Lawndale High School Breaks Ground on New Student Center

Lawndale High School broke ground this week on a two-story, 42,000 square foot building which will open during the 2016-17 school year. City Council Approves Amendment to Hawthorne Boulevard Specific Plan

By Nancy Peters

Recognizing the need for creating a new commercial zone, specifically for a 2.1 acre area on the southwest corner of Hawthorne Boulevard and Manhattan Beach Boulevard, in order to generate additional tax dollars from retail establishments, the Lawndale Community Development staff presented a proposed amendment to the municipal code ordinances at the Monday City Council meeting. The proposal includes the changing the zoning from "Office Commercial" to "Retail Commercial." This new zoning will exclude any development in this quadrant that is not retail. Excluded from being developed on the acreage are business offices of any kind; medical or dental practices; personal services, such as nail salons, dry cleaners, barbers, or beauty salons; insurance agencies; and lodging establishments of any size.

The proposal was originally presented to the Planning Commission and approved unanimously for presentation to the City Council. The retail establishments that would be allowed to be built and permitted for this land are primarily restaurants, clothing stores, shoe stores (not repair shops), flower shops. Retail shops and/or restaurants can bring more of a catalyst for one of the most important intersections in the community. The opposite quadrant on the northeast corner of the same intersection is occupied by a CVS store.

A CEQA study was completed for the acreage, but individual CEQA reviews will be needed for any specific development. A Negative Declaration is included in the ordinance amendment.

A public hearing was held for the proposal and the City Council approved (4-0, with Councilman Daniel Reid absent) the amendment, the Negative CEQA Declaration,

and the Ordinance 1108-15 to establish the new Retail Commercial Zone in the Hawthorne Boulevard Specific Plan and zoning map.

Two proclamations were approved in the consent agenda to declare May 17-23 as National Public Works Week and May 2015 as CalFresh Awareness Month, in agreement with a request from Los Angeles County.

During the Public Safety report from the Los Angeles County Sheriff's Department advised of two important incidents in Lawndale within the last two weeks. A victim had her vehicle stolen, at gunpoint, in the 14600 block of Hawthorne Boulevard. Los Angeles Police Department (LAPD) patrol officers noticed the reported vehicle in the area of the LAPD Newton Division being driven by what turned out to be the same suspects and a pursuit ensued. The reckless driving to avoid the police resulted in the suspects crashing and flipping the stolen car. The suspects were handed over to the Sheriff's Department, arrested and booked for armed carjacking with felony charges and other enhancements. Also reported was a sexual assault by a male juvenile upon a female juvenile near the train tracks in the 4600 block of 172nd Street. The victim was able to provide a description of the suspect, who was located by deputies as he ran along the tracks trying to get away. He was arrested and booked for felony assault with special circumstances. The Sheriff's Department reminds citizens to remove all valuables, such as purses, wallets, jewelry, suitcases, cell phones and cords, from your parked vehicle to avoid break-ins to your car.

Golden State Water Company will be holding a local Water Conservation meeting on Tuesday, May 26 at 6 p.m. in the Lawndale City Council Chambers and invites all citizens to attend to learn about the recommendations to deal with

the mandatory water use restrictions due to the statewide water shortage, the enforcement mechanisms to be imposed on all citizens and customers, the recommended conservation rebates and programs and the water usage schedules for outdoor irrigation. Mandatory water use restrictions, drought emergency surcharges, other program highlights, available water flow devices and other equipment to assist in conservation. Lawndale residents should be aware of the use of reclaimed water that is available for use by the city for plants and lawns. Several citizens mentioned in oral communications that the selection of the weekend days for allowable outdoor irrigation should be reconsidered since weekends are when most people are not working and potentially using water for reasons other than irrigating their outdoor areas.

Several senior students from the Environmental Charter High School addressed the City Council on the need for a local program for veterans who are homeless, may suffer from Post-Traumatic Stress Disorder due to circumstances surrounding deployments, and other needed treatments for possible disabling disorders or syndromes. As part of a Senior Project the students are studying a social issue that affects their community and researching ways to make recommended solutions to the civic leaders. The City Council suggested that the students explore the Los Angeles County PATH program that is planning future expansion into the South Bay to assist veterans. It was also suggested that they contact local federal representatives about funding a local program, as well as the Department of Veterans' Affairs in Washington, D.C.

