took place Saturday night (Oct. 19) at approximately 10:07 p.m. in the area of Oak and Nectarine Streets when a vehicle struck the victim, Elisa Alvarez, 47, moments after she loaded a minor into a parked car. The Santa Monica resident was attending a party and assisting a fellow attendee who was preparing to leave when the accident occurred.

"My mom was always full of energy and was kind," Alvarez's son Crystyan Fernandez said. "She was packed with jokes and loved making fun of anything. She was very outgoing and just did things. I can't say enough about her."

Alvarez, who was taken to Centinela Hospital where she later died, was employed in a pizzeria in Venice where her coworkers described her as fun, hardworking and optimistic. The dark-red Ford-150 that took her life was found Sunday afternoon not far from the scene of the crime, parked in front of a local bar located on Oak and Arbor Vitae streets.

"I am thankful he turned himself in so that he pays for what he did because it means that we are taking someone that is cruel off the streets," Fernandez, 25, said. "We know now that we do not have someone out there who can hurt another family. Other than that, I don't feel anything. If the State of California had a death penalty, I wouldn't go for that. He has to live with this and he will

always have that in him. At this point, I just want to be left alone and not think about it. I know that she is gone. I am not in denial or angry. That is not me and it is not how my mom raised me."

Cazeres, who turned himself in via a coordinated arrest, was taken into custody after his vehicle was discovered and without further incident. He was booked at the Inglewood Police Department Jail on felony hit-and-run charges and was being held on \$50,000 bail. Additional charges may be added pending further

investigation. The tragic incident shocked local residents, but didn't surprise them that a vehicle speeding down the streets was the cause of the accident. Some of the same residents expressed their concern about how unsafe Oak Street is because of speeders and stated that they have asked that a stop sign or speed bumps be installed to no avail.

For the 25-year-old Fernandez, moving forward is the only thing on his mind as he and his extended family continue to sort out the details of the funeral services. "For many years, it was just me and my mom. We were hopping from house to house and we lived in Santa Monica, Culver City and even East L.A.," Fernandez said. "There was a lot of moving and work. It was hard, honestly."

With the healing process just starting, the last thing Fernandez wants to think about is the person who caused this tragedy-he would rather focus on the teachings from his mother. "The fact that they caught the guy doesn't really mean anything to me because I did lose my mom," Fernandez said. "No matter what the outcome is from this, nothing is going to bring my mother back. I don't have remorse; I don't have hatred. I don't feel anything against the driver." •

A partnership between Da Vinci Design of Hawthorne and Halstrom Academy of Manhattan Beach has resulted in students collaborating and pushing boundaries as they created a mural while painting live in front of an audience for the first time. The students unveiled their mural Friday, Oct.18 at Da Vinci Design.

Lawndale Promotes Healthy Living

By Cristian Vasquez

Through a collaborative effort between School District, City and Library officials, Lawndale Lifestyle was created to inform the residents of Lawndale about healthy living options. "We decided that we wanted to be a healthier library back in 2007, so we started to offer healthy snacks during all of our programs and we started some nutrition education in English and Spanish," Lawndale Library Manager Melissa McCollum said. "We then moved to the new library building in March of 2009 and decided that we wanted to do even more, so we started learning what the [Lawndale Elementary] School District was doing in terms of wellness and also what the City [of Lawndale] was doing in terms of wellness. That's when we decided to co-develop Lawndale Lifestyles, which is a website to encourage Lawndale residents to eat better and exercise more."

Through the website, http://www.lawndalelifestyle.com/, Lawndale residents can obtain information about healthier food options and gardening advice as well as resources tailored to help people become more physically active. "We have coaches drawn from several different organizations as well as nutritionists who will answer nutrition questions and a master gardener who will answer gardening questions," McCollum said. "We have P.E. specialists to answer exercise questions and I am available to answer any consumer health questions. There is also a blog about things going on in the community leading to additional resources."

The website does provide an instant chat option to answer questions, but persons interested can send an email and there will be a general response on the blog. However, if an email is provided in the question submitted and a direct answer is requested, such a request can be accommodated. Since the inception of Lawndale Lifestyle the effort to promote healthier living has grown with the continued collaboration of City and School District officials, as well as the Library, and has led to the Lawndale Lifestyle television show, which was grant-funded.

"The City made several half-an-hour shows where they focused on instant recess [10-minute exercise break for people of all ages], Network for Healthy California harvest of the month in the schools and even a show about yoga and tennis," McCollum said. "It was about all the

healthy activities going on in Lawndale and it is kind of a priority of the City and the Library."

While the shows are not yet available on the Lawndale Lifestyle website, they do continue to air on the City's television station. With the exception of instant recess, which takes place every day at 3:15 p.m., the activities hosted at the Library through Lawndale Lifestyle are scheduled on a weekly basis and vary from week to week.

