Wiseburn Directors Talk Common Core Alignment and Permits at Board Meeting

By Haleemon Anderson

The Wiseburn School District is closer to aligning assessment and grading tools with Common Core, the state-wide K-12 educational standards that have gained traction nationwide, with 43 states adopting them so far.

At last week's meeting, Deputy Superintendent Chris Jones reported working on developing a new report card that will reflect Common Core language. He said new grade books would also be aligned with Common Core. In this way, lessons, progress monitors and grades would be matched. For example, the common core principle of perseverance will be incorporated into math work habits. In addition to actual math calculations, students' effort will be assessed using the phrasing, student "persists with challenging tasks."

Wiseburn students have access to smart devices to do classwork and projects, and digital proficiency is an essential part of the classroom. Teachers even have electronic grade books. A digital citizenship component has been added to grading, again reflecting Common Core standards.

"What this is doing, is really upping our game," said Jones, who is also making adjustments to the STAR reading assessment test to more accurately predict when student interventions are needed. The goal is to tailor instruction to meet needs and to get students identified at early levels.

Superintendent Tom Johnstone gave a report on the permits currently being accepted by the district. By the numbers, there are 46 from Compton Unified; 254 from Hawthorne; 164 from Inglewood and 332 from LAUSD. Thirty-two percent of Wiseburn's transfer population comes from LAUSD, which represents 13 percent of all Wiseburn students. Johnstone said the total of transfers, and therefore permitted students at Wiseburn, is 41.5 percent. When choice blocks are implemented, that total number will drop by 4 percent, down to 39 percent total transfer population.

Dave Wilson, chief business official, reported on the district's legal accounts. He said there has been a decrease in legal fees for the past fiscal year, and that trend should continue. "We're doing much better," Wilson said.

Vince Madsen, director of facilities planning, gave a report on energy audit findings, and concluded that money the district is eligible for, from Proposition 39, will allow upgrades to LED lighting at the schools. The district coordinates its energy saving measures with Johnson Controls managing the operations, upon board approval.

Madsen was extremely upbeat about the LED installation, saying, "Bill (Denney, maintenance and operations manager) won't have to change light bulbs [ever]."

Board member Roger Banuelos thanked the Dana staff for hosting the South Bay Hack-a-thon. Eighty students from Wiseburn, Torrance, Manhattan Beach and Lawndale school districts participated. Banuelos said it was nice to see students engaged in engineering and science.

Banuelos announced that on Nov. 9, a visit is planned at the new high school site. And finally, Banuelos noted he is coordinating with the DaVinci Board on the RISE applications.

Madsen also gave the board an update on contingency budgeting for the high school construction. There is currently \$555,000 left in the budget, which Balfour is handling, and a total of \$1.5 million left in the budget.

Johnstone also spoke on Da Vinci Rise programs. He reported on a visit to LMU for a Deans panel on the School of Education. The panel focused on improving teacher education programs. Johnstone is also working on an exit strategy for Project Optimal.

The program, which provides current special education teachers with training in mild to severe developmental protocols, has trained thousands of teachers. The program is completely online. It allows teachers with existing special ed credentials to add additional authorizations needed to work with students who present

autism, early childhood traumatic brain injury, emotional disturbances, and other special needs. It is open to teachers throughout the state.

Johnstone said the program is a threat to universities, because it is streamlined and accessible online. Johnstone said he has a team of three looking at the governance piece of the program. Currently the Wiseburn Board sponsors the innovative program, which is a joint venture with the SELPA (Special Education Local Plan Area) and the California Teacher Credential (CTC) program.

The SELPA coordinates with school districts and the County Office of Education to provide a continuum of programs and services for disabled individuals from birth through 22 years of age.

Actions items on the agenda included unanimous approval of a tentative agreement between WUSD and the Wiseburn Faculty Association; ratification of a salary increase for senior management; a salary and benefits increase for non-represented employees; and approval of P.S. Arts as district arts coordinator. Johnstone said the action on behalf of P.S. Arts is a good one. "They write all our grants," Johnstone said. He said the non-profit organization brought Wiseburn \$20,000 in grants last years.

