The City of Lawndale Taking Care of Business in New Fiscal Year

By Nancy Peters

In Lawndale on Monday evening, the City Council met for the first time in the new fiscal year with a balanced budget. For the last seven months, the city has been adjusting to the death of its longtime mayor; governing with a Council that was one member down; and now with a new mayor and one new appointed City Council member, Lawndale appointed a new Planning Commission and new members to most commissions and committees.

On Monday, the Senior Citizen Advisory Committee membership was increased to 12 members since there had been 12 people who applied for the 10 positions that had previously been the approved number for this committee. Although the two extra positions are actually filled by virtue of the new resolution, bringing the number of members to 12, there is an opportunity for residents to apply for the two additional positions on the Senior Citizen Advisory Committee.

In addition, the Personnel Board was appointed with five members ratified as follows: John Clark and Mercedes Santacruz, both incumbents; and Ryan Hafner, George Pelzl, and Golden Thrower.

Other business discussed included the approvals to set the date, hour and place for a public hearing to consider whether to vacate a portion of Osage Avenue between 167th and 168th Streets immediately adjacent to the location of Hogan Park and the 405 Freeway. With the City Council approval now in place, a public hearing will be scheduled and announced through the normal channels. The street would be vacated to accommodate the expansion of Hogan Park, if that expansion is approved.

The city of Lawndale has been subsidizing the full payment due when vehicles are legally towed from the streets of the city, which costs \$128, by only citing the offending vehicle owner for a \$78 citation. The City Council approved an increase to \$93 effective immediately and increasing the fine to \$128 effective January 1, 2015. The vehicles towed, stored and/or impounded are assessed a fine to compensate for the charges that are incurred by the city for the tow, any storage, and then the impounding of vehicles at a towing company yard.

The annual Investment policy was reviewed and approved by the Council, along with the adoption of the government spending limitation and appropriations for the fiscal year 2014-2015. The Senior Nutrition Program and Case Management Services were approved with the contract services agreements in conjunction with the city of Gardena and the senior case management services provided for that city's citizens. The William Green Park will have

new playground equipment installed as a result of the approval of the construction contract awarded to Malibu Pacific Tennis Courts. Planning Commission staff presented a proposal to allow the minimum dimension of property-front setback parking pads to be 17 feet rather than the 20 feet that currently exists in the Municipal Code; however, the City Council rejected the proposed change by a vote of 4-1, with Council member Daniel Reid casting the dissenting vote.

Lieutenant (Lt.) John Hocking from the Los Angeles County Sheriff's Department presented a report on the illegal fireworks enforcement in the city on Independence Day, July 4. The Sheriff's Department and the Los Angeles County Fire Department, in cooperation with the city of Lawndale, provided flyers at recent community events, at the fireworks booths, on Nixle and social

media, on the 405 Freeway electronic billboard, and in the newspaper and The Lawndalian, all warning about the use or possession of illegal fireworks and the consequences of large fines and arrest and jail time. One of the most effective means of communication, which resulted in no illegal activity at these locations, was for Lt. Hocking to personally visit the previous year's violators at those residences and warn them with the flyers handed to the residents.

The holiday patrols included 16 extra deputies on duty in Lawndale, with eight additional cars. These patrols responded to any smoke in backyards or any 911 calls to report illegal fireworks discharge. These responses resulted in 27 citations written at 25 different locations, two felony arrests, and the seizure of 120 lbs. of illegal fireworks, which were handed off to the L.A. County Fire Department. Illegal fireworks were found on every street, in every alley, in open car trunks, and within packages of the Safe and Sane fireworks. Several residents were uncooperative with the deputies and were verbally abusive to them. In these cases, the deputies left the scene after confiscating the visible illegal fireworks, which were purchased outside of Lawndale. Suggestions were made to send a flyer to every resident next year as the July 4th holiday is approaching and to display warning flyers in storefront windows. A few citizens thanked the Sheriff's Department for their perseverance and diligence in the fireworks matter.

