Lawndale City Council Hears Mid-Year Budget Report

By Nancy Peters

During its February 3 meeting, the Lawndale City Council heard a 2013-14 mid-fiscal year budgetary report from City Treasurer Ken Louie. The report included revenues from increased receipts for the transient occupancy (hotel) tax, although there have been reductions in funds collected from the motor vehicle fees and building-related fees for an estimated revenue decrease of \$57,446.

Expenditures include savings of \$155,688 due to vacancies in several departments and savings in repairs in the Cable Department. Although insurance premiums are higher than estimated in the adopted budget, \$12,203,687 was expended through December 31, 2013 for a total of \$86,360 decrease in the general fund appropriations. The Council voted unanimously (3-0, with James Osborne absent on this evening) to accept the mid-year report of the City's budget for 2013-14.

Included in the consent agenda was approval of a grant from Metro for \$2,172,000 in order to widen Inglewood Avenue between Rosecrans and Marine avenues. A modification to the traffic signal at Manhattan Beach Boulevard and Firmona Avenue is now complete, including an offer of easement from the Safer homeowner for placement of traffic signal cabinets on their property in the northwest quadrant of the intersection. The Lawndale BEAT (bus transportation) will be allowed to continue use of the Redondo Beach Transit Center at the South Bay Galleria Terminal through December 31, 2016.

During public communications, a citizen suggested that home and property values be examined by the City in order to assist homeowners in obtaining increased valuations from appraisers. The new street signs were complimented for their design. Mayor Pro Tem Pat Kearney reminded citizens that the City website has a link to a program, beginning on February 18, which permits purchase of the former street signs at a cost of \$10 each, with no limit

on the number of signs purchased by each individual. Citizens were advised that they should always report suspicious activities to the Sheriff's Department and to join www.nixle.com to receive alerts from local police departments.

The Sheriff's Department Safety Report included an incident at Lawndale High School that involved a student who was heard by numerous other students and a teacher that he intended to blow up the school. When confronted, he said he was only joking. However, he was arrested by Sheriffs for threatening violence at a school, despite a search of his residence resulting in no explosives being found.

An enforcement of parking restrictions for those who display disabled placards in their vehicle was conducted for several hours, ticketing vehicles for misuse of disabled placards or for parking in spots reserved for disabled persons when the driver is not the named owner of the placard registered with the Department of Motor Vehicles. Sheriffs will continue to conduct this same type of operation throughout Lawndale every few weeks. Drivers are warned that heavy fines for parking in a spot reserved for disabled persons will be levied and there is no reversal of those tickets. The disabled person must be in the vehicle for the placard to be used legally.

The next Lawndale Sheriffs Department Coffee with a Cop will be held at Choices Café, 15122 Inglewood Avenue, on Wednesday, February 12 from 10 a.m. to 11 a.m. All citizens are invited to attend and ask questions of the Deputies who will be in attendance.

The notification of election to be held on Tuesday, April 8, 2014 has been finalized with the County Registrar's Office with two candidates for the position of Mayor, three candidates for two positions on the City Council, and two candidates for one position of City Clerk.

Due to the federal holiday and closure of all federal buildings on Monday, February 17, 2014, the normal day for the next City Council meeting, the Lawndale City Council will meet instead on Tuesday, February 18 at 6:30 p.m. •

News for the 'City of Good Neighbors'

From City Clerk Norb Huber

Are you a Good Neighbor?

Hawthorne's motto is the "City of Good Neighbors". I have yet to learn of how this slogan came to be attached to our city. Regardless of how it began, I like it. It gives us something to feel good about, something to live up to. The motto's message is close to being biblical. Jesus talks about loving our neighbor like our self. What does it mean to be a "good neighbor"? Hawthorne consists of about five or six neighborhoods. We are all surrounded by people trying to make a living, just like us. Maybe our neighbors just want to enjoy a peaceful retirement. Whatever our situation in life, there are many ways to show our concern for others. It doesn't take much. A simple act like helping an elderly neighbor pull their garbage cans out to the curb or pulling them back in could really be all that is necessary. Maybe saving a neighbor a parking ticket when they have forgotten to move their car for street sweeping. Being a good neighbor may just be an awareness of what's going on around your block. I was at Home Depot the other day and I saw a smaller man straining to lift large, heavy concrete blocks into the back of his truck. I went over and helped him load the blocks. I may never see him again, but I do know he was appreciative of my help. With our little acts of kindness and concern we ARE good neighbors. The more we treat others with respect, the more we continue to hold our motto high, the "City of Good Neighbors".