"On the first week of every month, we do a cooking lesson and it is tied to the harvest of the month program that they have at the Lawndale Elementary School District," Mc-Collum said. "This month is jicama and next month will be pears. They [kids] have so far done salads and they will do an easy cooking lesson that they will get to eat here, but then get to take the recipe home. The idea is that they can continue to eat healthier at home."

During the second Wednesday of every month there is a physical activity programmed, followed by a gardening lesson hosted by McCollum the following Wednesday. "We partnered with Providence Little Company of Mary Hospital and a wonderful P.E. specialist named Jesus Mejia," McCollum said. "For the first three months, he is doing a move to music program and then he will do a fit for life series for three months, and the last one he is calling it Library Ninja Warrior. He is very high-energy, the kids love him and the parents participate in those as well."

The scheduled Wednesday activities are finished off with an art activity. "Last month what they did was paint rocks and they could have donated them to the Lawndale garden or they could take them home," McCollum said. "This month we are doing masks and the idea is overall to learn about healthy lifestyles, lessons about eating well and being active while being creative. That is what we want to accomplish."

Engaging parents and adults in these activities is just as important as motivating kids. Every Friday at 1 p.m. there is a volunteer opportunity for adults to work in the garden alongside staff. "Luckily we do have a lot of parents that come with their kids, or caregivers," McCollum said. "The parents have been very supportive and interested and excited about it."

For more information, persons interested can visit the website or contact McCollum at (310) 676-0177. •

News for the "City of Good Neighbors" From City Clerk Norb Huber

Shredding and e-Waste Roundup – This Saturday

If you have papers piling up in your office or home and would like to have them shredded for free, then come on down to the city hall parking lot this Saturday, Oct. 26 from 10 a.m. to 1 p.m. Thanks to Republic Services, the trash company serving Hawthorne,

all of your papers will be officially shredded free of charge. In addition, you can bring in old electronics to dispose of that day.

Election Day Coming Up Tuesday, Nov. 5

The Hawthorne municipal election will be held on Nov. 5. Absentee or mail-in ballots should be mailed in at least one week in advance for them to be counted by Election Day. On the backside of your sample ballot is printed the location of your polling location. Polls will be open from 7 a.m. to 8 p.m. Halloween at the Hawthorne Museum

The Historical Society will be opening up the Museum this year for little ones to come by for a treat during the morning hours of Halloween on Thursday, Oct. 31. Bring your child in for a candy to start their trick-ortreating out on that special day for the kids.

Hawthorne Historical Mural

The Hawthorne Historical Society has voted to seek funding for a large mural to be placed on the wall just East of the Museum. The 100-foot by 15-foot wall lends itself to being a great location for displaying the rich history of Hawthorne. We have been in contact with some of the most talented muralists in our Los Angeles area. They have shown interest in helping to complete the project. Now, the hard part begins, finding the \$20,000 necessary to fund what would become a historic "tourist attraction" right in the heart of Hawthorne. The HHS board is confident that funding can be secured and this dream of a permanent visual history of the City of Good Neighbors can become a reality in the near future.

God, Country and Golf

Veterans Day is coming up on Nov. 11. Want to play golf on your holiday? I'm one of the tournament directors for the Pacific Lutheran High School golf tournament to be held at Coyote Hills Golf Club in Fullerton. I invite you to participate in support of my old school that is located across the

street from El Camino College. What better way is there than to spend your day off playing some golf on a nice course with friends and enjoying a great buffet lunch? Please contact me if you are interested in participating.

Common-Core Curriculum

If you have children in our public schools, you may have heard of it. Your child might have come home to tell you that their teacher is using something called "common core" to teach math or English. What does this mean? Basically, the Common Core State Standards Initiative is a U.S. education initiative that seeks to bring diverse state curricula into alignment with each other by following the principles of standards-based education reform. In theory, a child in Texas will be learning the same curriculum as your child in the same grade level in California. Across the nation, teachers are struggling to get trained to implement the new strategies. I teach math at the high school level. I have had to change my approach to teaching. The whole reform is meant to have students do more critical thinking and less repetitious drill and practice. The ultimate goal is to have our young people ready to use their thinking skills to take on challenging jobs that our new technology and ever-changing jobs market is throwing at us. We will see over time whether this latest educational reform will make a difference or will be replaced with another new way of teaching our kids.

Morningside Enjoys Homecoming Win Over Hawthorne

By Joe Snyder

In a pivotal game both for the host Morningside and Hawthorne football teams, it was the Monarchs that used an effective and balanced attack to defeat the Cougars 42-21 in Morningside's homecoming game last Friday at Coleman Stadium in Inglewood. With both teams tied at seven after the first quarter, the Monarchs, who are 4-3 overall and 1-1 in the Ocean League with the victory, scored three touchdowns in the second quarter for a 28-7 halftime lead and never looked back.

