HERO Program Approved by Lawndale City Council for Energy and Water Efficiency

By Nancy Peters

The Lawndale City Council settled a dispute with Los Angeles County regarding property tax administrative fees when it approved a claim settlement with the agenda vote on Monday, Oct. 21. In addition, there were a few other approvals, including participation in the Joint Powers Agreement to be an associate member of the Home Energy Renovation Opportunity (HERO) Program to Finance Energy and Water Efficiency Improvements. Under this arrangement, homeowners may obtain low-interest loans through the fund and savings bonds set up by the HERO program and payback through an addition to the bi-annual property tax payment. The Council also approved the extension of a 10-day lease of property from Dec. 14 to 24 so that the Lawndale Chamber of Commerce may have its holiday carnival and sell Christmas trees on City grounds.

The request for a renewal of the Memorandum of Understanding (MOU) with the Environmental Magnet High School sparked a lengthy discussion of the MOU, as the school originally was held to 450 students on the campus. Currently, the school has 538 students, which is a violation of the MOU. Recently the neighborhood has lodged complaints with the City for the amount of traffic generated early in the morning, parking issues in the area and large buses blocking the streets when field trips are part of the day's activities. The Council chose to revise the MOU and not grant a renewal at this time so that wording of the renewal document can include provisions that will satisfy the current concerns. The topic was tabled until the next Council meeting on Nov. 4.

The Geographic Information System Services from Digital Map Products, Inc., was renewed for a three-year period with an appropriation of \$500 to be added to the current contract and additional \$500 increases to be added to the budget years 2014-2015 and 2015-2016. Over the length of the contract, a rate increase of 3.7% has worked out to only be 1.37% for

the full five years since the contract started in 2012-2013.

New building signage for the Lawndale Community Center is approved to include Municipal Services Department, Lawndale Historical Museum and Lawndale Community Center on the front of the building.

The Historical Society is looking for photos of people in their 70s, 80s and 90s, as well as the oldest citizen in Lawndale. Photos are also being sought of activities in Lawndale through the years to help complete the history wall in the museum.

At the previous Council meeting, a citizen who lives adjacent to the new location of the modular unit near the County Library building was told that someone would meet with her to clarify the issues she has with the modular location and her property lines. On Monday, she returned to thank the Council for attention to the matter and also offered to help the City get out of the grant that governs the modular placement and any penalties associated with the return of the modular. She also pointed out that the modular has mold issues that are in need of mitigation and should be one loophole to the building being moved or removed completely.

Thomas Strickfaden, the cable TV department head, was celebrated with a plaque presentation for his 25 years of service to the City. Among his achievements are building the cable television studio, converting the station equipment to digital and receiving numerous awards for the Lawndale Cable Network--particularly in sports programming.

Also given a Certificate of Appreciation was Cheryl Brandin, the owner of Wienerschnitzel on Hawthorne Boulevard, for her support of the volunteers during the annual Cleanup Week activities and the use of the parking lot for staging volunteers on the Community Clean-up Saturday.

The City-sponsored Hallowe'en event will be held at Civic Plaza on Thursday, Oct. 31, from 4 p.m. to 8 p.m. Other Hallowe'en events are

being held at various locations throughout the community where parents and grandparents are encouraged to take their children for trick or treat in controlled environments with haunted houses and mazes set up to be fun and not too intimidating for the younger set. The traditional haunted houses that has been functioning at Lawndale for more than 40 years is located at 15650 Mansel Avenue. Others are at 4563 West 172nd Street, 15615 Grevillea Avenue and 4551 West 156th Street.

The Council and City Manager will explore the feasibility of purchasing new strands of LED lights for the poles that will be decorated for the holidays with the large, lighted decorations. A citizen did some research and found that the expenditure would be approximately \$1,200.

The Lawndale Planning Commission was given the task of exploring code changes for the size of parking pads for driveways, as the current size may be adjusted to accommodate the smaller versions of vehicles on the road now. The new code could support a minimum size of 9 feet by 17 feet for a driveway parking pad.