The next meeting of the Lawndale City Council will be held on Monday, June 1 at 6:30 p.m. •

Three Hawthorne Officers Received Medals of Valor

Hawthorne PD officers Shaun Kemp, Michael Murray, and Gustavo Rubio received the Medal of Valor "Life Saving Award" by a committee of the joint South Bay Chambers of Commerce. The awards were presented at a luncheon on May 20th, and the guest presenter was KTLA anchor Glen Walker.

Officer Shaun Kemp has been with the

Officer Shaun Kemp

Hawthorne PD for five years and is a certified EMT and Tactical Medical Instructor. In 2014, Officer Kemp responded to a radio call and found a non-responsive baby girl at the scene. When Officer Kemp ascertained that the baby was not breathing, he began infant CPR and "mouth-to-mouth" breathing for several minutes until the fire personnel arrived. The ambulance personnel were able to regain a pulse during the ambulance ride, and the baby recovered. Officer Kemp received the Life Saving Award for his quick response and actions.

Officer Murray, an EMT and Tactical Medical Instructor who has been with Hawthorne PD for seven years, also responded to a call in 2014 of a child barely breathing and blue around the mouth. Officer Murray found the child in dire respiratory distress and used his "Bag Valve Mask" to provide lifesaving breaths for the child. When paramedics arrived, they were able to take the child to the hospital for treatment and recovery. Officer Murray was awarded the Life Saving Award for his fast decisive actions.

Officer Rubio is a 14-year member of the City of Hawthorne, and has worked in the Patrol Officer, Motor Officer, and SWAT

Officer Michael Murray

departments. In February 2014, Officer Rubio was attending his daughter's volleyball game when the mother of a player collapsed in the bleachers. Officer Rubio quickly assessed the woman and determined that her condition was critical. He quickly began administering CPR

Officer Gustavo Rubio

and continued with the help of the woman's husband until another person arrived with an Automated External Defibrillator (AED). Officer Rubio used the AED to regain the woman's pulse, and then the fire department personnel were able to transport her to the hospital. Officer Rubio's extensive training and knowledge prepared him for this important task and he also received a Life Saving Award. •

Hawthorne Citizens Deserve Better

Hawthorne's Mayor and two city councilwomen are again showing their true colors when it comes to being fiscally and ethically responsible. At the May 12th Hawthorne City Council meeting, Councilwoman Valentine stated they (the council) are "perfectly capable of policing (themselves) and using city funds judiciously." Really? This majority voting bloc seems to only know how to excessively spend on themselves as evidenced by the recent financial scandals attributed to Mayor Brown. Other governing bodies are required to seek approval for trips and conferences. Hawthorne's mayor and council should be no different. That would be true transparency. The people have yet to see any positive outcomes from these trips and junkets that benefit the citizens.

To add misery to insult, Councilwoman

Valentine also asked for support of a California State bill which would lower the voting threshold to 55% from the current two thirds required to pass more taxes on to the people for use on transportation projects. The dissent from the citizens and Councilpersons Michelin and Vargas was loud and clear, yet she continued to push and try to justify making it easier to impose more taxation on the taxpayers in a state and city that has been less than responsible when it comes to managing our money. Our income is not going up, Hawthorne has the highest unemployment rate in the area, our poverty rate is also among the highest and yet these clueless politicians want more. The citizens of Hawthorne deserve better than Mayor Brown and Councilwomen Valentine and English.

9K COMMUNITY DINNER – THIS THURSDAY

Each year the Presidents' Council of Hawthorne sponsors a dinner to raise funds in support of the HPD K9 program. This year the dinner will be held on Thursday, May 21 from 5 to 6:30 p.m. at the Memorial Center. Tickets are \$5 and only \$2.50 for children. There is a big raffle and the K9 dogs will be there to meet the community.

MEMORIAL DAY OBSERVANCE CEREMONY

The Hawthorne American Legion and the VFW Post join together to sponsor a Memorial Day ceremony at the memorial marker out in front of the Betty Ainsworth Sports Center which is just East of the Memorial Center at 3901 W. El Segundo Blvd.

The ceremony begins at 10 a.m. and will be followed by a luncheon.

FLY YOUR FLAG

This weekend is a great weekend to find your American flag that you have stored away in the closet and fly it proudly in front of your house to honor our country and the men and women who have given of themselves to defend us against enemies foreign and domestic. It's great to see a lot of flags flying all over Hawthorne. I wish more people would spend the money and take the time to do something patriotic.

