Jane Addams MS Gets Facelift from Weekend Sharefest Volunteers

By Nancy Peters

Jane Addams Middle School in Lawndale was given a facelift on Saturday, May 2 with the help of 200 volunteers. The age range was vast among the participants who came through, starting with preschoolers and advancing to senior citizens, and organized by Sharefest, founded in the South Bay 12 years ago.

The projects on the campus were designated by the District Maintenance Supervisor and the District Painter and Gardener, as well as with agreement from the school principal. However, the onsite Sharefest Manager for the day, David Navarro, a 6th grade teacher at the school and a member of Kings Harbor Church in Torrance, planned all the projects for the day, with the help of his students.

"We started out by the class making a presentation to the Sharefest founder, Chad Mayer; our school Principal Jennie Wright; the Lawndale School District Director of Maintenance (Jorge Ramirez); an elder from the sponsoring church (Kings Harbor in Torrance); and the Superintendent (Dr. Ellen Dougherty)," shared Navarro. "Students presented a PowerPoint indicating all the reasons why the project deserved their approval. For 6th graders to do public speaking, work together on the presentation, learn particulars on keeping the attention of your audience, and so many other things, was a great accomplishment."

The projects were approved, evidenced by the workday volunteers on the school campus on Saturday: the interior of the preschool, the classroom and computer room received fresh coats of paint; outer walls of the gymnasium were brightened up by soft off-white; the main garden at the entrance to the middle school was weeded, new flowers and succulent plants embedded into the squared-off boxes of the landscape; outdoor hallways, now a soothing green and the walkway-facing walls of each building under these shaded walkways freshened up. In general, the campus was cleaned up of

any miscellaneous trash, littering, and each grassy area raked, removing dead brush.

Tyvan, a 14-year-old Los Angeles 8th grader just accepted at Hamilton High School of the Performing Arts for the fall, was there to accompany his grandmother. This well-spoken young man was working in the garden with many other teenagers he had met just a few hours before, cleaning and raking weeds, spreading mulch, enjoying his time helping the community.

Alan Schmidt, a DB Admin at Dunn-Edwards Paints and a Gardena resident, was up on a ladder, paintbrush and Dunn-Edwards paint can in hand, when he mentioned the irony in the paint choice for the day and his company participation, unaware of the donation by Dunn-Edwards (20 gallons). Schmidt, a four-year Sharefest participant, previously painted murals on schools in Los Angeles and Gardena. He was enjoying painting the built-in shaded walkways, noting the new green is more pleasant than the previous orange the posts and ceilings were when the day started.

Three of Navarro's students, Nadia, Richard, and Krystal, were each excited to tell of their experience with the classroom project and all the day's work. Only Nadia knew of Sharefest as an event in the community, despite her first volunteering day. "I thought the community coming together was so much fun," Nadia said. "My family is here today helping, too. I really enjoyed the classroom projects we did, some on our own and others in groups with other kids."

Mr. Navarro previously worked on four other Sharefest Workdays at Jane Addams Middle School, but this year he just saw the way his students could not only participate in the 12th Annual Sharefest Saturday, but learn from each facet of the planning. His students acquired donations from approximately 20 local vendors, from the morning coffee (Starbucks) to lunch (Chick-fil-A), Costco (waters and cookies), Travers Garden Supplies (mulch), paint (Dunn-Edwards), to name just a few.

The students learned how to budget (using MS Excel). They learned valuable science lessons on the type of plants to use; the importance of what to plant next to other plants, or not; why weeding is important; and what paints yield the best weathering, etc.

There were lessons on public speaking; how to dress to impress and for success; using PowerPoint and the process of editing down the slides for maximum return on fewer words; and the art of persuasion to acquire donations. They learned how to properly write a business letter. Now that the workday has concluded, they will write thank you notes to all who donated, the organizations who participated (Kings Harbor Church, Olsen-Duncan, South Bay Church of God, Girl Scouts (who earned their Planting badges), Undivided (a multi-church youth organization), and LA25 Foundation of the Arts), and the original project approval group.

"The teaching during the project-based lessons really was enjoyable for me as a teacher," continued Navarro. "I watched the confidence development of the students. Many who thought they could never speak in a public forum surprised themselves. Teaching these 6th graders to be persuasive in getting donations from big companies, even though they presented to the local vendor (Starbucks, Costco, and Dunn-Edwards Paint), made them realize how important language arts is, using proper/correct grammar, writing complete sentences and being succinct, all of it, will carry them into business in the future, more prepared than others. And they came with such enthusiasm today as the work began. They are seeing the fruits of their labors.