The Council, City attorney and City manager will look into new code enforcement regulations that remove the "criminal" level for most code enforcement violations and adjust those violations that qualify to be classified as "administrative" violations. There will also be a review of the process of code violations and the particular violation not being advised to homeowners, but only advising that a specific action on their property must be corrected without the actual violation being advised. After a citizen complaint of suspected harassment by the Code Enforcement Department, the Council will research the recent actions taken regarding this citizen's property.

The Council agreed by consensus to cancel its meeting for Monday, Dec. 2, 2013 and at this time only schedule one December meeting on Monday, Dec. 16.

The Lawndale City Council will meet again on Monday, Nov. 4 at 6:30 p.m. •

HAWTHORNE AND MANHATTAN BEACH SCHOOLS FORM PARTNERSHIP

A partnership between Da Vinci Design of Hawthorne and Halstrom Academy of Manhattan Beach has resulted in students collaborating and pushing boundaries as they created a mural while painting live in front of an audience for the first time. The students unveiled their mural Friday, Oct. 18 at Da Vinci Design.

Student Kevin Taylor, a senior, began attending Halstrom full time last summer and forged the relationship between Halstrom Academy and Da Vinci Design. While Kevin has been happy with the education he received at Da Vinci, he said he needed a more focused environment for some of his core college-required courses. With the education Kevin is getting through Halstrom Academy and Da Vinci Design, he is confident he will get in to the college of his choice and pursue a career in fashion design.

Hawthorne Historical Mural

The Hawthorne Historical Society has voted to seek funding for a large mural to be placed on the wall just East of the Museum. The 100-foot by 15-foot wall lends itself to being a great location for displaying the rich history of Hawthorne. We have been in contact with some of the most talented muralists in our Los Angeles area. They have shown interest in helping to complete the project. Now, the hard part begins, finding the \$20,000 necessary to fund what would become a historic "tourist attraction" right in the heart of Hawthorne. The HHS board is confident that funding can be secured and this dream of a permanent visual history of the City of Good Neighbors can become a reality in the near future.

God, Country and Golf

Veterans Day is coming up on Nov. 11. Want to play golf on your holiday? I'm one of the tournament directors for the Pacific Lutheran High School golf tournament to be held at Coyote Hills Golf Club in Fullerton. I invite you to participate in support of my old school that is located across the street from El Camino College. What better way is there than to spend your day off playing some golf on a nice course with friends and enjoying a great buffet lunch? Please contact me if you are interested in participating.

Common-Core Curriculum

If you have children in our public schools, you may have heard of it. Your child might have come home to tell you that their teacher is using something called "common core" to teach math or English. What does this mean? Basically, the Common Core State Standards Initiative is a U.S. education initiative that seeks to bring diverse state curricula into alignment with each other by following the principles of standards-based education reform. In theory, a child in Texas will be learning the same curriculum as your child in the same grade level in California. Across the nation, teachers are struggling to get trained to implement the new strategies. I teach math at the high school level. I have had to change my approach to teaching. The whole reform is meant to have students do more critical thinking and less repetitious drill and practice. The ultimate goal is to have our young people ready to use their thinking skills to take on challenging jobs that our new technology and ever-changing jobs market is throwing at us. We will see over time whether this latest educational reform will make a difference or will be replaced with another new way of teaching our kids.

Lawndale Promotes Healthy Living

By Cristian Vasquez

Through a collaborative effort between School District, City and Library officials, Lawndale Lifestyle was created to inform the residents of Lawndale about healthy living options. "We decided that we wanted to be a healthier library back in 2007, so we started to offer healthy snacks during all of our programs and we started some nutrition education in English and Spanish," Lawndale Library Manager Melissa McCollum said. "We then moved to the new library building in March of 2009 and decided that we wanted to do even more, so we started learning what the [Lawndale Elementary] School District was doing in terms of wellness and also what the City [of Lawndale] was doing in terms of wellness. That's when we decided to co-develop Lawndale Lifestyles, which is a website to encourage Lawndale residents to eat better and exercise more."