A REAL AMERICAN HERO

I had the privilege to visit with a very special veteran recently. His name is Bob Farnier. He lives in Vista and just happens to be my brother-in-law's father. I had heard a few stories about his military service, but until I sat down in his living room to converse with him, I didn't realize what a great American story his life has been. After running away from his Colorado home at age 15, he hitched a ride on a freight train ending up in San Francisco. He sold flowers to make some

money. He lied about being 18 to enlist in the Marines and was sent to China during WWII. He was transferred to Manila when the Pacific Theater heated up and was assigned to help guard General MacArthur. The Japanese army overran the island and took him to the worst of the worst prison camps in the Philippines. In that prison he had

both of his arms broken and his head smashed against the brick walls numerous times. After more than a year of torture Bob was loaded onto a slow barge of a boat and taken to mainland Japan where he found the prison work and treatment much easier to tolerate. Later he found out from a US submarine commander that they decided not to waste a torpedo on his rickety old boat. After the Japanese surrender, Bob and his POW buddies boarded trains to begin their trip back to the States. Bob loved the action. He loved his service to his country. He reenlisted several times after WWII and served his country in the Korean War. Bob came very close to signing up again to go to Viet Nam. In his retirement, he started an animal rescue farm in his large back yard of his home on a hill in Vista. For two decades he had mountain lions, coyotes, cougars, exotic birds, and even an alligator roaming around the caged area of his property. I only sat down for 30 minutes or so to talk with Bob. I told him we need to write a book. He told me I would have to sit for a week to recount everything. We honor Bob and all of the veterans who served their country so proudly this Memorial Day Weekend.

St. Mary's Seeks Division Title

By Joe Snyder

St. Mary's Academy's girls' track and field team had a good showing in last Saturday's CIF-Southern Section Division IV Prelims at Carpinteria High in South Santa Barbara County. With some top times and marks, the Belles hope to be challenge for the Division IV crown at the Southern Section Divisional Championships starting at 11 a.m. Saturday at Cerritos College. St. Mary's had the top overall time of 15.09 by senior Kyra Anderson in the 100 hurdles.

St. Mary's 4x100-meter relay team of sophomore Alex Sanford, junior Aliyah Grissett, sophomore Mya Fabien and Brooklin Johnson had the third best overall time of 47.21 to advance to the finals. Oaks Christian from Westlake Village, who most observers tab as the team favorite for the Division IV title, won the race at 46.76 followed by rival Gardena Serra (47.2), which defeated the Belles by just .01 of a second.

Senior Alijah Hale finished second overall in the 400-meter dash timing 57.6 and was third overall in the 300-meter hurdles in 45.2. In the 100-meter dash, seniors Brianna Shufford and Anaiah Brown were fifth and sixth clocking 12.3 and 12.36, in order.

The Belles' 4x400 relay squad of Grissett, Johnson, Fabien and Sanford took second, behind Oaks Christian, at 3:59.38. The Lions clearly had the meet's top time of 3:55.41. Serra (4:07.39) was a qualifying third. St.

Mary's field events were led by Treasure May who placed seventh overall in the triple jump at 34 feet, one inch.

In the Southern Section Division II Prelims Saturday at Moorpark High, Lawndale had just one automatic finals qualifier in Bryant Perkinson in the triple jump at 42-10, good for seventh place overall. Perkinson did qualify as an alternate in the long jump with a leap of 20-10.5.

D'lano Beckles, who helped the Cardinals' boys' basketball team to runner-up finishes in the CIF-Southern Section Division IIAA and Southern California Regional Division II playoffs this past season, also was an alternate qualifier in the high jump, tying for 10th place at 5-11.

Despite not making the finals in the 300-meter intermediate hurdles, Lawndale's Kiyaa Cooksey took 14th with a personal best time of 40.96. Cooksey was the Ocean League champion in the 300 intermediates and the 110 highs, as well as being on the Cardinals' league champion 4x400 relay team, which failed to move on after placing 14th overall in 3:27.61.

No athletes from Hawthorne, Leuzinger, Inglewood or Morningside advanced to the divisional finals. The top nine finishers from the four divisions, combined, advance to the Southern Section Masters Championships on May 29 at Cerritos College, with, at least, the top five overall plus at-large competitors with

California state qualifying marks and times, moving on to the state championships on June 5 and 6 at Buchanan High's Memorial Stadium.