"All-in-all, a really great day," David Navarro concluded. •

Sharefest is a community-based annual program, founded in 2002, in which Christian member volunteers participate in a community/development/improvement project, serving others through good works.

The Demands Of Tomorrow Are Facing Today's Accountants

(BPT) - Technology is rapidly changing all industries, including the accounting profession. An accountant from 30 years ago would barely recognize the field as it exists today, as mobile devices and cloud computing have begun to automate many of the day-to-day responsibilities of accountants. The integration of technology into all aspects of an accountant's daily duties - called "pervasive computing" - has enabled accountants to streamline customary duties such as data entry and offer more value-added services to their employers and clients.

This paradigm shift is opening up new opportunities for accountants to go beyond simply presenting the numbers and to assume leadership roles within the companies they serve. Today's accountants still need to have a solid grasp of a company's or client's financial situation, but have opportunities to go a step further by delivering insights and solutions to business-related concerns they're finding in the numbers, making them a valuable resource to the c-suite. They play a bigger role in counseling senior executives on the financial impact of budget decisions or by serving as trusted business advisors to their clients.

"More than ever before, accountants today have greater opportunities to assume strategic and consultative roles in the c-suite and for their clients," says Joyce Barden, CPA, accounting program chair and senior professor at DeVry University. "They're increasingly being viewed as an integral part of the business decision-making process."

Increased Upward Mobility

Barden says with the proliferation of technology streamlining and simplifying previously time-consuming tasks such as gathering and inputting data, accountants' roles will be elevated to higher-margin jobs that

emphasize their advisory skills. Some of these functions include consulting, information analysis and serving as a company's CFO or financial controller. These roles span CPA firms, corporations, government agencies and a myriad of other organizations. This potential for upward job mobility, along with the fact that the accounting field is expected to grow 13 percent between 2012 and 2022 according to the Bureau of Labor Statistics, makes the profession very appealing to recent graduates or seasoned accountants looking to advance their careers.

Soft Skills are Critical in Today's Environment

In order to fill the advisory role now

being asked of accountants, it is important for students to have the right education and skills to fit the part. For example, according to Robert Half International, soft skills are an often overlooked, but critical aspect of what makes a good accountant. Soft skills are personal attributes that enable someone to interact effectively and harmoniously with other people. Six soft skills that accountants should possess are: business knowledge, leadership capabilities, technical prowess, communication skills, customer-service orientation and multitasking/problem solving.

It's readily apparent why these interpersonal skills are just as important as the ability to crunch the numbers. Increasingly, today's

accountants are being relied upon to advise senior management and help make key business decisions, requiring proven business acumen, communication skills and problem-solving abilities. As accountants spend more time counseling their clients, a customer-service mindset becomes imperative. For job seekers at all levels, exhibiting these soft skills will provide a competitive edge over other candidates - as well as increasing the chances of success in this exciting industry.

How Can Students Prepare?

Despite this changing landscape, it's still imperative for accountants at all levels to have the requisite education and certifications. Many schools offer degree programs to meet the educational needs of both aspiring and seasoned accountants. DeVry University offers associate and bachelor's degrees in accounting and a Master's of accounting & financial management degree program through its Keller Graduate School of Management. Graduate students at Keller can simultaneously take CPA exam prep courses that integrate Becker Professional Education's CPA Exam Review. Students can complete the bachelor's and master's degree programs and complete CPA prep in as few as five years - a savings of two years, seven courses and more than \$10,000 in tuition.

Today's accountants are relied on as strategic advisors to senior management and their clients. Because of the quickly evolving field and need for strategic and analytical thinking, it is important that prospective accountants prepare themselves with not only the necessary degrees but important soft skills. This type of background will allow accountants to succeed in the field as it continues to evolve. •

RUN, FINISH AND CELEBRATE!