The board unanimously adopted Resolution No. 16/17.08, reflecting the state mandate to consolidate local elections with state ballots. The effect of the resolution will be to extend current city board members terms from four years to five. "This will save quite a bit of money," Johnstone said.

Wiseburn School District will be closed Friday, Nov. 11 in observance of Veterans Day. In keeping with tradition, the board will meet once only, in the months of November and December, unless otherwise noted. The next regular meeting of the Wiseburn Board of Directors will be held off regular schedule, on Nov. 17, at 7 p.m. The meeting is preceded by a one-hour closed session. •

News for the City of Good Neighbors from City Clerk Huber

VETERANS' DAY EVENT

The Hawthorne Veterans Commission is sponsoring their second annual Veterans' Day Event on Friday, November 11th starting at 10:15 a.m. at the Memorial Center. Last year's event was well attended. Plan to honor our vets with your attendance. For all of the freedoms that we take for granted, we owe so much to our men and women who have put their lives on the line to protect us and preserve this great country, the greatest country in the world, the USA.

THE END OF THE TUNNEL

It been a long haul. It's been full of ups and downs, mostly downs. It's thrown many curves at us along the way. It's thrown us for a loop. It's turned us off. We're sick of it all. Now, we are faced with a dilemma. Do we vote or do we just stay home and have a cold one? Someone has to win. Someone has to be the leader of the free world. No matter what the outcome is next Tuesday, I hope and pray that our country can come together enough to fight the real battles facing us here and abroad. We all can agree that we want a safe place in which to live, work and raise our families. We all can agree that we want jobs right here in America so that our citizens can make a living and support their families. We all can agree that all people should be respected, young and old; and for me that respect begins at conception. We all can agree that all people, black, brown, white, or yellow, should be treated fairly. We have much we can agree upon, but it's how we achieve these goals that bogs us down, that makes us burning mad, that divides us so much that we lose sight of the fact that we are all Americans and we want our country to win, prosper, grow and be truly the "United" States. Maybe we should just look at our currency and remember the motto written on it, "In God We Trust". Maybe, just maybe, our differences would be diminished and we can work together. With the end of the dark tunnel in sight, we can get back to enjoying life, smelling the roses along the way and having a cold one once in awhile.

VOTING PLACES

If you do decide to vote and you are uncertain where your precinct is, you can go online to: www.lavote.net/locator and type in your

name, birthdate and address and it will tell you where to go to vote. If you have your sample ballot, your precinct should be printed on the back cover. I would recommend that you fill out your sample ballot before entering the ballot box, the California ballot is long this time.

TIME CHANGE

Changing our clocks is a hassle. Some blue tooth gadgets automatically adjust for the time change. Some clock radios are really easy. But, then comes the car clocks. Every automobile clock is slightly different. I can never remember from one year to the next how to adjust my Honda's clock. Who wants to get the owners manual out to read two pages on which button to press and hold to reverse the electronic hour setting? It's "fall back Sunday" this Sunday. We gain an hour of sleep this Saturday night. To tell you the truth, I would love to gain about ten hours of sleep instead of just one. Us "grumpy, old guys and gals" sometimes don't get enough good sleep. Grumpy? Me? Yes, it must be my Germanic make up. I was born grumpy, now I'm just old and grumpy. Good thing God loves me even if I'm a big grump.

HOUSING SHORTAGE

Hawthorne has a shortage of housing. Of course there are not a lot empty lots or open space on which to build more homes. It seems like as soon as we build more units they are filled. There are far more people who want to live here in Hawthorne than what our city can accommodate. Everything is relative to the cost of living anywhere in SoCal. House prices are rising, apartment rents are increasing. Affordable housing for many is just a dream. We have people sharing homes just to have a place to sleep. A friend of mine has lived in the same apartment in Moneta Gardens for over 30 years and is being displaced because a new owner wants to remodel and start over with new tenants. My friend has been looking for a suitable place to live the past four weeks and is having trouble locating anything in our area. For all the negatives that come with living so close together, there are still a lot of people who want to make Hawthorne their home •

El Segundo Offense Too Much for Hawthorne

By Eric Ramos

Photos by Greg McMullin

Hawthorne pulled off an incredible upset win over El Segundo last season, however, the Eagles' defense forced four turnovers in a 35-7 dominating win last Friday at Halcap field. The Cougars fall to 3-6 on the season and 2-2 in Ocean League play.