HAWTHORNE SOFTBALLERS FINISH THIRD

Hawthorne High's softball team finished third in the Ocean League at 5-4 and advanced to the CIF-Southern Section Division III playoffs, which began this week. The Cougars clinched a playoff spot by downing host Culver City 8-4 on May 12.

Sophomore Vanessa Perez sparked Hawthorne by going three-for-four with one run batted in and two runs scored. Junior Alyssa Casillas had a three-run double and scored a run. Last Thursday, the Cougars' home game with rival Lawndale was canceled due to rain.

Hawthorne ended its regular season at 15-8-1 and finished behind champion Santa Monica and second place El Segundo, which rolled over the Cougars 9-2 on May 7 at El Segundo's Richmond Field.

ANIMO ADVANCES TO PLAYOFFS

Despite closing the Harbor League with an 8-1 home loss to Sage Hill Prep from Newport Beach on May 12, the Animo Leadership High baseball team from Inglewood finished third in league and move on to the CIF-Southern Section Division VII playoffs, which began on Wednesday.

Sage Hill is ranked third in Division VII. Sage Hill scored twice in the top of the second

inning, then added three more apiece in the fifth and seventh innings to put the game out of reach in the contest held at the Urban Baseball Academy in Compton.

The Aztec-Eagles had only two hits as they scored their only run in the bottom of the sixth. At Jane Addam Park in Lawndale on May 7, the Aztec-Eagles rolled over Lawndale Environmental Charter 14-3.

Saul Gutierrez sparked Animo going three-for-three with four runs batted in and three runs scored. Angel Barron was three-for-three with three RBI's and three runs scored. Winning pitcher Cesar Rocha pitched two scoreless innings allowing two hits and striking out four batters. Sergio Orejel and Erik Lopez also pitched for Animo. The Aztec-Eagles are 14-6 overall.

HAWTHORNE EDGES LAWDALE

Hawthorne High's baseball team won its first Ocean League game over host Lawndale 4-3 on May 12. The Cougars ended league at 1-8 due to their home game against the Cardinals being canceled due to rain.

Hawthorne's win also ended any playoff hope for Lawndale, which upset El Segundo 1-0 on May 7 at Lawndale. On May 12, Chris Phelps went one-for-three and scored a run. Max Riley drove in a run with a double. Neither team made the playoffs in a league where El Segundo and Santa Monica tied for the league championship and Culver City placed third. •

Spinach Turkey Sliders with Lemon Yogurt Sauce

Serves 10 | Prep time: 25 minutes | Total time: 45 minutes

Ingredients

- 1 can Pillsbury(TM) Grands!(TM) Jr. Golden Layers Butter Tastin'(TM) refrigerated biscuits (10 biscuits)
- 4 tablespoons Crisco(R) Pure Olive Oil
- 2 teaspoons Watkins(TM) Sesame Seeds
- 1 box (9 ounces) Green Giant(TM) Steamers(TM) frozen chopped spinach
- 1 1/4 pounds ground turkey
- 2 containers (5.3 ounces each) 100-calorie fat-free lemon Greek yogurt, stirred
- 1/4 teaspoon Watkins(TM) Garlic Powder

Preparation

1. Heat oven to 400 F. Separate dough into 10 biscuits and place 2 inches apart on ungreased cookie sheet. Brush tops of biscuits with one teaspoon of the oil. Sprinkle with sesame seeds and press in lightly. Bake eight to 11 minutes or until golden brown.
2. Meanwhile, microwave frozen spinach as directed on box for 3 to 4 minutes to thaw. Drain well and squeeze dry with paper towels. In large bowl, gently mix spinach, ground turkey, 2 tablespoons of the yogurt, the garlic powder, 1 1/4 teaspoons salt and 1/4 teaspoon pepper just until combined. Shape mixture into 10 (3-inch) patties.
3. In 10-inch nonstick skillet, heat two tablespoons of the oil over medium-high heat. Add 5 patties and cook 4 to 6 minutes, turning once, until meat thermometer inserted in center of patties reads 165 F. Drain on paper towel-lined plate. Repeat with remaining oil and patties.
4. In small bowl, mix remaining yogurt, 1/4 teaspoon salt and 1/4 teaspoon pepper until blended. Split biscuits and spread 1 tablespoon yogurt sauce over cut side of each bottom biscuit. Fill biscuits with patties. Serve with remaining yogurt sauce.

PETSPETS **Pets** PETSPETS

Wowser Schnauzers

Icey has a beautiful ice-white coat.