It was another beautiful day in Hawthorne last Saturday for the Hawthorne 5K Run sponsored by the Hawthorne Education Foundation. The rain had passed, the air was clean and the light clouds kept it cool for the runners. This year was special for me, my entire family ran the race including my four year old grand daughter Jordan. She ran, jogged, and walked the 3.2 miles with her nana, Linda. To see her face as she came to the finish line was priceless. She put the finisher's medallion ribbon around her neck and was so proud to announce to everyone that she had "run all the way" herself. There were plenty of others in the crowd who were completing their first race. You could see their feeling of accomplishment on their faces. They had never thought they could run 3 miles. Regardless of what their time was, what place they had come in, they had reached their goal. Life can be full of those little celebrations. Success is simply setting a goal and reaching it. Basically, we run, we finish and then we should celebrate. We should just stop and celebrate our successes regardless of how small. Go ahead have a "cold one", or at least stop by Starbucks on the way home and have a "cold one".

9K COMMUNITY DINNER – THURSDAY MAY 21

Each year the Presidents' Council of Hawthorne sponsors a community chicken dinner to raise funds in support of the HPD K9 program. This year the dinner will be held on Thursday, May 21 from 5 to 6:30 p.m. at the Memorial Center. Tickets are \$5 and only \$2.50 for children. There is a big raffle and the K9 dogs will be there to meet the community.

HISTORICAL SOCIETY MEETING

The next meeting of the Hawthorne Historical Society will be held on Monday, May 18 beginning at 6:30 p.m. at the Hawthorne Museum. Jerry Skaff will be our guest speaker. His father owned the Centinela Café on Hawthorne Blvd. just south of El Segundo Blvd for many years. One of their regular customers was Jim

Thorpe, the "world's greatest athlete". I'm sure we will hear some interesting stories told by Jerry as he recalls some events from the "good ol' days" of Hawthorne. Please join us for this evening of celebrating Hawthorne's past.

INFORMATION AVAILABLE

"An informed citizen is a good citizen" is an old saying used to encourage all of us to stay informed as to what is going on in our neighborhood, community, state, nation and world. The more we know, the more we are able to be a good neighbor and be an informed citizen when it comes time to vote in our elections. We have so many ways to stay informed. Recently, Nextdoor has become popular as a means of knowing what is happening in our neighborhoods. If you have not joined in on the fun, go to the website: nextdoor.com and in just a few minutes too you can be part of a network of neighbors. You will know when a dog or cat are lost or found, or when your neighbor is looking for a contractor to remodel their house. Better yet, you will know when houses or cars on your street are broken into. Get connected, stay informed.

IT'S ONLY A NUMBER

I hit the BIG '60' last week. For sixty years I have been roaming this planet. I heard many friendly comments like: "60 aint nothing, wait til you hit 80", "You're still young", or "60 is just a number". I must hang around a bunch of older folks. I don't feel OLD. Of course there are the old sayings: "You are as old as you feel.", and "If you have your health, you have everything." I guess I am getting OLD always using OLD phrases in my column. One old saying I never get tired of using is "Have a cold one!". Don't get me wrong, I'm not promoting drunkenness. I do not own stock in a brewery. I just encourage you to take life easy and enjoy the finer things that God has blessed us with.

Purrrfect Companions

Pippi

Looking for your purr-fect match? Come and meet this group of canine loving kitties.

Pippi and her siblings were rescued from the LA City Shelter system when they were just four weeks old. Dressed for every occasion from the tips of her white paws to the end of black tail, Pippi is perfect for every home. She loves to play with toys and is a huge cuddler. She gets along famously with other cats and absolutely adores dogs!! Pippi really loves her sister Beatrice; they love each other and spend lots of time in embraces and kisses. It would be wonderful for them to find a home together, but as long as Pippi has another kitty to play with she will be very happy.

Potter is a very sweet but quiet kitty. After taking a few minutes to warm up to you, he is an affectionate boy. Playful and loving, Potter would thrive in an adult home without the commotion of young children. However, he loves dogs and could also be a wonderful companion to a cat-loving canine. When he's looking for extra cuddles, Potter will nose bump you to gain your attention.

Skeeter is another dog-friendly cat. In fact, he really, really loves dogs. Skeeter is also very people oriented especially with teens and adults. This super loving and cuddly guy is bonded to his brother, Shy Guy, but he would be happy to be a buddy to another loving cat. From humans to dogs to cats, Skeeter is your all-round friendly guy.

Beatrice is sweet and playful girl, but not a cuddler. What she does like is a good belly rub. Beatrice will first check you out, and then it's time to play! This adorable girl is another fan of doggy friends. So whether her new friends are dogs or cats, Beatrice is ready for playtime fun.