Through the website, <http://www.lawndalelifestyle.com/>, Lawndale residents can obtain information about healthier food options and gardening advice as well as resources tailored to help people become more physically active. "We have coaches drawn from several different organizations as well as nutritionists who will answer nutrition questions and a master gardener who will answer gardening questions," McCollum said. "We have P.E. specialists to answer exercise questions and I am available to answer any consumer health questions. There is also a blog about things going on in the community leading to additional resources."

The website does provide an instant chat option to answer questions, but persons interested can send an email and there will be a general response on the blog. However, if an email is provided in the question submitted and a direct answer is requested, such a request can be accommodated. Since the inception of Lawndale Lifestyle the effort to promote healthier living has grown with the continued collaboration of City and School District officials, as well as the Library, and has led to the Lawndale Lifestyle television show, which was grant-funded.

"The City made several half-an-hour shows where they focused on instant recess [10-minute exercise break for people of all ages], Network for Healthy California harvest of the month in the schools and even a show about yoga and tennis," McCollum said. "It was about all the

healthy activities going on in Lawndale and it is kind of a priority of the City and the Library."

While the shows are not yet available on the Lawndale Lifestyle website, they do continue to air on the City's television station. With the exception of instant recess, which takes place every day at 3:15 p.m., the activities hosted at the Library through Lawndale Lifestyle are scheduled on a weekly basis and vary from week to week.

"On the first week of every month, we do a cooking lesson and it is tied to the harvest of the month program that they have at the Lawndale Elementary School District," McCollum said. "This month is jicama and next month will be pears. They [kids] have so far done salads and they will do an easy cooking lesson that they will get to eat here, but then get to take the recipe home. The idea is that they can continue to eat healthier at home."

During the second Wednesday of every month there is a physical activity programmed, followed by a gardening lesson hosted by McCollum the following Wednesday. "We partnered with Providence Little Company of Mary Hospital and a wonderful P.E. specialist named Jesus Mejia," McCollum said. "For the first three months, he is doing a move to music program and then he will do a fit for life series for three months, and the last one he is calling it Library Ninja Warrior. He is very high-energy, the kids love him and the parents participate in those as well."

The scheduled Wednesday activities are finished off with an art activity. "Last month what they did was paint rocks and they could have donated them to the Lawndale garden or they could take them home," McCollum said. "This month we are doing masks and the idea is overall to learn about healthy lifestyles, lessons about eating well and being active while being creative. That is what we want to accomplish."

Engaging parents and adults in these activities is just as important as motivating kids. Every Friday at 1 p.m. there is a volunteer opportunity for adults to work in the garden alongside staff. "Luckily we do have a lot of parents that come with their kids, or caregivers," McCollum said. "The parents have been very supportive and interested and excited about it."

For more information, persons interested can visit the website or contact McCollum at (310) 676-0177. •

Morningside Enjoys Homecoming Win Over Hawthorne

By Joe Snyder

In a pivotal game both for the host Morningside and Hawthorne football teams, it was the Monarchs that used an effective and balanced attack to defeat the Cougars 42-21 in Morningside's homecoming game last Friday at Coleman Stadium in Inglewood. With both teams tied at seven after the first quarter, the Monarchs, who are 4-3 overall and 1-1 in the Ocean League with the victory, scored three touchdowns in the second quarter for a 28-7 halftime lead and never looked back.

Morningside was led by running back Christian Williams, who rushed for 254 yards and three touchdowns on 21 carries. Quarterback Clarence Jackson also had a fine game for the Monarchs. He completed six of 14 passes for 94 yards, but threw for two touchdowns. He also rushed for 88 yards on 16 carries. Wide receiver Jomar Hart had a 38-yard TD reception and wide receiver Devon Ursery caught two passes for 34 yards and a score. Morningside head coach Derwin Henderson credited his whole offensive line, led by Efen Fitts, for good blocking and making holes for its backfield to score touchdowns or make big gains leading up to scores.

Hawthorne, which fell to 2-5 overall and 0-2 in league, came off a league-opening 27-7 home loss to Culver City on October 11 and was hoping to top the Monarchs in hopes of contending for its first CIF-Southern Section Western Division playoff spot in nine years. The Cougars, however, were unable to hold down the inspired Monarchs. Running

back Paris McDaniel continued to shine for Hawthorne. He rushed for 152 yards and two touchdowns on 17 carries.