We are looking for volunteers to help with our pet adoption fairs which are held every Saturday at the Petco located at 537 N. Pacific Coast Highway Redondo Beach 90277, from noon-3:30 p.m. If you are interested in volunteering and can commit to at least one Saturday a month, please contact us at info@msfr.org. You can also visit all of our Miniature Schnauzers & Friends rescues at the adoption fair or check out our website, www.msfr.org. If you have any questions about a particular dog's availability you can email us at info@msfr.org. Schnauzers! But you can't adopt just one!

Looking for a beautiful one-year-old Miniature Schnauzer mix? Then come to our adoptions and ask for **Icey!** My white coat glistens like snow and I have the most expressive eyes that look into your heart. I have no idea why my owner surrendered me to a LA county shelter where I resided for two weeks prior to being rescued. I was supposed to be transported up north but as fate would have it, I missed my ride due to a scheduling conflict. Now I'm looking for my forever home in sunny Southern California. I'm a bit of lady at 14 pounds but it's just the perfect size for snuggling.

If you are interested in Icey please email info@msfr.org for more information.

Don't let my name, **Newman**, fool you – I'm a whole lot cuter than Seinfeld's neighbor!!! I was born in December of 2014 to, our best guess, Miniature Schnauzer/Cocker Spaniel parents. Thankfully, I was rescued from the LA county shelter where I was called a "stray." The strange part is that I was brought in with another "stray" pup the same age – could we be siblings? A different group rescued my friend so I can't ask him if we're related and my memory is a bit fuzzy about my life back then. Since my current weight is about 14 pounds it's expected – but not guaranteed – that my adult weight should be 20-25 pounds. I'm cute as a button and love to play so please come visit adoptions as see what a great guy I am. If you are interested in Newman please email info@msfr.org for more information.

Please, let me introduce myself. I am **Arabelle** and if you're looking for a petite, 13-pound Miniature Schnauzer/Poodle mix I am your girl. I'm fully grown at three years of age so I will always be the perfect size for your lap. I am a bit shy and I prefer a quiet home without a lot of chaos. I was adopted in 2013 by a nice couple and while

Newman is a Cocker/Schnauzer mix.

I trusted my "Mom" I just couldn't warm up her husband. The nice folks at MSFR took me back and realized that I needed

some special desensitization training to cope with me fears. Well, I'm here to tell you it worked! I'm now ready for my new forever home so please I'm willing to give you a chance if you are willing to give me one. If you are interested in Arabelle, please email info@msfr.org for more information.

Hello – my name is **Stuart Little**. I am a two-year old male terrier mix who will steal your heart. I was rescued from a high-kill shelter in San Bernardino after what is considered a lengthy stay of three weeks. My personality and temperament made me stand out and I became a shelter favorite in no time. I really am a joyful, sweet, fun-loving guy. Everyone loves me and I love everyone. I'm very friendly with people and I get along great with other dogs - both large and small. I've got lots of energy and like to play but I also love to lie quietly in a lap to be petted. I'm only 14 pounds and full grown so I won't outgrow your lap and I'm a great cuddle bug! I travel well in the car and I'm crate trained so what more can you ask for? Stuart Little can be seen anytime at Yellow Brick Road Doggie Playcare in El Segundo Call 310-606-5507 or email southbaydoggie@hotmail.com for appointment. •

Happy Tails

Farley has found a new home with many new Schnauzer friends to play with.

Congratulations to **Farley** and his new family. Farley is the 4-year old male Miniature Schnauzer who has "cauliflower ears" due to untreated hematomas. His new family includes a 15-year old Miniature Schnauzer, and two boys to call his own! We also learned that other family members have Schnauzers so

there will be plenty of Schnauzers to play with at family get-togethers. Farley's folks had a 13-year old Schnauzer that passed on and they just had to open their hearts to another one. We wish them many adventures and loads of happiness. •

THE YELLOW DOG PROJECT.com

If you see a dog with a **YELLOW RIBBON** or something yellow on the leash, **this is a dog who needs some space.** Please do not approach this dog with your dog. Please maintain distance or give this dog and his/her person time to move out of your way.

There are many reasons why a dog may need space:
HEALTH ISSUES
IN TRAINING
BEING REHABILITATED
SCARED OR REACTIVE AROUND OTHER DOGS

THANK YOU!

Those of us who own these dogs appreciate your help and respect!