Time Warner

It was terrible timing, probably the worse time for a broadcast to go dark. There was about five minutes left in the first half of the Super Bowl with Seattle leading 22-0 when all of sudden my television screen froze. Since the game was so one sided and I really didn't care if I caught the half time show or not, I didn't freak out. I thought it was only my cable box, so I unplugged it and it "rebooted", still there was no game. About an hour later the broadcast came back on. By then the game was pretty much over.

As a gift to make up for my trouble, Time Warner is giving me and all subscribers a free movie or \$5 gift card.

Obituaries

John A. Tyson Jr. Feb. 14, 1945 – Feb. 1, 2014

John A. Tyson Jr. passed away peacefully in his home in Lawndale after a lifelong struggle with cancer. He was born in Macon, Mississippi to John and Virginia Tyson. John attended school in Mississippi, Texas and Louisiana. He graduated with honors in 1963 from Broadmoor High School in Baton Rouge, Louisiana. He went to college at Louisiana State University in Baton Rouge, Louisiana and received a Masters degree in Electrical Engineering in 1970. During college, he worked two summers as an intern with NASA at Cape Canaveral and New Orleans. Following graduation, John was an engineer for Hughes and Raytheon his entire professional career of 32 years. During his career he was a member of a close team of people responsible for making the TOW (Tube launched, Optical tracked, Wire-guided) missile program a success and he received credit for several patents.

While growing up he excelled in academics and music. At age 15 he was first diagnosed with cancer, which required treatment through

high school and college. The physical effects of that cancer and treatments prevented him from continuing to play the clarinet; however, his love of music continued and he played drum in his high school band and was President of the band club. After moving to CA, he fell in love with the recorder and it was a passion the rest of his life. Early Music was his favorite and he enjoyed performing at renaissance fairs and was a longtime member of Bankside, La Mer and Los Angeles Recorder Orchestra (LARO) musical groups. Other interests included backpacking, GPS and his iPad. He is survived by his brother Tom Tyson, sister-in-law Matie (Crossley) Tyson, sister Ruby Sue Muffoletto, brother in law Gerald Muffoletto, nieces and nephews Gini Tyson, Michelle (Tyson) Cornwell, Todd Muffoletto, Robb Tyson, and Kimberley (Muffoletto) Wilkinson, four grand nieces and nephew, and special friends Glynda Bragg and Megan Baierski. Funeral services are scheduled for 11:00 a.m. Thursday, Feb 6, 2014 at Douglas Family Mortuary, 500 E Imperial Avenue, El Segundo CA 90245.

Hawthorne Kickers Keep in Contention by Topping Beverly Hills

By Joe Snyder

Hawthorne High's boys' soccer team was knocked out of a first place tie in the Ocean League with Culver City in the Ocean League after a 2-1 overtime loss at Santa Monica on January 29, but bounced back with a 2-1 win at Beverly Hills last Friday to remain in contention for the league crown. Against the Normans, the Cougars (13-2-2 overall and 4-1-1 in Ocean play) had one goal each by forwards Jeremiah Egujje and Francisco Alvarado in their victory. Alvarez also had an assist.

At Santa Monica, it was a battle between two squads that were ranked in the CIF-Southern Section Division IV as Hawthorne was sixth and the Vikings were ninth. After a scoreless first half, Egujje got things going with a goal early in the second half. Hawthorne maintained its 1-0 lead until just one second before the whistle to end regulation sounded when returning all-CIF Southern Section Division IV forward Jason Bautista sent the match into overtime as he slipped the ball past Cougar goalkeeper Manuel Valencia. Bautista then won the match for Santa Monica as he scored with approximately five minutes into the second overtime period.

Hawthorne, which is still in third place behind first place Culver City (5-0-1) and second place Santa Monica (5-1), hosted Inglewood last night and will be at home against Morningside Friday at 6 p.m. The Cougars will then have another league showdown at Culver City next Tuesday at 6 p.m. and close league at home against the Vikings next Thursday at the same time.