El Segundo (8-1, 3-1) is locked in a

three-way tie for first place with Lawndale and Culver City. The Ocean League will be decided Friday when all teams play in the season finale.

El Segundo took an early 7-0 lead in the first quarter when quarterback Kobe Lagarde hit Billy Brasher for a 21-yard touchdown. The Cougars responded with quarterback Marte Mapu's 15-yard touchdown pass to wide

receiver Carlos Jacobo, tying the game, 7-7, with 9:00 left in the second quarter.

The Eagles come right back with a 67-yard drive, capped by a 10-yard touchdown pass from Lagarde to Ashton Saltz. After back-to-back interceptions by Mapu, El Segundo capitalized on the turnovers with 26-yard touchdown run by running back Taz Tauaese, extending the lead, 21-7, with two minutes left in the second quarter.

On the ensuing drive, Mapu is intercepted by the Eagles' Taj Balogun, which set up Palmer's 25-yard touchdown pass to Brasher, with just under a minute left in the first half. El Segundo took a 28-7 lead into halftime.

On defense, the Eagles were able to shut out Hawthorne in the second half with tough defensive line play. Mapu was intercepted four times and sacked twice. Brasher hauled in an 8-yard touchdown pass from Jake Palmer for his third touchdown of the night and putting the game out of reach in the fourth quarter.

Tauaese finished with 102 yards on 15 carries while Brasher added five receptions for 101 yards. Jacobo finished with four receptions for 42 yards and a touchdown for the Cougars.

Hawthorne will play its final game of the season Friday when they travel to Lawndale

Friday for a 7 p.m. kickoff.

LAWNDALE VS. BEVERLY HILLS

Lawndale remains in a three-way tie for first place in the Ocean League with a 67-0 rout of Beverly Hills last Friday. The Cardinals (4-4, 2-1) will host Hawthorne Friday at 7 p.m. in the season finale.

LEUZINGER VS. WEST TORRANCE

Leuzinger was led by its ground game as they rushed for 432 yards to help the Olympians defeat Torrance, 25-10, last Friday. Leuzinger remains undefeated in the Pioneer League as they head towards the season finale against Centennial Friday at 7 p.m.

Leuzinger running back Daniel Carmicle rushed for 194 yards while adding touchdown runs of 88 and 65 yards. The Olympians (7-2, 4-0) led 18-10 at halftime and added a touchdown in the fourth quarter to seal the win.

INGLEWOOD VS. REDONDO UNION

Inglewood was held to 117 yards of total offense in a 29-6 Bay League loss to Redondo Union last Friday. The Sentinals remain winless in league play and fall to 3-6 overall on the season. Inglewood will play rival Morningside in the season finale Friday at 7 p.m. •

- 2 teaspoons melted butter

Preparation

1. Preheat oven to 350 degrees. Cut 1/2-inch top off the stem end of the apples. Remove the stems, leaving a small hole into which you can insert a cinnamon stick. Core the apples with a melon baller. Discard cores. Scoop out the inside of the apples, being careful not to pierce the skin. Chop the flesh. Set aside.
2. Combine the cranberries, raisins, chopped apple flesh, orange juice, butter, nutmeg, vanilla, and orange peel in a medium bowl. Stuff this mixture inside the hollowed-out apples and place in lightly greased oven-proof dish.
3. Replace cap on each apple, with a cinnamon stick through the stem opening. Spread any extra stuffing around the apples and bake in preheated oven until tender, about 45 minutes.

PETSPETS **Pets** PETSPETS

Wowser Schnauzers

Eugene

We are looking for volunteers to help with our pet adoption fairs which are held every Saturday at the Petco located at 537 N. Pacific Coast Highway Redondo Beach 90277, from noon to 3:30 p.m. If you are interested in volunteering and can commit to at least one Saturday a month, please contact us at info@msfr.org. You can also visit all of our Miniature Schnauzers & Friends rescues at the adoption fair or check out our website, www.msfr.org. If you have any questions about a particular dog's availability you can email us at info@msfr.org. Schnauzers. Bet you can't adopt just one.