Morningside was led by running back Christian Williams, who rushed for 254 yards and three touchdowns on 21 carries. Quarterback Clarence Jackson also had a fine game for the Monarchs. He completed six of 14 passes for 94 yards, but threw for two touchdowns. He also rushed for 88 yards on 16 carries. Wide receiver Jomar Hart had a 38-yard TD reception and wide receiver Devon Ursery caught two passes for 34 yards and a score. Morningside head coach Derwin Henderson credited his whole offensive line, led by Efren Fitts, for good blocking and making holes for its backfield to score touchdowns or make big gains leading up to scores.

Hawthorne, which fell to 2-5 overall and 0-2 in league, came off a league-opening 27-7 home loss to Culver City on October 11 and was hoping to top the Monarchs in hopes of contending for its first CIF-Southern Section Western Division playoff spot in nine years. The Cougars, however, were unable to hold down the inspired Monarchs. Running

back Paris McDaniel continued to shine for Hawthorne. He rushed for 152 yards and two touchdowns on 17 carries.

Hawthorne will seek its first league win as it travels to Coleman Stadium for the second straight week to take on Inglewood Friday at 7 p.m.

INGLEWOOD FALLS SHORT TO CULVER

Inglewood High's football team lost a key Ocean League game to host Culver City 16-7 last Friday. The Sentinels, who are still in strong contention for a CIF-Southern Section Western Division playoff spot, had several scoring opportunities but managed only one touchdown on a five-yard run by Dejon Cash in the third quarter.

The loss put Inglewood at 3-4 overall and 1-1 in league entering Friday's home game against Hawthorne beginning at 7 p.m. Culver, which improved to 3-4 overall and 2-0 in league entering Friday's home showdown against powerful Santa Monica, was led by quarterback Armani Rodgers, who completed 12 of 27 passes for 186 yards and one TD. Donovan Davis added a 53-yard scoring run for the Centaurs.

LAWNDALE CAN'T HOLD NORTH

Lawndale High's football team kept pace with host North Torrance, but the Saxons pulled away for a 42-21 win in Pioneer League play last Friday. The Cardinals jumped out to an early 13-0 lead, but all-around player Mique Juarez, who also starts at quarterback, started North off with an 88-yard kickoff return for a touchdown following Lawndale's second TD to spark the Saxons' run of 21

unanswered points.

Juarez also gave North (4-3 overall and 2-0 in league) a 21-13 advantage with a 12-yard scoring run before the Cardinals tied the game at 21 early in the third quarter on an eight-yard touchdown run by Austin Manigo. From there, the Saxons scored the game's final 21 points while holding Lawndale (4-3, 0-2) scoreless the remainder of the contest. Manigo had a pair of touchdown runs of five and eight yards.

The game was a match-up between two highly regarded sophomore quarterbacks. Lawndale's Chris Murray completed eight of 13 passes for 123 yards and one TD, while North's Juarez completed seven of 17 passes for 197 yards and two touchdowns.

The Cardinals will seek their first league win when they host South Torrance, which came off its first win of the season at home against Compton Centennial 8-6 last Friday.

LAWNDALE SPIKERS GET SWEPT

Lawndale High's girls' volleyball team fell to 0-5 in the Pioneer League and 3-11 overall after getting swept at home by Compton Centennial 25-10, 25-18, 25-11 last Friday. Being in just its second season after not having the program the previous three years, the Cardinals are mostly very young and inexperienced. Also, Lawndale's current first year head coach Wendy Debries was hired only two weeks before the start of school.

"It's rough to get the girls interested," Debries said. "All of my girls came in with little or no knowledge of volleyball. They've either never played volleyball before or just pickup matches on concrete. Our program is young and I want to get everybody together."

Despite the loss to the Apaches, the Cardinals had fine play from junior setteroutside hitter Brianna Megan, senior setter Cardeshia Hayes and outside hitter Taylor

Lawndale visits Torrance today and Pioneer leader South Torrance next Wednesday in 3:15 p.m. league matches. •

PETSPETSPETSPETS

Pets Without Partners

Adopt a "pet without a partner," and give a homeless pet a second chance in life.

The ghosts and goblins are coming soon, and **Spooky** is looking for a home just in time

for Halloween. He is very happy-go-lucky in his personality and just a little cuddle bear. Spooky and his brothers, Boo and Merlin, are poodle-mix pups and were born approximately August 3. This litter of three boys was surrendered to our rescue--they are all happy, silly, playful, funny and, of course, darling! We are accepting applications only at this time and each of the pups will need to stay in the South Bay Beach Cities/North Orange County area. Spooky will be neutered when of age, is current on vaccinations,

de-wormed, microchipped, loves everyone he meets and is great with other dogs. Children in the household need to be over seven, please.