These kitties are available for adoption

Skeeter

Donate Your Greens to SPCA Bunnies

Do you feel guilty throwing out the wilted lettuce? Feel bad over uneaten bruised apples? What will you do with that overabundance of zucchini from your garden when the neighbors say no more? The bunnies at SPCA would be delighted to help you with your dilemma! The SPCA has a lot of rabbits for adoption and would welcome your donations of "greens," vegetables, and fruit for their rabbits. (Did you know rabbits love bananas?!) Parsley, carrot tops, spinach, bok choy, squash, and apples are just a few of the many vegetables

and fruits they enjoy. So don't throw out that less-than-perfect produce in your house. Gather it up from your family and neighbors and head over to the SPCA, 12910 Yukon Avenue in Hawthorne.

Or maybe you like to adopt a veggie-loving friend of your own! Simba is one of the many rabbits waiting for a new home. He loves to cuddle and enjoys the company of people of all ages; he doesn't seem to mind cats either.

For questions or further information, call the SPCA at (310) 676-1149.

Donate your leftover greens to the SPCA and feed cute bunnies like Simba.

Pets can get loose or lost through mishaps and travel quickly. Microchip: it works!

Happy Tails

Margot was rescued together with her sister Genevieve. After spending sometime in foster care, Genevieve was adopted. Margot moved on to another foster home, so she would have kitty playmate. There she met Aurora and they became instant friends. Happily, when it came time for her adoption, their new family

welcomed both Margot and Aurora into their heart and home. Congratulations, Margot and Aurora (and Genevieve) on your purr-fect match!

When you adopt a "pet without a partner," you will forever make a difference in their life and they are sure to make a difference in yours. •