Hawthorne will seek its first league win as it travels to Coleman Stadium for the second straight week to take on Inglewood Friday at 7 p.m.

INGLEWOOD FALLS SHORT TO CULVER

Inglewood High's football team lost a key Ocean League game to host Culver City 16-7 last Friday. The Sentinels, who are still in strong contention for a CIF-Southern Section Western Division playoff spot, had several scoring opportunities but managed only one touchdown on a five-yard run by Dejon Cash in the third quarter.

The loss put Inglewood at 3-4 overall and 1-1 in league entering Friday's home game against Hawthorne beginning at 7 p.m. Culver, which improved to 3-4 overall and 2-0 in league entering Friday's home showdown against powerful Santa Monica, was led by quarterback Armani Rodgers, who completed 12 of 27 passes for 186 yards and one TD. Donovan Davis added a 53-yard scoring run for the Centaurs.

LAWDALE CAN'T HOLD NORTH

Lawndale High's football team kept pace with host North Torrance, but the Saxons pulled away for a 42-21 win in Pioneer League play last Friday. The Cardinals jumped out to an early 13-0 lead, but all-around player Mique Juarez, who also starts at quarterback, started North off with an 88-yard kickoff return for a touchdown following Lawndale's second TD to spark the Saxons' run of 21

unanswered points.

Juarez also gave North (4-3 overall and 2-0 in league) a 21-13 advantage with a 12-yard scoring run before the Cardinals tied the game at 21 early in the third quarter on an eight-yard touchdown run by Austin Manigo. From there, the Saxons scored the game's final 21 points while holding Lawndale (4-3, 0-2) scoreless the remainder of the contest. Manigo had a pair

of touchdown runs of five and eight yards.

The game was a match-up between two highly regarded sophomore quarterbacks. Lawndale's Chris Murray completed eight of 13 passes for 123 yards and one TD, while North's Juarez completed seven of 17 passes for 197 yards and two touchdowns.

The Cardinals will seek their first league win when they host South Torrance, which came off its first win of the season at home against Compton Centennial 8-6 last Friday.

LAWDALE SPIKERS GET SWEEP

Lawndale High's girls' volleyball team fell to 0-5 in the Pioneer League and 3-11 overall after getting swept at home by Compton Centennial 25-10, 25-18, 25-11 last Friday. Being in just its second season after not having the program the previous three years, the Cardinals are mostly very young and inexperienced. Also, Lawndale's current first year head coach Wendy Debries was hired only two weeks before the start of school.

"It's rough to get the girls interested," Debries said. "All of my girls came in with little or no knowledge of volleyball. They've either never played volleyball before or just pickup matches on concrete. Our program is young and I want to get everybody together."

Despite the loss to the Apaches, the Cardinals had fine play from junior setter-outside hitter Brianna Megan, senior setter Cardeshia Hayes and outside hitter Taylor Sims.

Lawndale visits Torrance today and Pioneer leader South Torrance next Wednesday in 3:15 p.m. league matches. •

I hope you all liked the spinach recipe from last week. The next day, I took some of the leftover spinach and mixed it with eggs and made a great omelet for my wife. She loved it but didn't get to finish. She got up to answer the phone, and the dogs helped her clean the dish. Continuing with our Halloween garlic theme, this week we are going to make:

POTENTIAL BIDDERS: If you are considering bidding on this property, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. PETSPETS **Pets** PETSPETS

Pets Without Partners

Adopt a “pet without a partner,” and give a homeless pet a second chance in life.

The ghosts and goblins are coming soon, and **Spooky** is looking for a home just in time

Lucy

for Halloween. He is very happy-go-lucky in his personality and just a little cuddle bear. Spooky and his brothers, Boo and Merlin, are poodle-mix pups and were born approximately August 3. This litter of three boys was surrendered to our rescue--they are all happy, silly, playful, funny and, of course, darling! We are accepting applications only at this time and each of the pups will need to stay in the South Bay Beach Cities/North Orange County area. Spooky will be neutered when of age, is current on vaccinations,

de-wormed, microchipped, loves everyone he meets and is great with other dogs. Children in the household need to be over seven, please.