INGLEWOOD PULLS AWAY FROM SANTA MONICA

Inglewood High's boys' basketball team used a big second half to pull away from Santa Monica 59-39 in an Ocean League rivalry on January 29 at Inglewood. The Sentinels, who are 4-2 in league after a 58-48 home loss to Santa Monica last Friday, jumped out to a 23-12 second quarter lead before the Monarchs got within as little as three points. Leading 29-20 at halftime, Inglewood (12-10 overall) outscored Morningside (2-4 in league after a 68-62 home win over Culver City last Friday) 16-7 in the third period to lead by 18 (45-27) and finished off with the 20-point victory.

Against Santa Monica, which is 5-1 in league and in second place behind leader Beverly Hills, the Sents were tied at 11 with the Vikings after the first quarter and were

down by just two points (27-25) at halftime. After that, Santa Monica (13-9 overall) steadily pulled away.

Morningside won its second Ocean game against Culver City last Friday. The Monarchs, who improved to 7-14 overall, were led by Dakaria King with 24 points and five assists. Gabe Solache added 17 points, including going 14 for 14 from the free throw line. James Brown contributed 10 points and 12 rebounds.

After visiting Hawthorne last night, Inglewood is at Culver City for a 7:30 p.m. Ocean game on Friday. The Sentinels hosts Beverly Hills in a key league game next Tuesday at the same time. Last time Inglewood played Beverly Hills, the Sentinels were nipped by the Normans 76-75 at Beverly Hills.

Also in earlier league games, Inglewood had wins over Hawthorne 90-66 and Culver City 80-65. The Sentinels are in third place in league.

Coming off the win over Culver City, revenge from its 77-57 loss to the host Centaurs in the league opener on January 15, Morningside visited Beverly Hills last night and will be at Hawthorne for a 7:30 p.m. game on Friday. The Monarchs host Santa Monica next Tuesday and finish league at home against cross-town rival Inglewood next Thursday, with both games at 7:30 p.m. Morningside is currently tied for fourth place with Culver City in Ocean play.

LAWDALE ROUTS EL SEGUNDO

Lawndale High's boys' basketball team remained tied for first place with North Torrance in the Pioneer League after routing host El Segundo 73-37 last Friday. The Cardinals, who improved to 5-1 in league and 14-8 overall, were led by Brodericks Jones with 12 points, 10 rebounds and six blocked shots. R'Lando Beckles had 15 points and five rebounds, while Chimizie Metu finished with eight points, 10 rebounds and six blocks.

After visiting Centennial in Compton last night, Lawndale hosts North Torrance in their second league showdown Friday at 7:30 p.m. before visiting South Torrance next Tuesday at the same time. In the last meeting between the Cardinals and the Saxons on January 22 at North, the Saxons downed Lawndale 95-77.

LEUZINGER TOPS PALOS VERDES

Leuzinger High's boys' basketball team improved to 2-4 in the Bay League and 9-14 overall with a 61-48 win over Palos Verdes

last Friday at Leuzinger. The Olympians, who avenged their earlier 55-48 loss to the Sea Kings with the victory, were led by Isaac Stell with 23 points. Davon Abner put in 16 points. Palos Verdes, which fell to 3-3 in league and 11-11 overall, were led by Connor McKeeve with 12 points. The Sea Kings played most of the second half without key player Tyler Colon, who injured his ankle and was unable to return.

Leuzinger, which lost at Redondo 61-46 on January 28, hopes to get into playoff contention as it hosted second place Rolling Hills Estates Peninsula last Tuesday and visits Mira Costa (3-3 in league after crushing host West Torrance 70-39 last Friday) on Friday at 7:30 p.m.

The Panthers, who were red hot after some impressive wins, were cooled down at home against league-leading Redondo (18-4, 6-0) with a 55-44 loss last Friday. Peninsula is 4-2 in league and 12-10 overall. •

2014 NHL Stadium Series Los Angeles Legacy Initiative

Photos by Jon SooHoo/LA Dodgers

The National Hockey League (NHL®), Anaheim Ducks and Los Angeles Kings unveiled their donation to Anaheim and Los Angeles area elementary schools on January 14, as a legacy of the 2014 NHL Stadium Series™ Los Angeles outdoor game at Dodger Stadium on January 25. The announcement was made at the Graham Elementary School in Los Angeles, one of the 50 schools to receive street hockey equipment as part of the NHL's, Kings' and Ducks' commitment to growing the sport of hockey in Southern California, combating obesity and promoting a healthy, active lifestyle.

The NHL Stadium Series™ Los Angeles Legacy Initiative also marks an expansion of NHL Street™, the League-wide grassroots hockey program, in Southern California. For more than 20 years, NHL Street has

introduced the sport to approximately 250,000 boys and girls each year in more than 1,600 schools and community centers across North America.