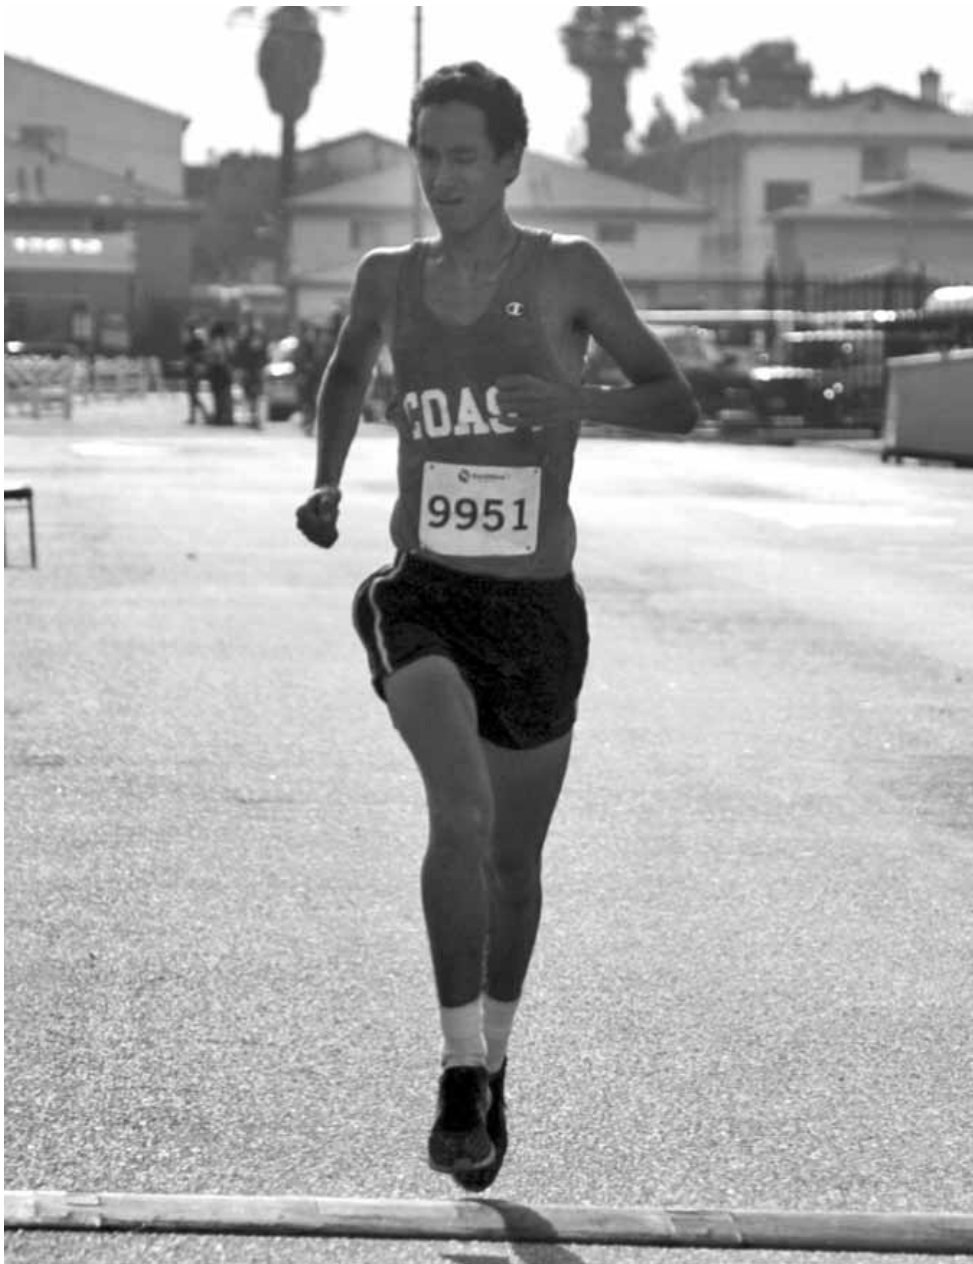

Margot (left) and Aurora are new besties.

Be kind. Save a life. Support animal rescue.

Eighteen-year-old Daniel Varga and seven-year-old Megan Crum were winners in last Saturday's Healthy Hawthorne Mother's Day Five-Kilometer Run that finished at Memorial Park.

A few minutes after Varga, a Huntington Beach resident who is currently a key member of the Orange Coast College cross country and track teams, finished his 3.1-mile race at 16 minutes and 53.5 seconds, the seven-year-old Crum sped to the finish line timing 21:13.5, which inspired the fans.

Crum, who lives in Lake Elsinore, won by more than a minute over 37-year-old

Seven-year-old Megan Crum won the Healthy Hawthorne Five-Kilometer Run in 21:13.5 on Saturday.

runner-up Prado Gabriela, who was timed in 22:22.4. Placing third was 45-year-old Connie Pendleton in 25:18.5.

Taking fourth through 10th, in order, included 23-year-old Hawthorne resident Cristina Hernandez (25:43.4), Katherine Marquez (age 15, Hawthorne, 25:52.4), Gabriela Sandoval (age 23, Lawndale, 26:20.2), Lesley Gonzalez (age 15, Los Angeles, 27:04.5), Trutanie Bljazvica (age 21, 27:38.1), Yayzeth Espinoza (age 14, 27:38.3) and Yessenia De La Cruz (age 10, Hawthorne, 27:59.3).

Varga was able to capture the men's and overall race by 16 seconds over second place Juan Valencia (age 35, 17:09.5). Varga felt that the race was a little longer than the five kilometers. He felt that the 3.1-mile point was at a gate on the east side of the Memorial Center, meaning that it was about 200 feet away. Varga was a CIF-Southern Section Division I distance running finalist at Huntington Beach High School, where he graduated last year.

He currently runs the 5,000- and 10,000-meter runs at Orange Coast. His personal beat five-kilometer time is 15:36 and 10 kilometers is 33:15.

Finishing third was Alexander Santana timing 18:00.5. Placing fourth through 10th, respectively, were Dylan Highducheck (age 15, Gardena, 18:04.8), Alex Garcia (age 16, Hawthorne, 18:05.7), Abel Monter (age 18, Lennox, 18:26.7), Angel Santiago (age 50, Hawthorne, 18:34), William Feliciano (age 48, 19:11.6), Andrew Tovai (age 15, Hawthorne, 19:41.4) and Pablo Rodriguez (age 17, Hawthorne, 19:45.4).

There were approximately 2,000 runners in the race that was held in conjunction with the Hawthorne Health Fair.

**CARDINALS EXCEL
IN OCEAN MEET**

Lawndale High's boys' track and field team had a strong showing in last Thursday's Ocean League Championships at Lawndale. In fact, sources were that the Cardinals, as a team, captured the meet as it edged Ocean dual meet champion Culver City. Scores were unavailable. The meet was marred by a few spurts of heavy rain.

Lawndale was led by hurdler Kean Cooksey who won the 110-meter highs at 15.72 seconds and the 300 intermediates clocking 41.52. Cooksey qualifies for the CIF-Southern Section Division III Prelims in both events, along with the 4x100 (second place, 44.51) and 4x400-meter (first, 3:31.15) relays.