Let me introduce myself, I'm **Eugene**, a 3-year-old male purebred Miniature Schnauzer. One night my brother, Banks, and I decided to go for a walk and visit some pals. The next thing we knew we were at an Inland Empire shelter and we were labeled as strays. So much for socialization! I love hanging out with other dogs and since, at 21 pounds, I'm larger than my brother I guess I'm the "big" brother. The shelter folks said we were 4 years of age but everyone thinks we act a lot more like 3 than 4. If you're looking for a handsome guy to enrich your life, I definitely would be the perfect companion for you! If you are interested in Eugene, please email info@msfr.org for more information.

I believe that you've met my brother, Eugene, and heard our tale. I'm **Banks**, and at 17 pounds, I'm the "little" brother. I too am a male, purebred Miniature Schnauzer whose behavior more resembles that of a 3 year old than that of a 4 year old. Who would have

ever guessed when my brother and I left home for evening of getting together with friends that we end up in a life changing adventure? It's a good thing that I'm very likeable and that I get along with other dogs. Before I was rescued from an Inland Empire Shelter I met some pooches of very questionable character but was able to win them over. I'm sure once you meet me and see what a treasure I am you won't be able to leave without wanting to adopt me. If you're interested in Banks, please email info@msfr.org for more information.

Hello, it's me. My new name's **McGee** and

McGee

I am a 2-year-old male purebred Miniature Schnauzer. Not quite sure how it happened but I ended at an L.A. area shelter where everyone called me a stray. I heard that I was going to be adopted by someone but they must have changed their mind because no one ever came for me. Unbeknownst to me, the MSFR folks had heard my story and when it looked like I was going to be stuck at the shelter, they swooped in and rescued me. I'm a very good-natured pup who gets along with everyone. I'm still a youngster so I'm very playful but I have a really sweet

face that no one can resist. I'm a bit tall for my 21 pounds but I expect that I'll fill in. I have natural ears, a docked tail and if I have to say so myself I'm quite the looker. If you are interested in McGee, please email info@msfr.org for more information.

My original name was Lucky but boy, my life has been anything but! It's hard to imagine that I was abandoned at a doggie day care facility when I was two years old. Seriously, who would do such a thing to an adorable apricot Miniature Poodle? The owner of the doggie day care was really nice and found me a great home with a loving family. They decided to give me a new name for my new life so they named me **Ricky**. I thought my problems were behind me until I lost my sight due to juvenile cataracts at age 4. I have to admit that at first it was pretty rough but with the love and support of my family I adjusted without ever losing my good-natured disposition. Little did I know that the hardest blow was yet to come. Recently, my loving and adoring Dad became very ill and is now in hospice care so at 8 years of age, here I am looking for my forever family - again. I'm a very affectionate, loyal, well-mannered, quiet little guy. Despite everything life has handed me, I still have a lot of love and life to share with someone who will just give me a chance. If you're looking for wonderful, loyal companion I just know I'm exactly the one to fill that bill. If you're interested in Ricky please email gin.munoz@gmail.com. •

Happy Tails

Ditto is one of two recent amputees, who were happily rescued and now part of a fun, new family!

Another celebration is in order Congratulations to **Ditto** and his new family. Ditto is one of the two recent amputees, the other being Serena, who were rescued from a shelter shortly after the 4th of July. In addition to being avid MSFR supporters, Ditto's new Mom and Dad are also extended family of a

MSFR 2014 alumnus. Poppy, formerly known as Beverly, was adopted by Ditto's mom's mother so that makes Poppy his aunt. He also has a Schnauzer sister named Schooner who is also a rescue. It sounds like there's going to be a lot of fun, happiness and many adventures in this family. •

THE YELLOW DOG PROJECT.com

If you see a dog with a **YELLOW RIBBON** or something yellow on the leash, **this is a dog who needs some space**. Please do not approach this dog with your dog. Please maintain distance or give this dog and his/her person time to move out of your way.

There are many reasons why a dog may need space:

- HEALTH ISSUES
- IN TRAINING
- BEING REHABILITATED
- SCARED OR REACTIVE AROUND OTHER DOGS

THANK YOU!

Those of us who own these dogs appreciate your help and respect!