To celebrate the NHL Stadium Series™

Los Angeles Legacy Initiative and street hockey's popularity in California, NHL Street participants from the Anaheim and Los Angeles areas played pick-up games on a street hockey rink alongside their NHL

counterparts at Dodger Stadium throughout the Jan. 25 Kings-Ducks game.

The NHL's Legacy Initiative is an on-going philanthropic endeavor in which the NHL, the local NHL teams and NHL partners support community organizations in the host city as a legacy of an NHL event.

The Los Angeles event marked a series of firsts for the NHL and its fans as the Jan. 25 game was the first outdoor regular season NHL game played in the U.S. west of the Mississippi River, the southern-most outdoor NHL game in history, and the first-ever outdoor NHL game in California. In its 51 year history, the venerable Dodger Stadium has hosted eight World Series and close to 4,000 regular-season games, but never a hockey game – marking another first for this NHL Stadium Series event. Politically Speaking

One Man's Opinion

By Gerry Chong

"Government is not reason, it is not eloquence - It is force. Like fire, it is a dangerous servant and a fearful master." – George Washington

"A democracy cannot exist as a permanent form of government. It can only exist until the voters discover they can vote themselves largesse from the public treasury. From that moment on, the majority always votes for the candidates promising them the most benefits from the public treasury, with the result that a democracy always collapses over a loose fiscal responsibility, always followed by a dictatorship." – Alexander Tyler, 1770

"I have a pen and I have a phone, and I can use that pen to sign executive orders." – Barack Obama, 2014

So has the tyranny begun? In August, 2011, S&P downgraded U.S. debt from AAA to AA+. Two days later, Barack Obama's Treasury Secretary, Tim Geithner, taught the Chairman of S&P's parent, Harold McGraw, about the Chicago way. In a sworn affidavit, McGraw stated Geithner told him his deed would not go unpunished. "You have done an enormous disservice to yourself and your country" and that S&P's conduct would be looked at very carefully."

Only S&P among the three credit rating agencies downgraded U.S. debt, and only S&P was sued in 2013 for \$5 billion by the Obama Administration for fraud. Chicago comes to Washington, D.C.

Dinish D'Souza, author of the anti-Obama book *Obama's America*, is now a Federal target, being charged with laundering \$10,000 in political campaign contributions. It turns out he loaned to his fiancée, who

made a campaign contribution to an old college classmate. Would the IRS have charged him if he were Michael Moore?

Reuters reported that The Privacy and Civil Liberties Oversight board, a governmental agency, on January 23 found that the daily spying on billions of Americans' phone calls, the 600,000 address books, the 500,000 electronic "buddy lists" and 200 million text messages collected daily by the NSA have had "minimal" impact on counterterrorism efforts and are illegal, but the Administration ignored the report.

A special review panel appointed by Obama last year to investigate NSA phone hacking recommended 46 actions to limit NSA's spying power and recommended court approval on a case-by-case basis, but few of the recommendations have been implemented.

In fact the spying has become more pervasive and sophisticated, extending to the spying on game apps on cell phones to build profiles of the game players. Now a person can not only be tracked by his cell phone, but also profiled by the games he plays on it.

In 2011, there were 266 applications for drones to be flying over the U.S., but by 2013 the projection is that within 10 years there could be 30,000 drones directed by the Pentagon, viewing any and every aspect of our physical life. Under Federal law, anything seen by the drones can be kept for 90 days, evidently without violating the Constitution's Fourth Amendment banning illegal search and seizure.

So Washington can roll over in his grave. Tyler can nod an "I told you so," and Obama can continue until 2016. •

Another Man's Opinion

Time for the Leaders in D.C. to Grow Up

By Cristian Vasquez

The State of the Union was televised last week and despite knowing that President Obama's speech would sound like every other State of the Union address that he has delivered, I decided to watch. Was I disappointed? Not really. Was I surprised? Was I inspired? Did it restore my faith in our nation's leaders? Sadly, none of the above occurred. It is unfortunate that the most entertaining part of the President's speech was watching Speaker of the House John Boehner not react to most of what the President said while Vice President Joe Biden applauded everything our Commander-in-Chief said.

It is impossible to have everyone agree on anything at any given point in time. Figuring out where to go have lunch with my ex-girlfriend was a challenge of epic proportions at times, so I won't be too harsh on Washington's inability to hammer out all of the problems facing the nation on a first try. Not everything President Obama has done or said has been to my liking, but neither were the actions of President Bush or President Clinton or President Reagan.