The South Los Angeles Station Sheriff's Department captain who leads the deputies that are law enforcement for Lawndale has been reassigned. Captain Eli Vera was presented a plaque by the City Council in appreciation for his service to the city. His replacement, Captain Ron Williams, was introduced by Lt. Hocking. Captain Williams is a 32-year veteran of the department and a native Angeleno.

The next meeting of the Lawndale City Council will be held on Monday, July 21 at 6:30 p.m. •

"The South Los Angeles Station Sheriff's Department captain who leads the deputies that are law enforcement for Lawndale has been reassigned."

Mychal's Learning Place Looks to Future as Programs Expand to Adults

By Brian Simon

Twelve years after its humble beginnings in a Hawthorne church with just four staff members and 16 students, Mychal's Learning Place has grown to now provide services for over 100 children and young adults in a 10,000-square foot facility on Rosecrans Avenue it moved into in 2011—and has become a community and South Bay fixture with supporters far and wide. Ed Lynch originally founded the center as a way to create programs to enable youth with developmental disabilities to live independent, fulfilled and productive lives. He named it Mychal's Learning Place after his daughter who passed away in 1996 at the age of seven. "Mychal was born in 1988 and at the time, her mother was involved with the adult day program group LA GOAL and I started volunteering with the Special Olympics—though I questioned why I was working with this population," Lynch recalled. He would soon have his answer. Though Mychal initially appeared to be normal, by the age of two it became clear that she was

developmentally and physically disabled. Given only a couple of years to live by doctors, she managed to fight on for another five and a half before finally losing her battle. "Mychal's spirit was amazing," Lynch noted on his website. "She taught me so much about life and the importance of today and, sadly, about the lack of resources, programs and services available to parents of children with developmental disabilities." Six months after Mychal's death, Lynch jumped at an opportunity to run an after-school program for special needs in Hawthorne and did so until 2002. The experience provided him with the tools and skills to get to the next level. "I wanted to do more than what we were doing and I always knew I would eventually start my own program," Lynch said. "Four days before I opened, the other program closed its doors and all the families moved to Mychal's." Raising the start-up monies was not an easy task, but Lynch received a major lift from none other than rock and roll legend David Bowie. "He signed

a guitar and donated it... and then his organization designed our logo and put up our first website," Lynch said. "That really got us going." Today, Mychal's Learning Place boasts a staff of 24 with programs that include sports and fitness classes, gardening, computers, music and dance, karate and bowling. A second site opened in Culver City in 2006. Though initially geared towards middle and high school kids in the 13 to 18 age range (the facility is technically licensed for children as young as eight), Mychal's launched a new adult program called "Path to Independence" for ages 18-30 in June 2013 focusing on independent living skills and job training. "We teach them cooking, on-the-job training, community integration, shopping, doing laundry, computer skills and maintaining personal hygiene with the goal to move them out of the program," Lynch said. "They go to the market on Monday, buy their own food, go through self checkout and then prepare lunches and clean up after themselves. They do what you and I do. These are skills and tools to give them more choices as they get older."

Lynch initially thought the adult program would primarily focus on job training, but it turned out that teaching basic life skills rose to the forefront. "Just their being able to maneuver through the community is very limited, but we know they're capable and able, he said. For the job-training element, Lynch established partnerships with several businesses allowing the students to go out into the community for internship work. The list includes International Garden and Floral Design Center, El Segundo Museum of Art, Murad, and Centinela Feed and Pet Supply. Modernica, a Downtown Los Angeles furniture store, is expected to be the first company to officially hire a Mychal's student. Additionally, Kinecta Federal Credit Union provided students with bank accounts to help foster budgeting skills. "We're looking to build relationships with businesses," Lynch said. "Participating in these internships doesn't mean that's what these students want to do for work, but they can build the skills and confidence to interview, understand being on