Lucy is a beautiful, golden, tri-colored Lhasa Apso mix who is full grown at 14 pounds and approximately three years old. This sweet girl loves everyone she meets and is particularly fond of men. She is a very mellow, go-with-the-flow, sweet dog who prefers adults to children. Lucy enjoys the company of other dogs, but does not play with them much. She would be a good candidate as an “only dog” or can easily live with a dog of any age, as she will not bother it. Lucy is also completely cat-safe. She has wonderful house manners, is not destructive inside and is also completely housebroken. She is wonderful on leash and will make a quick adjustment to your living situation. Lucy is spayed, current on vaccinations, de-wormed and microchipped.

To learn more about these and other wonderful dogs, visit our website at www.animalsrule.org. If a dog is on our website, it's available. Or come to our Saturday adoption events from 11 a.m. to 3 p.m. at 305 North Harbor Boulevard in San Pedro (just off the 110 near the cruise port). Spooky

Happy Tails

T-Bone (now Al) was a lost little pup with no collar or microchip. This little gem is now his new family's valued treasure.

“You guys, this dog is unbelievable! Unbelievable in that he is everything you said he was and beyond. We could not have asked for a more loving, playful, housebroken, calm and obedient dog than what we have in Al. He is my workmate at home and when I'm in the office, he is by my side. When he gets tired of hearing me on phone calls (or doesn't get the attention he wants), he saunters back to his crate until I come to him--I admit, he knows what he's doing. At night, he sleeps with my wife and I until we fall asleep and then lies at the top of the stairs/our doorway as if he's protecting our room. I love this dog. I cannot thank you all enough for everything you did to make this happen. I can't wait to introduce him to my kids this weekend. Thanks again for this amazing gift! *-Todd.*”

When you adopt a “pet without a partner,”

Purrrfect Companions

Add a little love with a new best friend when you adopt your purr-fect partner.

Flint is an adorable little love bug and purr machine. He's happy, fun, loving and full of

Vidia

energy. His slender body has an amazing silky black coat, and his big, round eyes are a soft yellow with shades of green. He loves to play with other cats and kittens, especially with his sister Vidia. Flint is friendly, easygoing and does well with new people around. He is not accustomed to dogs. His forever home will need to have a young kitty playmate for him. He would love to be adopted with his sister Vidia or with one of his foster buddies if you don't already have a friendly feline friend for him. Come take a look at Flint, as you will love his affectionate and playful nature. Sadly, black cats are the least likely to be adopted. Please be colorblind and give Flint a chance.

Vidia is a sweetheart with a lot of spunk. She is a dark tortoiseshell cat with shades of cream, orange, black and brown. Her eyes have a soft yellow shade with a hint of subtle green. In her foster home, Vidia enjoys the warmth from the sunshine and loves to take a catnap in the sun. She likes to play with other cats, however, she has no problem speaking up if someone is too rough with her or messes with her when she's not interested. Vidia is still a bit reserved with new people, and a quiet home without small children would be the best. She needs to be adopted into a home with her brother Flint or with another kitten as a play buddy.

These kittens/cats are available for adoption through Kitten Rescue, one of the largest cat rescue groups in Southern California. All of our kitties are spayed/neutered, microchipped, tested for FeLV and FIV, de-wormed and current on their vaccinations. For additional information and to see our other kitties, please check our website at www.kittenrescue.org, or email us at mail@kittenrescue.org. Your tax-deductible donations for the rescue and care of our cats and kittens can be made through our website or by sending a check payable to Kitten Rescue, 914 Westwood Blvd., #583, Los Angeles, CA 90024.

On Saturdays, we have adoptions from noon to 3 p.m. in Westchester at 8655 Lincoln Blvd., just south of Manchester Avenue, and also in Mar Vista at 3860 Centinela Avenue, just south of Venice Boulevard. Our website lists additional adoption sites and directions to each location.