However, what is troubling and sad is the unwillingness and inability of these grown-ups, who were elected to do a job, to better cooperate with each other. Both sides have displayed such an unwillingness to even consider what the other side of the aisle has to say that we have become accustomed to the gridlock in D.C. We have become so

used to it that we as a nation sat and simply accepted the government shutdown. There are many examples of former presidents willing and capable to negotiate under the most divisive of conditions. All it took was good will and flat out honesty. The behavior of VP Biden and Speaker Boehner demonstrate the willingness of our elected officials to first rally behind their party than their constituents. The behavior of our leaders is not only pathetic, but a failure at fulfilling the duties for which they were elected to complete.

We are all members of this very diverse world where we interact with a myriad of people, all with different opinions, goals and methods to achieving said tasks. Despite those differences, we all manage to wake up every day, go to work and do our part to be productive members of society. With the exception of a few stragglers, we are all capable of getting along with each other and at least display a basic level of respect toward other people. Even in those cases where neighbors, coworkers or classmates don't like each other, grown-ups are capable of getting past pettiness for their own mental well-being and for the sake of moving forward with life.

So if we can look past our differences and manage to overcome them with the people we encounter every day, why can't the suits on Capitol Hill do the same? The party pandering in D.C. is pathetic and displays the childlike behavior that has gridlocked our nation's leadership. •

I hope you are all having a great 2014. This year has started out wonderfully for the Shafer family. My oldest, Spencer, is now working with me in the kitchen and it looks like he might have a knack for the culinary world. Max, my 17 year-old, is doing great in high school and the youngest, Noah, 13 years old, just got a part in the school presentation of "Aladdin". Of course my doggies are still the best and my wife hasn't killed me yet. But on with the show...This week I thought I would show you how to make baked apples with dried fruits and nuts. This was always a big treat around the Shafer house when I was growing up in New York. During the winter, to have some sweet, warm, apple baked in sweet cream would be a wonderful treat on a cold winter day.

The Chef

Baked Apples

- 6 apples peeled and cored
- 1/2 cup brown sugar
- 2 cups heavy cream
- 1/4 cup dried fruits (raisins/fig/prunes/dates/cherries, etc.)
- 1/4 cup pecans or any kind of nut
- Pinch salt
- 1 teaspoon vanilla
- 1/2 teaspoon cinnamon

Stuff the cored apples with a mix of the fruit and nuts.
Place the apples in a casserole dish.
In a bowl mix together the cream, sugar, vanilla and cinnamon.
Pour over the apples and bake them in a 350° oven for 20 minutes or till lightly brown and tender. Serve warm.
Happy 2014

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call or visit the Internet Web site, using the file number assigned to this case 09-511016. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. Pets Without Partners

Just in time for Valentine's Day, adopt a "pet without a partner" and give a homeless pet a second chance in life.

Lindsey is a superb dog, fabulous in every

Lindsey

way. One of our volunteers traveling up to Northern California was tipped off by the store attendant about a stray dog living on the property. She found Lindsey living in an old junked-out car with her four puppies and brought them all back with her. Our vet feels she is a Labrador and Pointer mix who is three to four years old. Lindsey loves all other dogs, all people, is fine with kids, cat-safe and an absolute gem of a dog. She has a very go-with-the-flow personality. All her puppies are weaned and Lindsey is waiting for a home of her own. Lindsey is housebroken, loving, kind, sweet and really just a perfect dog. It's not often we can say that about a dog. Lindsey is spayed, current on vaccinations, de-wormed and microchipped.

Cricket is the last of Lindsey's puppies. She is a nice two-month-old pup, and like her mom has a really nice disposition. Cricket loves to run and play with the other puppies at the

Cricket

rescue and loves everyone she meets. She is a sweet, loving, wonderful puppy. Cricket will be spayed when of age, is current on vaccinations, de-wormed, microchipped, fine with other dogs, cat-safe, and best with children over the age of five.