Other runners on the Cardinals' winning 1,600 relay squad included David Broaster, Jacob Khiu and anchor Hassani Barrett.

Along with Cooksey, Justin Agurs, Nathan Sanders and anchor Barrett were on Lawndale's 400 relay, which was edged out by winner Culver City (44.43). The Cardinals also had wins from Jalen Walker in the long jump (20 feet, 11.5 inches) and basketball standout D'lano Beckles in the high jump (six feet). Lawndale, in fact, had first and third place finishes in the long jump and high jump as Bryant Perkinson was third in the long jump with a leap of 20-7.25 and Walker finished in that position at the high jump (5-8).

Lawndale had a second and third place finish by Anthony Gray (113-3.5) and Isaiah Lucas (109-4.5), in order, in the discus. Beverly Hills' Rashad Ysagillerrie won the event at 117-8.5. Broaster took second in the 800 timing 2:04.92. Santa Monica, which dominated most of the distance running events, had a one-two finish by winner Lucas Jackson (2:03.15) and runner-up Oliver Peake

(2:03.51), respectively.

Lawndale's girls were led by Ashley Calloway who was second in the shot put at 29-7. For Hawthorne's boys, Ryan McCoy had placed third in the 300 intermediate hurdles (43.77) and was fifth in the 110 highs (18.27).

The Cougar girls were sparked by Asia Allen who was third in the shot put with a toss of 29-4. El Segundo freshman Tatiana Willis won the event at 32-7.5.

In the Del Rey League Championships on May 6 at St. Paul High in Santa Fe Springs, St. Mary's Academy from Inglewood was led by Kyra Anderson who won the long jump (17-10) and finished second in the 100 hurdles with a very good time of 14.42.

The Belles' 4x100 relay team of Anaiah Brown, Aliyah Hale, Briana Shufford and Keshawna Myles placed second in 48.11.

In Friday's Bay League championships, Inglewood Morningside had a CIF-Southern Section Division III qualifying long jump of 20-10 for fifth place and its 4x400 relay team of Darrius Wilson, Jaylin Wright, Berry and anchor Torrey Allen finished third clocking 3:35.24. Redondo won the event at 3:25.04, followed by second place Mira Costa (3:29.19).

LAWNDALE STUNS EL SEGUNDO

Junior pitcher Tyler Bonsky pitched a three-hit shutout as Lawndale High's baseball team handed Ocean League leader El Segundo its first loss at 1-0 last Thursday at Lawndale.

The Cardinals scored the game's only run in the bottom of the first inning on a sacrifice fly hit by Salvador Mercado.

Lawndale, which improved to 2-6 in league and 10-11 overall, has some hope for a CIF-Southern Section Division III at-large playoff berth as it finishes its Ocean play at rival Hawthorne today at 3:15 p.m. •

Lawndale High's Keyaan Cooksey clears final hurdle in winning the 300-meter intermediate hurdles at 41.52 in last Thursday's Ocean League Track and Field Championships.

The total amount of the unpaid balance of the obligation secured by the property to be sold and reasonable estimated costs, expenses and advances at the time of the initial publication of the Notice of Sale is: **\$626,728.63.** **If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee, and the successful bidder shall have no further recourse.** The beneficiary under said Deed of Trust heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and a written Notice of Default and Election to Sell. The undersigned caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. **NOTICE TO POTENTIAL BIDDERS:** If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens

senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. **NOTICE TO PROPERTY OWNER:** The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (619) 590-1221 or visit the Internet Web Site WWW.DLP-PLLC.COM using the file number assigned to this case 1384634-31. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web Site. The best way to verify postponement information is to attend the scheduled sale. FOR SALES INFORMATION: (619) 590-1221 **CAL-WESTERN RECONVEYANCE LLC 525 EAST MAIN STREET P.O. CASE NO. BP162443
To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of JOHNNI V. HICKMAN.
A PETITION FOR PROBATE has been filed by TAMRIE L. FREEMAN in the Superior Court of California, County of LOS ANGELES. THE PETITION FOR PROBATE requests that TAMRIE L. FREEMAN be appointed as personal representative to administer the estate of the decedent.
THE PETITION requests the decedent's WILL and codicils, if any, be admitted to probate. The WILL and any codicils are available for examination in the file kept by the court.
THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.
IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.
Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.
YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