Lucy is a beautiful, golden, tri-colored Lhasa Apso mix who is full grown at 14 pounds and approximately three years old. This sweet girl loves everyone she meets and is particularly fond of men. She is a very mellow, go-withthe-flow, sweet dog who prefers adults to children. Lucy enjoys the company of other dogs, but does not play with them much. She would be a good candidate as an "only dog" or can easily live with a dog of any age, as she will not bother it. Lucy is also completely cat-safe. She has wonderful house manners, is not destructive inside and is also completely housebroken. She is wonderful on leash and will make a quick adjustment to your living situation. Lucy is spayed, current on vaccinations, de-wormed and microchipped.

To learn more about these and other wonderful dogs, visit our website at www. animalsrule.org. If a dog is on our website, it's available. Or come to our Saturday adoption events from 11 a.m. to 3 p.m. at 305 North Harbor Boulevard in San Pedro (just off the 110 near the cruise port). We are always in need of donations for veterinarian bills and our senior dogs. Donations can be made through our website or by sending a check payable to: Animals Rule Placement Foundation at 305 North Harbor Blvd., San Pedro, CA 90731. All donations are tax-deductible. We are a registered 501©3 non-profit organization.

Saving one animal won't change the world, but the world will surely change for that animal. •

Purrrfect Companions

Add a little love with a new best friend when you adopt your purr-fect partner.

Flint is an adorable little love bug and purr machine. He's happy, fun, loving and full of

energy. His slender body has an amazing silky black coat, and his big, round eyes are a soft yellow with shades of green. He loves to play with other cats and kittens, especially with his sister Vidia. Flint is friendly, easygoing and does well with new people around. He is not accustomed to dogs. His forever home will need to have a young kitty playmate for him. He would love to be adopted with his sister Vidia or with one of his foster buddies if you don't already have a friendly feline friend for him. Come take a look at Flint, as you will love his affectionate and playful nature. Sadly, black cats are the least likely to be adopted. Please be colorblind and give Flint a chance.

Vidia is a sweetheart with a lot of spunk. She is a dark tortoiseshell cat with shades of cream, orange, black and brown. Her eyes have a soft yellow shade with a hint of subtle green. In her foster home, Vidia enjoys the warmth from the sunshine and loves to take a catnap in the sun. She likes to play with other cats, however, she has no problem speaking up if someone is too rough with her or messes with her when she's not interested. Vidia is still a bit reserved with new people, and a quiet home without small children would be the best. She needs to be adopted into a home with her brother Flint or with another kitten as a play buddy.

These kittens/cats are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All of our kitties are spayed/neutered, microchipped, tested for FeLV and FIV, de-wormed and current on their vaccinations. For additional information and to see our other kitties, please check our website at www.kittenrescue.org, or email us at mail@kittenrescue.org. Your tax-deductible donations for the rescue and care of our cats and kittens can be made through our website or by sending a check payable to Kitten Rescue, 914 Westwood Blvd., #583, Los Angeles, CA 90024.

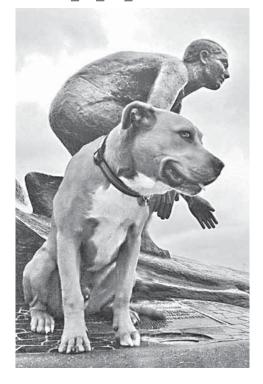

On Saturdays, we have adoptions from noon to 3 p.m. in Westchester at 8655 Lincoln Blvd., just south of Manchester Avenue, and also in Mar Vista at 3860 Centinela Avenue, just south of Venice Boulevard. Our website lists additional adoption sites and directions to each location.

Be kind. Save a life. Support animal rescue. •

Hanny

T-Bone (now Al) was a lost little pup with no collar or microchip. This little gem is now his new family's valued treasure.

"You guys, this dog is unbelievable! Unbelievable in that he is everything you said he was and beyond. We could not have asked for a more loving, playful, housebroken, calm and obedient dog than what we have in Al. He is my workmate at home and when I'm in the office, he is by my side. When he gets tired of hearing me on phone calls (or doesn't get the attention he wants), he saunters back to his crate until I come to him--I admit, he knows what he's doing. At night, he sleeps with my wife and I until we fall asleep and then lies at the top of the stairs/our doorway as if he's protecting our room. I love this dog. I cannot thank you all enough for everything you did to make this happen. I can't wait to introduce him to my kids this weekend. Thanks again for this amazing gift! -Todd."

When you adopt a "pet without a partner,"

you will forever make a difference in their life and they are sure to make a difference