time, maintain proper hygiene and learn how to interact with co-workers.”
 With the adult program now up and running, Lynch hopes to further expand Mychal's reach by launching service- and product-based offshoots. One is a mobile auto detailing business for the adult students. “We are still getting the quality up to where it needs to be because we want customers to come back again in two weeks and not just go for the novelty of it,” Lynch said. The product is a new cat-climbing structure in the final stages of design before hitting the marketplace. “It's not that we need another cat-climbing structure, but if you were walking into a store and had a choice of buying two identical ones and you knew one provided jobs for those in special needs, I would hope you would have a heart and want to support that.”
 Speaking of support, Mychal's as a non-profit must rely on outside help to keep its doors open. The families don't pay for the program. The facility receives about 60 percent of its funding from the State, with the rest through grants, donations from foundations and area businesses, and fundraisers. Annual events include a May luncheon, a poker tournament (upcoming on August 9) and a December

art show.
 While the above events may yield about \$100,000 a year cumulatively, Lynch hopes to raise a minimum of \$500,000 to realize his most pressing immediate goal—to purchase the building in Hawthorne. “We're paying more in rent than what the mortgage will be,” Lynch explained, adding that the move would save a minimum of \$100,000 a year that can be used towards new programs and other expansions. “My goal in doing this is to secure a future for the children long after I'm gone so her name [Mychal] continues on and generations of families will have a place to come.”
 Lynch invited anyone interested in seeing the facility to come in for a tour. “We want people to see for themselves,” he said. “To see the students do what nobody said they could do, to see them in the kitchen working as a group, using knives, using the oven and no one's getting hurt. We're seeing it every day. When they first came here, many were shy... and now they're developing friendships. Each program brings a little something different to the table.”

OVER 40 THOUSAND PAPERS DELIVERED WITHIN MILES OF YOUR HOME OR BUSINESS.

I just got done shooting a new video for my YouTube channel and it was all about ramen noodles! We all grew up eating those packets of noodles and some of us (like me) still do! Over the years I have learned that the best way to cook them is

not to use the season packet and use good broth or just cook in water then strain and season the way you like it. Here is one of the recipes that will be featured on the web soon! Hope you like it.

The Chef

Ramen Noodle and Bacon Frittata

Ingredients:

- 2 packs ramen, cooked in water, strained and cooled
- In a hot Teflon pan:
- 4 pcs. thick sliced bacon cut in 1/4 inch pieces
- 1/2 cup diced onions
- 4 eggs beaten
- Salt and pepper to taste

Directions:

- Cook the bacon and the onions till golden brown.
- Add the noodles and mix together till the noodles are hot.
- Slowly pour the eggs over the noodle and bacon mixture to cover all the noodles.
- Cook the eggs for 1 minute then flip it over to cook on the other side.
- Repeat the cooking and then serve.

You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. Hawthorne AYSO Teams Shine in Nationals

Holly Vasina of Hawthorne takes control of the ball during last Thursday's Under 19 girls' soccer match against Santa Barbara of the American Youth Soccer Organization 50th Anniversary National Tournament at Columbia Park in Torrance. Santa Barbara won 6-2. Hawthorne finished 2-3 but its Under 10 boys won in Riverside and its Under 12 girls placed second at Ladera Linda Park in Rancho Palos Verdes. Photo by Joe Snyder.

By Joe Snyder

This year marks the 50th anniversary of the founding of the American Youth Soccer Organization in Torrance, which gave three Hawthorne select teams the opportunity to play in the largest youth tournament ever played. Two girls' squads and one Under 10 years old boys' team experienced playing in a classic that included nearly 500 teams from 19 states, US Virgin Islands and Trinidad and Tobago last week throughout the South Bay and Riverside. Most of the teams played in the South Bay, with most of those in Torrance but also at Ladera Linda Park in Rancho Palos Verdes, Redondo Union High School and Perras Middle School in Redondo Beach. It was Hawthorne's girls' Under 12 team that

participated at Ladera Linda, where the team ended up finishing second in the consolation bracket.