Lara was owner-surrendered when taking care of a litter of six puppies was too much for the prior owners to handle. Mom dog is a Cairn Terrier/Poodle mix and the dad is the neighbor's Labrador who jumped the fence. There are two boys and four girls in this litter. Born on November 6, 2013, they look as though they should be nice, medium-sized dogs. This sweet litter of puppies is happy and healthy and currently in foster care where potty training and crate training are underway. Lara loves to play with toys and has great play manners with her litter mates. Lara will be great with other dogs and with children (over five please) and since she is still a puppy, she should be fine with cats too. Because Lara is not old enough to be spayed, she will need to be adopted in our relative area (South Bay/North Orange County)

Lara

as she will need to come back for puppy shots and to be spayed at our vet. Lara is current on vaccinations, de-wormed, microchipped, fine with other dogs, and cat-safe.

To learn more about these and other wonderful dogs, visit our website at www.animalsrule.org. If a dog is on our website, it's available. Or come to our Saturday adoption events from 11 a.m. to 3 p.m. at 305 North Harbor Boulevard in San Pedro (just off the 110 near the cruise port). We are always in need of donations for veterinarian bills and our senior dogs. Donations can be made through our website or by sending a check payable to: Animals Rule Placement Foundation at 305 North Harbor Blvd., San Pedro, CA 90731. All donations are tax-deductible. We are a registered 501©3 non-profit organization.

Saving one animal won't change the world, but the world will surely change for that animal. •

Purrrfect Companions

Add some extra love in your life when you adopt your purr-fect partner.

Louie has adorable greenish eyes, spotted Tabby markings and tiny, white paws. He was

Trapper

rescued from the shelter along with his two brothers and mother when he was just four weeks old. Louie is very playful and gets along with every kitty he meets. Well-socialized and affectionate, Louie loves to nibble on your fingers and lick your hands for as long as you will allow him. He is extremely curious about everything around him and is constantly charging around exploring. If you call for him, Louie will come running, tail up, meowing in response. This sweet baby is the perfect addition to any home. Since he is so young still, Louie cannot be an only kitty and must be adopted either with a youthful companion or into a home with a young resident kitty with whom he can romp.

Trapper was rescued off the streets after he stumbled into a trap set for his mother in order to get her spayed and to stop the cycle of kittens. Luckily for Trapper, because he was so young, he was brought into foster care where he quickly turned into a confident, loving kitten with a ton of spunk! This little black panther has engaging, golden-green eyes that are always busy looking for another toy on which to pounce. He loves big male cats, cuddling up to them, suckling on their fur and kneading with his paws as he purrs up a storm. His vibrant personality shines all the time as he zips around pouncing one kitty or another. Trapper definitely needs another high-energy kitty to play with because he is always on the go and adores wrestling with his foster friends. Trapper would fit in well with most any household, as his confidence and playfulness make him great for a family - and his easygoing personality helps him get along with any kitty he meets. Trapper loves to sleep on the bed with you and often will end up crashed on the couch on your feet. This little goof can't wait to find his purr-fect

home and forever buddy.

These kittens/cats are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All of our kitties are spayed/neutered, microchipped, tested for FeLV and FIV, de-wormed and current on their vaccinations. For additional information and to see our other kitties, please check our website at www.kittenrescue.org, or email us at mail@kittenrescue.org. Your tax-deductible donations for the rescue and care of our cats and kittens can be made through our website or by sending a check payable to Kitten Rescue, 914 Westwood Boulevard, #583, Los Angeles, CA 90024.

On Saturdays, we have adoptions from noon to 3 p.m. in Westchester at 8655 Lincoln Boulevard, just south of Manchester Avenue, and also in Mar Vista at 3860 Centinela Avenue, just south of Venice Boulevard. Our website lists additional adoption sites and directions to each location.

Be kind. Save a life. Support animal rescue. •

Happy Tails

Scout (aka Jack) brings a holiday surprise to his home.

Jack, one of our fabulous Pugs, added special happiness and love to the holidays when he found his forever home...

"Thanks for your email and pics. Our kids were so surprised and are absolutely wonderful with him. We renamed him **Scout** because we love to camp and hike. We took Scout for a hike yesterday and his stamina outlasted ours. He is going to make a great jogging buddy for me. I have him on a food/potty schedule, which is working out brilliantly. No accidents, he has even pawed my foot a few times to be taken out

to go potty. Scout is such a good dog! He already knows a lot of training hand signals and responds so quickly to please - with a reward of course. It seems like he has been a part of our family for so long. The kids and Scout love each other and are mutually affectionate with the other. Thank you so very much for helping us bring Scout home! Merry Christmas!—Holly."

When you adopt a "pet without a partner," you will forever make a difference in their life and they are sure to make a difference in yours. •