The best Hawthorne squad was performed by one of the Under 10 boys who won their Pool O. Hawthorne, which is Region 21, had wins over Region 124 from Northwest Knoxville and Powell in Tennessee 2-0 and Region 305 (Concord) 7-0 in Riverside. There were no playoffs in the Under 10 boys' or girls' divisions. In the Under 12 girls' Division, Hawthorne had wins over La Quinta, Calif., Knoxville, Tenn., San Marcos from San Diego County, and Port Huron, Mich. Hawthorne lost in the first round of the playoffs to Region 78 from the Hollywood-Wilshire District on Saturday to be placed in the consolation bracket. Hawthorne came back to edge Chino Hills (Region 779) before falling to South Huntington Beach (Region 56) 4-1. The Under-12 squad was led by the team's Most Valuable Player, Isabelle Causley, and Leilani Brown. The team was coached by head mentor Andres Centeno and assistants Edson Chavez and Sasha Stevenson. The team mother was Norma Diaz.

Hawthorne, though, was awarded for the best team sportsmanship. Hawthorne had its Under-19-year-old team compete at Columbia Park in Torrance. It failed to get out of its pool, finishing with a 2-3 record. Region 21 started the tournament last Thursday by edging Utica, Mich. 2-1 then falling to Santa Barbara 6-2. On Friday (Independence Day), Hawthorne suffered losses to Downey 1-0 and San Bruno from the San Francisco Bay area 3-2. Hawthorne, though, closed out with a 1-0 victory over Quartz Hill.

"Everyone contributed," Hawthorne head coach Daryl Letchworth said. "It was a balanced team effort." Holly Vasina scored the only goal for Region 21 in its win over Quartz Hill, located west of Palmdale. Lizette Hereda scored both goals in Hawthorne's win against Utica and one goal against Santa Barbara. Holly Vasina scored the other goal against Santa Barbara.

Meanwhile, North Torrance's Under 19 girls, who also include some players from Lawndale, won the tournament over Okecheelee from Florida. After the two teams were finished regulation with a scoreless tie, North defeated Totoki by penalty kicks 3-1 last Sunday at Columbia Park. North also recorded playoff victories over Burbank and Culver City, both also by penalty kicks after 1-1 regulation ties. North Torrance's Under 19 boys' squad won its pool but fell in the quarterfinals to Temple City 3-0 on Saturday. Lawndale resident Arturo Adame had some good matches for North.

Lennox Seniors Pull Out Title

The Lennox Senior Little League All-Star baseball team hit two home runs for five runs in the bottom of the seventh inning to rally from a three-run deficit and pull off an 11-9 victory over Tri Park last Saturday at Jim Thorpe Park in Hawthorne.

Down 9-6 entering the final inning, Eduardo Flores and Romora Noejeiki each singled before Josh Salcedo blasted a three-run homer over the short right field fence to tie the game at nine. With one out, Tri Park losing pitcher Tony Yanez walked Jose Franco before Ralph Garcia hit one over the right field fence as Lennox pulled out the victory

Lennox center fielder Joshua Salcedo makes a running catch at a fly ball in last Saturday's District 37 Senior Little League Baseball All-Star championship game against Tri Park. Salcedo hit the tying home run that was followed by a winning homer from Ralph Garcia as Lennox rallied to top Tri Park 11-9 for the crown.

and the championship. "I've been waiting for this for a long time," Lennox manager Celso Castro said. "It finally came to us." The game was the second of a final after Tri Park won 10-7 on June 28. Lennox edged Tri Park 8-7 a day earlier.

The title put Lennox into the Section 4 Tournament that began last Monday against District 27 champion San Pedro Eastview at a much larger Marine Park Stadium in Manhattan Beach. The shorter Jim Thorpe Field, located along Prairie Avenue, ranges from 185 to about 210 feet and Marine Park is about 380 to 400 feet, which could make it harder for players to hit homers. The tournament lasts through today. There were seven homers in Saturday's contest, two of those by Lawndale High standout Demitre McField from Tri Park. McField went four-for-four with four runs batted in.
